

Harborside Academy

714 49th Street
Kenosha, WI 53140

Mission Statement

Harborside Academy's mission is to provide a rigorous academic program through learning expeditions, in a small personalized setting that impels and prepares students for full participation in the intellectual, economic and civic life of our society. Our approach draws students, teachers, and parents together in the pursuit of high standards of academic achievement, character, and service to the community.

Instructional Focus

- A small, Charter School setting;
- A College Preparatory Focus;
- A commitment to Adventure/Fitness;
- Strong character development; and,
- Schooling designed for the digital age.

General Information

Will enroll 110 new freshmen each year. Interested 10th through 12th grade should contact the school office.

Reuther Central High School

913 57th Street
Kenosha, WI 53144

Mission Statement

The Mission of Reuther Central High School, a safe and caring learning community where students choose from a variety of engaging educational programs, is to inspire students to graduate and become productive members of society, by supporting them to create and pursue their dreams.

Instructional Focus

The Reuther Expeditionary Learning (EL) High School provides quality instruction focused on a standard 23 credit diploma. Instruction motivates and encourages active learning, critical thinking, and problem based learning through project centered curriculum. The program emphasizes literacy, service, post-secondary preparation and planning, team building, and the development of higher level thinking skills. Reuther EL School is designed through a nationally recognized model.

General Information

Will enroll 40 students. Acceptance requires a parent/student meeting with a staff member.

Schools of Choice

Kenosha Unified School District

Harborside Academy

Indian Trail High School
and Academy

Kenosha eSchool

LakeView Technology Academy

Reuther Central High School

Indian Trail High School and Academy

6800 60th Street

Mission Statement

The mission of the Academy, a choice school community of four academies, is to instill in our students academic and personal excellence by challenging all to be critical thinkers, life long learners, and responsible citizens, through innovative approaches to instruction and learning.

Instructional Focus

The Academy offers an innovative approach to secondary education with four thematic academies or “schools within a school.” This environment creates an engaging atmosphere where classes integrate various technologies, and instruction focuses on making connections with other school subjects. These smaller communities, or academies, are formally called Biotechnology and Environmental Studies, Communications, Business and International Studies, and the Kenosha Military Academy. Each academy is organized into grade-level teams, which creates even smaller learning communities.

General Information

The capacity enrollment at Indian Trail Academy is 800.

Kenosha eSchool

6121 Green Bay RD. #100
Kenosha, WI 53142

Mission Statement

The Kenosha eSchool, in partnership with Wisconsin eSchool Network, exists to utilize new and emerging technologies, providing students with access to high-quality standards-driven curriculum in a flexible environment that best serves their needs.

Instructional Focus

The Kenosha eSchool is a virtual charter school that offers a unique opportunity to students in grades 6 through 12, who would like either full or part time enrollment. Each course is taken for credit towards graduation, and all credits are transferrable to any district high school. The coursework is available anytime, and it is fully accessible through the Internet. Students can submit applications anytime during the school year up to April 1. The program provides a great opportunity with many benefits to meet ever changing schedules and needs. Students and their parents will experience greater communication with teachers and are able to monitor their progress at any time.

Added Benefits

Full and part time options;
Gain valuable online experience; and,
Free-up time in current schedule.
