FROM THE PRINCIPAL’S DESK...

Summer is always a special time at Indian Trail. Even though many people are on summer break, the building is still a busy place. Summer school is in session and student athletes, cheerleaders, musicians and theatre students are here most days working out or practicing. Every day different teachers stop in to prepare their rooms and work on new lesson plans. Even with all of this activity, there still is a relaxed feel to the building which allows everyone to re-energize and prepare for the 2018-19 school year. We are excited to welcome our new freshmen class and to see all of our returning students again.

This newsletter is one of two summer newsletters that Indian Trail will send to all of our Hawk families. The first event of the new school year is registration and this newsletter contains all of the important information to get students enrolled and registered for school. The second newsletter, which will arrive in August, will include important information about the opening of school and our fall calendar of events. Please read both newsletters and keep them handy as they contain a lot of important information.

Registration details can be found on the next few pages. If you have any questions, feel free to contact our main office. If not, we look forward to seeing you on August 16 or 17th. Have a wonderful rest of the summer and as always, Go Hawks!

Sincerely,
Maria Kotz

In addition, we request 2 emergency contact persons who can be called if we are unable to reach you. Permission will be obtained from parent/guardian, or an emergency contact person, prior to releasing a student from school. Remember to comprehensively complete the Online Registration Health section, as this is your child’s health history database. When completing the health history, please describe the condition, the signs & symptoms, and any restrictions to the best of your ability.

SCHOOL MEDICATION POLICY
(Todos los medicamentos que se toman durante del día son guardados en la oficina de la enfermera)

All medications taken during the school day must be stored or checked in at the Nurse’s Office.

1. All nonprescription medication must be in the original bottle/package, with the child’s name clearly marked on the container. All prescription medication must be in the original pharmacy container with correct information on the label. If half tablets are to be given, the parent will be responsible for sending the medication in that form.
2. All medication, prescription or nonprescription, must be accompanied by a “Request for Medication Administration During School Hours” form, with parent/guardian’s signature. Prescription medications will also require a physician’s signature. Parents are responsible for morning & after school doses; the school will only take responsibility for the mid day dose. Medications will only be administered at school the specified times noted on the form. Any changes in dose, time or medication will require a new form & a new container with the correct pharmacy label.
3. The above rules still apply to any emergency medication a student may need to carry with them, such as Epipens, Glucagon, or inhalers. Both the medication & the medication form must be checked in with the Nurse at the beginning of the year. The physician must check “yes” on the form stating, “Student may carry medication for Emergency purposes”.

School policy mandates that emergency medications are available to the school on the first day of school.
4. Medication will be kept in the Nurse’s Office for the school year only. Remaining medication needs be picked up at the end of the year, or will be disposed of per school policy.

A Medication Administration Form may be printed from the ITHSA website under Departments-Nurse’s Office. Medication administration forms must be renewed annually. The form and medication may be brought to school in the fall prior to the first day of class. I do volunteer to work registration in August, or I can be found in the Nurse’s Office on Staff workday. My normal office hours during the school year are Monday-Friday from 7:30 a.m. - 3:00 p.m.

BUY A SENIOR TRIBUTE

You know your Senior is awesome, and you are so proud of their accomplishments. Tell them how great they are by purchasing a senior tribute in the Blaze yearbook.

Use a tribute to congratulate your graduating senior or even acknowledge a special academic or athletic achievement during the school year. A tribute in the yearbook allows you to recognize your Hawk with photos and words. While the yearbook lets your student remember all the special people and events from the school year, the personal touch of a tribute will make the book that much more special for them.

Senior tributes are available in a variety of sizes and prices, and are easy to order. Buy online at yearbookforever.com.

If you have any questions or would like more information, please feel free to contact the yearbook staff at (262) 359-8700 weekdays between 8 a.m. and 4 p.m. or mcorbett@teachers.kusd.edu at any time.
