Attention **all** current 6th grade students Continental Summer Recreation Band wants **YOU!**

Like K-L Band last year, Continental Band is a great way to keep your child playing regularly through the beginning of the summer and adding onto the skills and musicianship that they have learned in 6th grade Band!

Rehearsals are held at Reuther High School Auditorium with the first beginning on Monday, June 12th and running through Wednesday, July 12th. The rehearsals are 2 hours long beginning at 9am and ending at 11am Monday through Thursday of each week.

At the end of the Summer Season every Continental Band member is invited to join us for an end of the season trip to Six Flags Great America on Wednesday, July 12th. This trip is optional but is an awesome way to cap off a season of hard work!

Information will be coming home in the spring from your child's band director so please keep an eye out!!! Every Band student in 6th grade going into 7th grade is invited to join!
