**Courage**  
April Character Trait

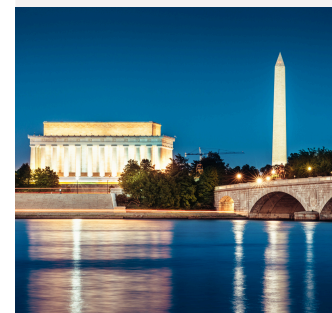

Simone Biles, American gymnast  
"I'd rather regret the risks that didn't work out  
than the chances I didn't take at all."  
When we want something to work out and it  
doesn't, it can be hard. It is better to take the  
risk than regret not taking the chance. Think  
about a task you have avoided and decide if it  
is something you could take on. What would it  
look like if you used Courage?
