We greatly appreciate donations of
cases of water for Sports Days.

Learning & Growing
Creativity
May Character Trait

Twyla Tharp, an American dancer, choreographer who created her own dance company in NYC. "Creativity is not just for artists. It's for business people looking for a new way to close a sale; it's for engineers trying to solve a problem; it's for parents who want their children to see the world in more than one way." What are some ways you show your Creativity at school?
