### College Scavenger Hunt

When it comes to college, you have so many choices. In order to find out more about a college, you can visit the campus and take a tour. You may have a college close to your house, but there are also many other colleges that are not close by.

Career Cruising can help you learn more about colleges when you cannot visit the campus in person.

Let's go on a search!

- Log into your computer and go to the Mahone page
- Go to CAREER CRUISING
- Click on the Education Tab
- Click on a state
- Click off 2-year and Graduate
- Choose a school

Once you have chosen the college you are going to research, answer the following questions:
