Dear Applicant:

Thank you for your interest in applying for the Sigma Alpha Mu - Kappa Chapter Scholarship. Sigma Alpha Mu is a social fraternity that has chapters internationally. Our specific chapter is at the University of Minnesota- Twin Cities and has been there for 100 years. Sigma Alpha Mu is historically a fraternity for Jewish men, but since 1953 we have been open to men of all backgrounds. This scholarship does not give preference to those of Jewish faith or any other background. The amount for the scholarship varies from \$500-\$1000 depending on the quality of the essay and background information. By applying for this scholarship you are not associating yourself to our organization nationally or our specific chapter.

To successfully complete the application for the scholarship, along with the essay, we require the following criteria to be met:

- Will be an incoming freshman at the University of Minnesota- Twin Cities, Fall 2016.
- Must be a male.
- Involved in extracurricular activities such as student groups and/or sport teams.

Prompt: In 500 words, **reflect on a time when you encountered a hardship in a leadership role, how you overcame it, and what you learned from the experience.** We are not judging the quality of the leadership role, but more the quality of your writing and what you took away from the situation. A good essay will not only reflect on the hardship but also tell a story about how the writer overcame the hardship and what they have learned from that situation.
