RULE 1110
PARENT/GUARDIAN/CAREGIVER SURVEYS

1. The parent/guardian/caregiver survey will consist of a written questionnaire/focus groups/electronic survey or standardized survey instrument such as a school climate survey. Accommodations for language and disability/handicap conditions are expected.
2. All surveys will have a series of identical questions to allow for a comparison of results. Questions relative to playground safety will be incorporated in the parent/guardian/caregiver survey. Building principals may develop additional questions reflective of individual building informational needs.

4. The Communications Department and the building principals will be responsible for administering the survey with the Office of Educational Accountability providing summaries of the results. A process of standardization of survey summaries will be implemented. Principals will be responsible for summarizing the results of building specific questions and reporting the results to the Superintendent of Schools or designee.
5. Principals will disseminate to parents/guardians/caregivers the results of the survey and how they plan to use the results for school improvement.
