## Attendance Matters - A Shared Responsibility

### Habitual truancy

Students who miss part or all of five or more days within a semester, without an acceptable excuse, will be considered habitually truant. School officials will initiate District truancy procedures for those students identified as habitually truant. School officials will meet with parents/guardians, develop an intervention plan, evaluate the educational learning status of the student and recommend appropriate interventions. Legal action, including referral to Kenosha County Juvenile Court and/or city of Kenosha or village of Pleasant Prairie municipal courts, may be considered
