

Fully-Online Student Information

Grades KG-12

2026-27

The Kenosha Unified School District No. 1 is an Equal Opportunity Educator/Employer with established policies prohibiting discrimination on the basis of age, race, creed, religion, color, sex, national origin, disability or handicap, sexual orientation, or political affiliation in any educational program, activity, or employment in the District. The Superintendent of Schools/designee (262-359-6320) addresses questions regarding student discrimination, and the Executive Director of Human Resources (262-359-6333) answers questions concerning staff discrimination.

Contact Information

Kenosha eSchool Program Office

Phone: 262-359-7715

Fax: 262-359-3824

Website: <https://www.kusd.edu/eschool/>

Location:

8518 22nd Avenue

Kenosha, WI 53143

Hours:

General Hours of Operation During the Regular School Year

Monday- Friday*

8:00 a.m. until 4:00 p.m. (after hours by appointment with teacher or staff).

Summer School Building Hours

Monday- Thursday

8:00 a.m. until 3:00 p.m. (after hours by appointment with teacher or staff).

*Exceptions: The eSchool Office will not be open to students and families when all KUSD buildings are closed (i.e. during closures, holidays, inclement weather, etc.). However, courses are still available online when the office is not open.

Dear eSchool Families,

Welcome to the **2026-27** school year! We hope you and your family had a relaxing and enjoyable summer. Whether you are returning to eSchool or joining us for the first time, we are excited to partner with you for another successful year of learning.

At Kenosha eSchool, we know that student success depends on a strong partnership between students, families, and staff. We are committed to providing a flexible, supportive learning environment while helping every student reach their academic goals.

Staying Connected

Communication is one of the most important factors in a successful online learning experience. Please stay connected with us throughout the school year by using the following resources:

- **School Website:** Visit kUSD.edu/eschool for announcements, calendars, forms, and important program information.
- **Social Media:** Follow our social media pages for reminders, celebrations, and important updates.
- **ParentSquare:** Download the ParentSquare app to receive messages and notifications from both eSchool and your student's boundary school.
- **Email:** Check your email regularly for newsletters, teacher updates, and important school communications.
- **Parent/Guardian Portal:** Monitor attendance, grades, assignments, and student progress through the Genius Parent/Guardian Portal.
- **Teacher Contact:** Every eSchool teacher has a school-issued phone. Contact information is available on the Contact Us page of our website.

Supporting Student Success

Online learning provides flexibility, but it also requires students to stay engaged and work consistently. Families play an important role by:

- Checking grades and progress regularly.
- Encouraging students to log in and work each school day.
- Communicating with teachers whenever questions or concerns arise.
- Helping students establish a daily learning routine and dedicated workspace.

If your child begins to struggle, please reach out early. Our teachers, counselor, and administrative team are here to help.

Understanding the eSchool Program

As a reminder:

- Kenosha eSchool is a program within the Kenosha Unified School District, not a standalone school.
- Students remain connected to their boundary school for graduation, class rank, athletics, extracurricular activities (where eligible), picture day, and other school-specific events.
- Seniors will graduate and participate in commencement ceremonies with their boundary school.
- Eighth-grade students do not participate in a district commencement ceremony.
- State testing (such as ACT and Forward Exam, when applicable) is coordinated with your student's boundary school. MAP testing will continue to be administered through eSchool. Additional information will be shared as testing dates approach.

Important Beginning-of-Year Information

- **The first day of school is Tuesday, September 1, 2026.** Student courses will become available that morning.
- All new students must complete the required eSchool Orientation before beginning coursework.
- Teachers will contact students and families during the first week of school to introduce themselves, review expectations, and answer questions.
- Students are encouraged to begin working on coursework immediately and stay on pace from the first week of school.
- If you have questions about schedules, enrollment, or course changes, please contact our counselor, **Ms. Kim Gorman**, at **262-359-7764** or kgorman@kUSD.edu.

We Are Here to Help

Our goal is to make every student feel connected, supported, and successful throughout the school year. Please don't hesitate to reach out if you have questions or need assistance. We appreciate your partnership and look forward to celebrating your student's accomplishments throughout the year.

