

Orientation Reboot

Do you need more help understanding how to navigate your eSchool courses? It is recommended you attend one of the Orientation Reboot sessions. This short session will review some of the basic technology and online learning skills needed to be successful at eSchool. Whether you are new to eSchool or a returning student, this will better prepare you to learn online with us. These sessions are facilitated by [Mrs. Greno](#), one of our eSchool teachers.

Below are the session times that are offered. Join using Mrs. Greno's Zoom link at the day and time you choose. Parents are welcome also to attend. There will be time at the end for individual questions if needed. If you can't attend at the times given and still need assistance starting your eSchool courses, feel free to email Mrs. Greno directly @ bgreno@kUSD.edu.
