

Reinstatement Policy

Full time students who are exited from Kenosha eSchool Program due to non-performance and/or failing grades must return to their boundary school.

Students reapplying for full time eSchool Program enrollment must meet the following requirements:

- The student must successfully complete and pass an eSchool Program course as a part time student, while attending full time at their boundary school.
- Upon successful completion of a course, the student would be considered for full time enrollment when a spot becomes available.
- If a waitlist for full time enrollment is active, the student would be enrolled full time when available spots open according to the waitlist.