Thank you for choosing Kenosha eSchool. We are excited for a fantastic 2026-27 school year and look forward to working with your family!

Warm regards,

Anthony Casper

Principal, Kenosha eSchool

HS Final Exams - Early Release		Professional Learning: No Students Report 10/2, 12/11, 2/12, 3/12
Last day for Graduating Seniors May 20		School Closed

What Makes a Successful Kenosha eSchool Online Learner?

1. Persistence

Persistence is perhaps the biggest key to success in online learning. Students who succeed are those who are willing to tolerate technical problems, seek help when needed, work daily on every class, and persist through challenges.

- When you run into a challenge, keep trying and ask for help.
- Set up a manageable study schedule for yourself and stick to it. Students who succeed are those who log in and make progress every day. This is especially important after the novelty of going to school online starts to wear off!

2. Effective Time-Management Skills

You must be able to manage your time well. Most courses are not taught in real time, and there are no set times for classes.

Flexibility is one of the great benefits of online learning. It can also be a drawback for a student who procrastinates, is unable to stick to a routine study schedule, or is not able to complete assignments without daily reminders from a teacher.

Effective time-management skills don't just happen. They have to be learned. Once you do, they will benefit you throughout your life. Follow the tips below to develop yours:

- Review the syllabus for each of your courses. Develop a long-term plan for completing your major assignments.
- Make a daily "To Do" list. Have fun checking things off the list as you complete them.

It takes time to develop good habits, but you'll gain satisfaction from being well-organized and accomplishing your tasks.

3. Effective and Appropriate Communication Skills

Communication skills are vital in online learning because students must seek help when they need it. Teachers are willing to help students, but they are unable to pick up on non-verbal cues, such as a look of confusion on a student's face. Don't be shy about using tools such as e-mail, office hours, phone calls, text messaging, and even web conferencing to communicate with your teacher. Follow these tips:

- Our teachers and staff want to help you to succeed in your classes and will answer your questions. It may feel awkward to talk with your teachers this way, but don't worry. Your teacher has a cell phone, face-to-face office hours, and will even set up a virtual collaboration session to help you.
- Use appropriate style and language for school. When communicating with teachers and other staff, you should write in full, grammatically correct sentences using a respectful tone. Many students are used to a very informal style of writing in chat rooms, blogs, text messages, and so forth, but this is not the best way to communicate with your teachers.

- Because of the distance, it's tempting for some students to say things out of anger or frustration that they would never say to a teacher in person. Treat your teachers with respect and courtesy.

4. Basic Technical Skills

Online learners need basic technical skills to succeed. These include the ability to create new documents, use a word processing program, navigate the Internet, and download software. If you lack basic computer skills, make an appointment with your teacher. They are happy to show you how to successfully navigate your class. You can also go back to the orientation class you completed prior to starting eSchool courses and review the skills you need to successfully complete classes.

5. Reading and Writing Skills

Reading and writing are the main ways you'll communicate in an online class. You should be comfortable reading a lot of documents on a computer screen, and you should be able to type quickly and accurately on a keyboard.

Some tests and quizzes have multiple-choice questions, but many of your assignments will involve writing short or long answers.

6. Motivation and Independence

To be successful, an online student has to want to succeed. Online learning requires independence, internal motivation, responsibility, and a certain level of maturity.

7. A Good Study Environment

Another critical component of academic success is a good study environment.

- Get some peace and quiet. You will need a quiet place to work without distractions from things like television, family, or roommates.
- Avoid games. Consider uninstalling any computer games to avoid temptation. Or keep the games on a different computer in the house.
- Turn off your cell phone. Let friends and family members know the hours that you will be "at" school.
- Beware surfing the black hole of the Internet. It is easy to lose track of time as you wander from site to site.
- Consider ergonomics. Adjust the height of your chair, keyboard, and screen so that you are comfortable. Forearms and thighs should be level and parallel to the floor. Wrists should not be bent while typing.
- Set up good lighting and comfortable seating. Lighting in the room should be at least as bright as the computer screen to avoid eye strain.

AP courses are typically 18 weeks per each 0.5 credit.

