

# Mahone Football

1. All forms and physical need to be turned in to the Mahone office by Friday, August 8, 2025. All forms are found on Mahone's website.
2. Practice WILL end as scheduled and on time. In order to ensure safety, please be sure to be here to pick up your athlete at that time. Coaches will supervise the athletes for 15 minutes after the end of practice.
3. Practices will take place on Mustang Field (west of Mahone). As a safety issue, all parents, family, etc. must remain off the field during practices and games.
4. Middle school football is designed to prepare the players to continue playing in high school. Our goal is to teach your athlete proper football skills while winning our games.
5. Playing time and positions played are at the discretion of the coaching staff. We will make our decisions based on what we believe is best for the team and the player.
6. All forms (physical, risk of injury, code of conduct) must be turned in no later than Friday, August 8. The district athletic fee of \$50 must be paid by that date as well.
7. Encourage your student-athlete to get plenty of rest and eat right. Proper hydration is extremely important. Players should have a water bottle at every practice.
8. Remind your student-athlete that school comes FIRST! Students academically or behaviorally ineligible will not play (Athletic Code of Conduct).
9. All players must have a current physical on file with the school by August 8, 2025. Make sure the medical information provided is accurate. If your athlete needs an inhaler, please provide a spare.
10. Valuables such as cell phones are the responsibility of the athlete, not the coaches. The coaches will not hold, carry, or lock-up any of these items. The locker room will be locked during practice.
11. This season we will use an "Injury Form" to communicate any "dings" to your athlete. The form is meant to let you know that your athlete may need additional supervision or medical care.
12. Should you have any questions, comments, or concerns during the season, please contact:\*
