

POLICY 3750  
PLAYGROUND EQUIPMENT

Within the financial limitations of the District, the School Board recognizes the need to provide playground equipment. Playground equipment shall be selected with primary consideration given to developmental qualities and safety factors.

No moving equipment such as swings, seesaws, slides, merry-go-rounds or steel horseshoe equipment shall be installed on any school playground.

RULE 3750  
PLAYGROUND EQUIPMENT

When new playground equipment is considered for purchase and installation on any school playground, these steps shall be followed:

1. Factors to be considered will include space, type of surface, terrain, area and equipment safety and anything else pertinent to the recommendation. The committee's written recommendation shall be forwarded to the Superintendent of Schools for decision.
2. Approval for installation must first be obtained from the Director of Facilities.
3. The Department of Facilities will monitor the installation of the equipment, which will be completed on a first come-first serve basis. Installation will be completed as rapidly as possible pending other District priorities.
