

MONTHLY ROAR

December 2023

From the Principal's Desk- Mrs. Whitford

Hello Grant families!

What a true blessing it was to witness the smiles on the faces of our Grant students and to hear their excited chatter as they returned this morning from fall break. It reinforces just what a special place Grant is for our students, staff and our families- and how fortunate we are to have this wonderful school community. Thank you for sharing your children with us each day!

Weather Reminder: The chilly weather is here to stay. It is important that your child is dressed appropriately for the season. Please remember to send them to school with warm clothing - layers are perfect! As well as coats, hats, and gloves. Outside recess provides students with fresh air and much more room than inside recess. We will have outside recess if the real feel temperature is 0 or above. We appreciate your cooperation with this.

All-School Reminders

- Any medication your student takes during the school day is required to be checked in to the main office.
 - Prescription medications (inhalers, etc.): require parent signature and provider signature on med form
 - Non-prescription medicines (Tylenol, etc.): require parent signature on med form
 - Cough drops, sunscreen, etc.: require written note from parent and item stays in the main office
 - Forms can be found at <https://www.kusd.edu/grant/parents/forms/>

Student Shout-Outs

Our entire school celebrated 1000 blue tickets with a pajama day!

Congratulations to the following classes on meeting their ticket goals:

Mrs. Robleski: ice cream for 10 red tickets

Mrs. Marrese: ice cream for 10 red tickets and dodgeball for 500 tickets

Mrs. Ladd: stuffed animal day for 10 red tickets

Jan 3: school resumes

For more information on calendar events, visit <https://www.kusd.edu/grant/information/calendar/>

School -> Home Connection

As the chill of December whistles to our doorsteps it solicits us to stay in and stay warm. This is also a great time to play games together. Games support family fun while also practicing following directions, solving problems, planning strategies and more.

Some great family games are: Chutes & Ladders, Bananagrams, Monopoly, Sorry, Life, SushiGo, Clue, Mancala just name a few. Take the time and have fun with games!
