Jeffery Elementary serves a diverse population of students. We are a mid-sized school with a small school feel. We focus on the whole child's learning experience. Both learning and fun are a critical piece to our learning environment. We also prioritize providing extra time to all our students to make sure they are getting what they need throughout the week via routine staff collaboration.

GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

Priority Area Score

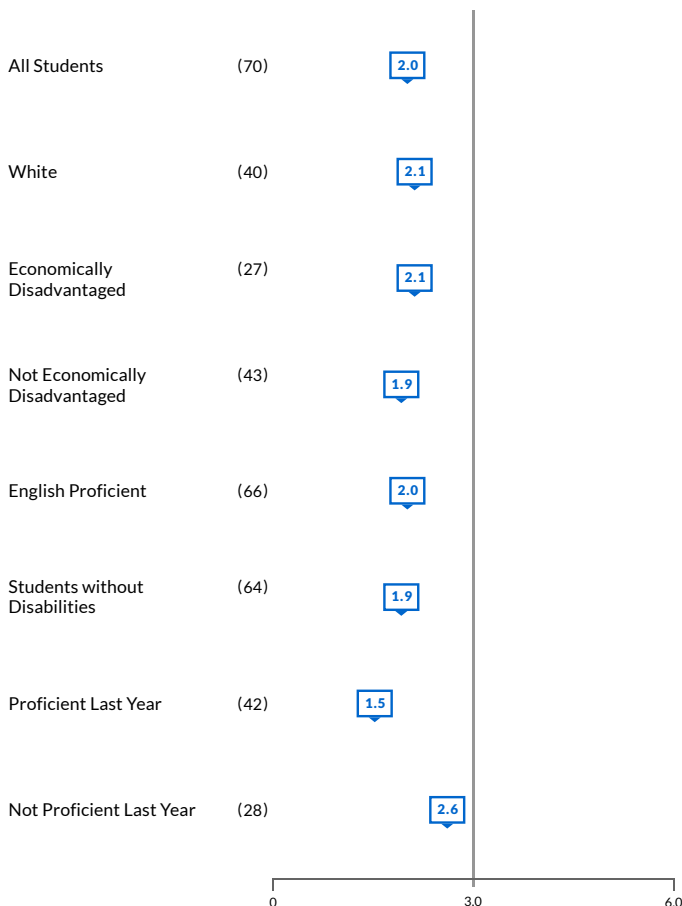

English Language Arts Score: 47.0

Mathematics Score: 41.3

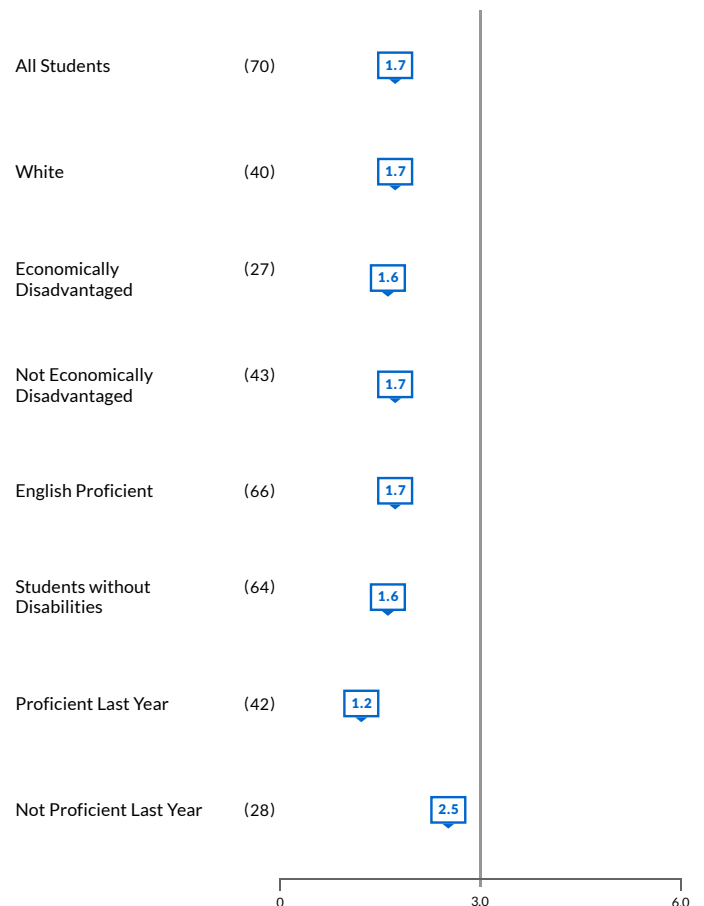

Student Group Value-Added (for information only)

Value-added scores cover an approximately 0-6 range. Higher scores mean greater positive impact. A score of 3.0 is average. Group size is shown in parentheses. Groups with fewer than 20 students are not displayed. Shaded boxes indicate higher-than-average scores.

The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.
