The school schedules take into consideration two (2) potential school closing days that have been built into the schedule. In the event school is closed beyond the two days due to inclement weather or other emergencies, the remaining calendar period will be reviewed. If the closures result in a shortage of the required instructional time, the calendar will be adjusted and communicated as necessary. For the 2020-21 school year, KUSD has an approved waiver to cover any instructional minute shortage.

Sharing of student schedules will be established and communicated by each building prior to the beginning of the school year.
