

*57<sup>th</sup> Street Bistro*  
*(located inside Reuther High School)*

The 57<sup>th</sup> Street Bistro program teaches students to prepare for a career in the field of Culinary Arts. The students are provided with real life experiences as they serve gourmet lunches to Kenosha Unified staff two times per month. The Bistro also caters district events for groups ranging in size from 10 to 150 people. There are two rooms available to serve / cater events; one room holds a maximum of 20 people and the other “banquet room” can hold a maximum of 150 people.

Full sit down meals, buffets or sandwiches can be provided. If you are interested in having your next meeting or luncheon catered by the Bistro, please contact Jeff Slater via e-mail at [jslater@kUSD.edu](mailto:jslater@kUSD.edu) or feel free to call him at 653-6229.