POLICY 6456 – GRADUATION REQUIREMENTS

Academic credits shall be awarded for mastery of standards in grades nine through twelve. A student must earn 23.5 credits, as described in Rule 6456 to graduate from the Kenosha Unified School District and a student must also complete 10 hours of community service, and successfully pass the state required civics exam with a score of 65% or higher,

OR

A student may receive a school specific diploma by successfully completing an approved Individual Education Plan (IEP), Limited Language Plan (LLP) or students identified with limited or interrupted formal education (SLIFE) situations, and/or Section 504 Plan that specifically defines any graduation requirement modifications approved by administration. All plans will be recorded within the student information system.

KUSD students may obtain an online learning endorsement.

A student may complete the online learning endorsement through one of the following options:

1. Pass an online course (earned mark must appear on the transcript).
2. Pass a course with approved online components (as listed below in Section 6 of the credit requirements).

A credit deficient student who is at least 17 years of age who has been enrolled in a high school cohort group for more than three years (a student with a summer birthday would be able to take the exam with the spring testing group if they attended high school for more than three years with their peers) may also successfully complete the District Competency Graduation Requirements or a comparable program to earn a District diploma. In addition, a District diploma may be earned by a transfer student through an academic review of the student's transcript by a building administrator.

The School Board may also grant a District high school diploma to students who have successfully completed the graduation requirements of the Wisconsin National Guard Challenge Academy. Challenge Academy students must reach content proficiency either by meeting the proficiency standards on the Challenge Academy content assessments or the KUSD competency diploma assessments.

All students shall be required to take a full schedule. High School students may be allowed to have non-academic release time based on schedule needs and approved requests. In addition, four years of high school attendance shall be required unless early graduation is applied for and approved pursuant to established District procedures. Each regular school year a high school student in grades 9 and 10 will be scheduled in no less than six (6.0) credits. High school students in grades 11 and 12 shall be scheduled in no less than five (5.0) credits, unless enrolled in an alternative program. Students are eligible for early graduation when they have completed all of the requirements for receipt of a diploma.

The Board may award a high school diploma to certain veterans, notwithstanding District and statutory high school graduation standards. To be awarded a diploma, a person must be at least 65 years of age, attended high school in the District or attended high school in Wisconsin and resides in the District, left high school before graduation to join the U.S. armed forces during a war period as defined in state law, and served on active duty under honorable conditions in the U.S. armed forces or in forces incorporated as part of the U.S. armed forces. War periods include, among others, World War II, the Korean Conflict, Vietnam War, and Persian Gulf War.

The Board may also award a high school diploma to a person who received a high school equivalency diploma after serving on active duty in the U.S. armed forces or in forces incorporated

as part of the U.S. armed forces if the person meets the other conditions outlined in this paragraph and to a veteran who is deceased, but has satisfied the conditions outlined in this paragraph prior to death.

Rule 6456 – Graduation Requirements

1. Credit Requirements and distinctions
 - a. Specific Credits Required out of 23.5.

ENGLISH	4 credits
SOCIAL STUDIES	3 credits* 1 credit – U.S. History 1 credit – World History * ½ credit U.S. Government & Politics ½ credit Behavioral Science
MATHEMATICS	3 credits
SCIENCE	3 credits
PHYSICAL EDUCATION	1.5 credits**
HEALTH	0.5 credit
CONSUMER EDUCATION/PERSONAL FINANCE	0.5 credit*** Beginning with 2028 graduates, this requirement will be aligned to Wisconsin Act 60.
ELECTIVES	8.0 credits

CIVICS EXAM	Successfully pass the state required civics exam with a score of 65% or above.
COMMUNITY/SERVICE LEARNING	Required of all students – 10 Service Hours
DIPLOMA WITH SERVICE DISTINCTION	100 Service Hours
DIPLOMA WITH HONORS DISTINCTION	4 Advanced Placement credits
ONLINE LEARNING ENDORSEMENT	Pass an online course or pass a course with a high quality online component.

* Note: Students selecting the Advanced Placement U.S. Government and Politics option will be required to satisfactorily complete the entire course. Failure to do so will require students to take either U.S. Government and Politics or U.S. Government and Politics – Honors in order to satisfy the requirement. In the instance where a student successfully completes one credit of AP Government and Politics and has completed one credit of U.S. History and one credit of World History, the student has met the required 3 credits of social studies for graduation. Students planning to attend an institution of higher education are encouraged to take a behavioral science course.

