

STUDENT

START-UP GUIDE

Check Technology

Make sure you have a working computer with the recommended updated browser and Internet access.

1st Day of Class

Sign into your eSchool student account using the link under the Course Login tab or by using the direct **Genius** link:
<https://bit.ly/kenoshaeschool>

Time Commitment

Determine a schedule to work daily on your course to ensure you complete all work by your end date.

Launch Course in Buzz

Access your online courses in the learning management system, **Buzz**. Click on the Course Card to access all course details.

Landing Page

Read your teacher's announcements on the **Landing Page** at the top of each course each time you log in.

Welcome Folder

Proceed down to your course folders and start by reading through all the information in the **Welcome Folder**.

Help Folder

Proceed to the next folder and read all the information to understand ways to get support as you complete your online course.

First Assignment

Follow your course directions to complete the first assignment given by your teacher.
