Dog Walkers volunteer by interacting with SHHS dogs on a one-on-one basis by walking them around the property, playing fetch inside the pens and brushing/combing them. Many of these animals have been surrendered by their owners for various reasons or have been turned into us as strays. They all need human interaction, to feel cared for and loved. Even though our staff treats them well, we don't always have enough time to spend with each one, so your time with them is much needed.<br>16 or older<br>Ongoing<br>Must be 16 |