Note: Economics can be applied towards satisfying the consumer education requirement.

**Unless exempted pursuant to Wisconsin Statutes, exemption shall be granted for medical reasons upon presentation of a physician's statement. Students excused from physical education for all four years of high school for medical reasons shall be required to makeup ½ credit in another elective subject for each semester excused from physical education.

***Waived for students who successfully complete ½ credit Honors Economics, ½ credit Economics, 1.0 credit Advanced Placement Economics, or 1.0 credit Marketing. This waiver expires with 2027 graduates.

- b. The District will provide access to honors, advanced placement, and post-secondary courses in accordance with state law requirements.
- c. Summer school credit is awarded on the basis of one-half (0.5) credit for each class successfully completed based on standards. Prior approval

by the principal is required to earn credit for summer school courses taken outside of the District.

- d. Credit deficient students who are at least 17 years of age who have been in a high school cohort group for more than three years (a student with a summer birthday would be able to take the exam with the spring testing group if they attended high school for more than three years with their peers) and are current residents of the District may be issued a District diploma if they satisfy the following Competency Graduation Requirements.
 - i. Are enrolled members of a District cohort group, which means that students must have been enrolled members of a particular Kenosha Unified School District graduating class. Eligible students must have been enrolled in the District prior to the end of their cohort year graduation date. Non-KUSD cohort students 18 years of age or older whose graduation year has expired will not be eligible to participate in the program.
 - ii. Score at or above the fourth stanine on all predetermined subtests including core areas of the District's adopted standardized achievement tests.
 - iii. Demonstrate competency in writing, which can be accomplished by reaching a Readiness Level of "Close" or above on three of five subtests for the Grade 10 ACT Aspire assessment or ACT Aspire/ACT Plus Writing Equivalent or scoring at a level 3.0 or higher on the WorkKeys writing assessment/approved equivalent.
 - iv. Complete consumer education/economics, personal finance starting with 2028 graduates, health, government and politics, or approved comparable courses.
 - v. Complete the minimum 10 hours of community service.
 - vi. Meet employability standards in one of the following ways:
 1. Successful employment for a six-month period of time and can provide validation; or
 2. Meet an employability component established by the District in the form of a work readiness portfolio.
 - vii. Students will be required to assume any associated costs for the administration and scoring of District adopted standardized assessments.
2. Students who have successfully completed the graduation requirements of the Wisconsin National Guard Challenge Academy, including reaching proficiency on assessed content, may earn a District diploma. Challenge Academy students must reach content proficiency either by meeting the proficiency standards on the Challenge Academy content assessments or the KUSD competency diploma assessments.
3. Standards of a Quality Online Learning Course:

A high quality online course is defined as a structured learning environment that utilizes technology, consistently and regularly (lasting 10 hours or more) throughout the course. Students do not need to take a completely virtual course. Each building administration will maintain and communicate a list of courses that aligns to this expectation. Students have multiple options to complete this endorsement within or outside of their primary assigned school. An online component involves the use of a variety of media. This includes Intranet and Internet based tools and resources as

delivery methods for the following: instruction, research, assessment, communication, and collaboration. An online course/learning management system should be utilized to promote an understanding of progress monitoring systems, support universal learning opportunities, and facilitate the management of online experiences.

4. Early Graduation: To be considered for early graduation, the student and the parent/guardian shall submit a written request to the principal no later than the end of the first marking period of the school year in which the student plans to graduate early. The student's course of study, earned grades in such courses, grade point average, and other performance indicators shall be made part of the student's transcript. If approved, early graduation would be conditional on successful completion of all graduation requirements.
5. A student may receive a school specific diploma by successfully completing an approved Individual Education Plan (IEP), Limited Language Plan (LLP), and/or Section 504 Plan that specifically defines any graduation requirement modifications. This provision would also apply to students with limited or interrupted formal education (SLIFE) situations through a developed graduation plan with detailed modifications approved by administration.

