Frank Elementary is one of two schools that follow an extended-year calendar in KUSD. We are part of a national network of schools, EL Education. The focus of EL Education is the development of crew (we all belong here), character education, high quality work products, and expeditions (hands-on learning units). These initiatives have helped us to improve outcomes and close achievement gaps.

GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

Priority Area Score

■ This school's score was the same or higher than 70.6% of K-5 schools in the state.

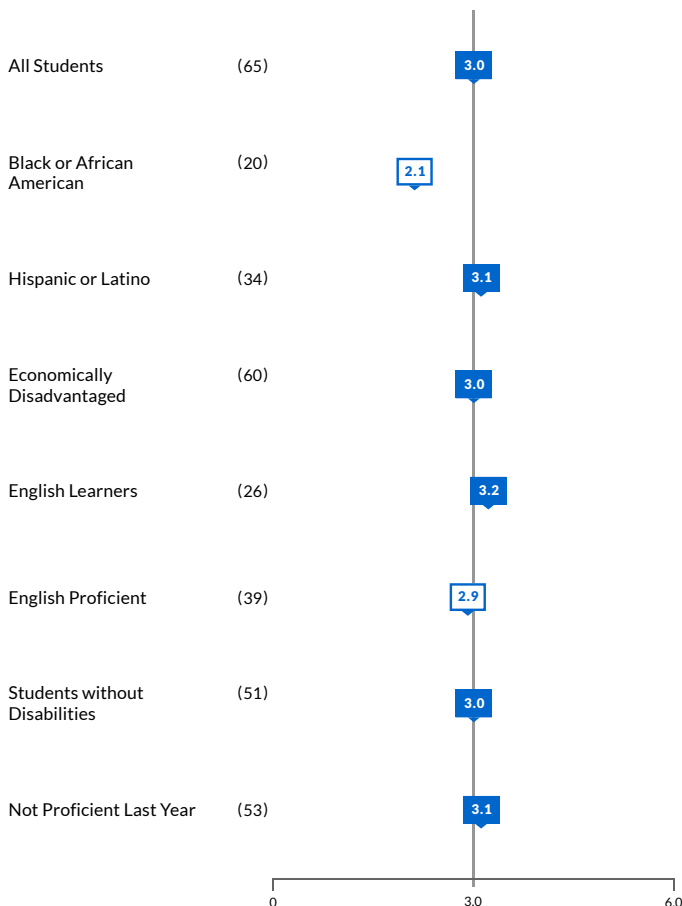

English Language Arts Score: 66.0

Mathematics Score: 86.9

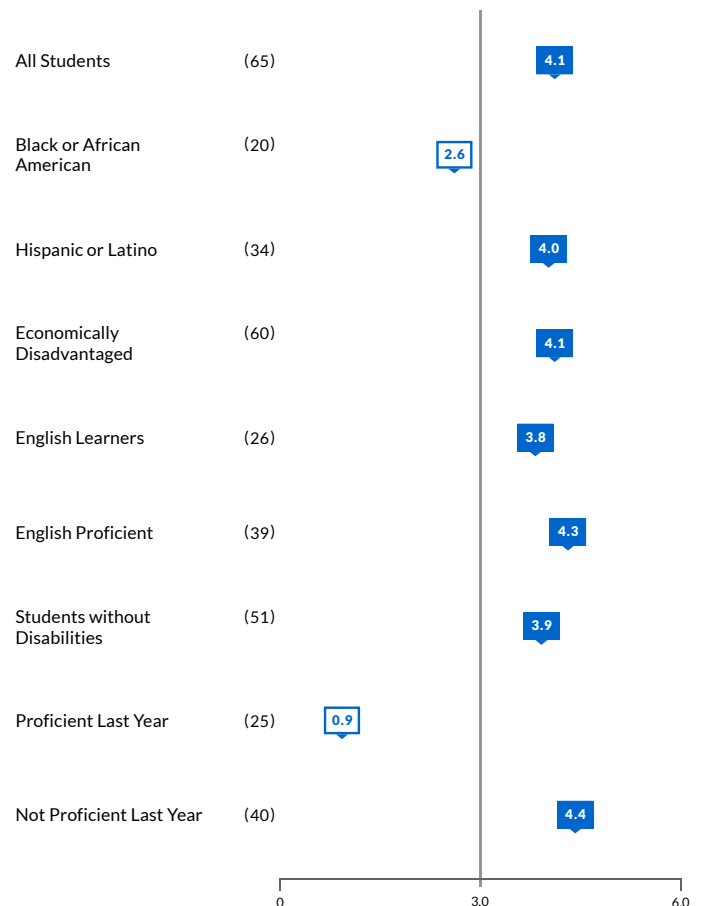

Student Group Value-Added (for information only)

Value-added scores cover an approximately 0-6 range. Higher scores mean greater positive impact. A score of 3.0 is average. Group size is shown in parentheses. Groups with fewer than 20 students are not displayed. Shaded boxes indicate higher-than-average scores.

TARGET GROUP OUTCOMES

This priority area examines outcomes for students with the lowest test scores — the Target Group. It is designed to promote equity by helping schools focus on learners who need the most support while also improving outcomes for all students. The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.
