Central enrollment is available for elementary children new to the Kenosha, Pleasant Prairie and Somers area and for those families who moved to a new residence within the school district during the summer. The parent/guardian of a student who has moved to a residence in a different Kenosha Unified School District attendance area should contact the school the student last attended as soon as possible.

Early enrollment is very important since the number of teachers in the classrooms is based on the number of students expected. Central enrollment for students will be held at the Education Support Center, 3600 52<sup>nd</sup> Street, Kenosha, Monday through Friday, July 25 through August 5, from 10:00 a.m. to 5:00 p.m. each day. Spanish language assistance will be available.

The first day of school for KUSD students is Thursday, September 1.

A child's parent or legal guardian must complete the enrollment process. At the time of enrollment, proof of district and boundary school residency (current apartment/house lease, house title or utility bill), and proof of the child's age, i.e. birth certificate, must be presented. The name, address, city and state of the school the child last attended and immunization records are also needed.