Graduation Flowchart

MEMORANDUM

July 2026

Dear Parent/Guardian:

The kindergarten through twelfth grade Family Life Objectives were approved by the Kenosha Unified School District Board of Education. An outline of the grade level human growth and development curriculum is enclosed.

Copies of the complete curriculum and instructional materials are available for your review at the Office of Health and Physical Education located in the Educational Support Center at 3600 52nd Street.

On the back of this letter is a form which must be returned to your building principal only if you **do not** want your child(ren) involved when the Family Life Objectives are being taught.

Respectfully,

Bryan Mogensen, CAA

Coordinator of Athletics, Physical Education,
Health, Recreation and Senior Center

Enclosure

262-359-6300

 www.kusd.edu

3600 52nd St., Kenosha, WI 53144

**EXEMPTION FROM FAMILY LIFE OBJECTIVES
KINDERGARTEN THROUGH GRADE 12**

The Kenosha Unified School District will be teaching family life objectives to all students in the district as part of the kindergarten through grade 12 health curriculum.

You have the right to request exemption and/or modifications of the curriculum through your building principal if you do not want your child(ren) to participate when family life objectives are being taught. If you request an exemption, your child(ren) will still receive instruction in the subjects under Wis. Stat. § 118.01 (2) (d) 2. c, unless exempted, and Wis. Stat. § 118.01 (2) (d) 8.

Return the form below to your building principal only if you **do not** want your child(ren) involved when the school nurse presents the growth and development Family Life Objectives in grades 4, 5, 6 and 7 or when the health instructor presents the family life objectives in middle school and grade 10.

**KENOSHA UNIFIED SCHOOL DISTRICT
FAMILY LIFE OBJECTIVES EXEMPTION FORM**

I **do not** want my child(ren) involved when the school nurse presents the growth and development family life objectives in grades 4, 5, 6 and 7 or when the health instructor presents the family life objectives in middle school and grade 10.

Child(ren)'s Name(s) and Grade(s)

1. _____

2. _____

3. _____

Parent's Signature _____

Address _____ Phone Number _____

Please request specific curriculum modifications directly through the building principal.

Student Injuries Can Happen

Medical Expenses Can Be a Financial Hardship When the Unexpected Occurs
Approved By Your School/School District - Available for All Students PK-12

What is Student Accident Insurance?

- ◆ Coverage that provides financial assistance with your out-of-pocket medical expenses when your student sustains an accidental bodily injury.

Why Consider Student Accident Insurance For Your Student?

- ◆ High Deductible/Copayments to your Family's Primary Health Insurance
- ◆ No Health Insurance for your Student
- ◆ Your Student participates in an interscholastic sport where an unexpected injury is more likely to occur.
- ◆ Your Student is prone to injuries

Coverage Options Available Through Your School

- ◆ School Time Coverage - \$16.00
 - ◆ Interscholastic Sports Coverage
(w/School Time-\$91.00 or 24 Hour Coverage-\$174.00)
 - ◆ 24-Hour/Full-Time Coverage - \$99.00
 - ◆ Football Coverage - \$250.00
(Grades 9-12 for the football season)
 - ◆ Extended Dental Coverage - \$9.00
- Premium Paid Once a School Year**

To Enroll Your Student & Review Medical Benefits

Go to: www.sas-mn.com

*or scan this QR code with
your smart phone to be
directed to our website*

Please locate "K-12 Students & Parents" on our homepage. Within this division, you will be able to search for your student's school district. Once located, you will have access to the following information:

- ◆ **Purchase Coverage**
(Managed Online or by Printing/Mailing Enrollment Form and premium)
- ◆ **Brochure (English & Spanish)**
(Explains medical benefits, exclusions and coverage options)
- ◆ **Claim Form**
(fillable form when enrolled student sustains injury)

For Questions, Call Student Assurance Services at (800) 328-2739

Specializing in Student Accident Insurance Since 1971.

The above information is just a brief description of Student Assurance Service's student accident insurance. For more information including costs, benefits, effective dates, exclusions, limitations, please refer to www.sas-mn.com. Students are able to purchase coverage only if his/her school district is a policyholder with the insurance company.
