Schedule of Authorized Public Depositories

The School Board must annually approve the institutions to which District funds are deposited. Attachment A is the list of authorized public depositories for the 2011-2012 fiscal year. The list of public depositories remains the same from last year. Administration requests Board approval for these depositories.

Additionally, State Statue 67.12(12) states that a school district may issue promissory notes for any public purpose including, but not limited to, paying general and current municipal expenses up to $1 million without a voter approved referendum. The District currently has established a $1 million Line of Credit through Johnson Bank for purposes of operational cash flow needs.

Recommendation

Administration recommends that the Board of Education adopt the attached Schedule of Authorized Public Depositories. It is also recommended that the Board assign the Assistant Superintendent of Business the authority to approve debt, as needed, in the form of the $1,000,000 Line of Credit through Johnson Bank.

Legal Services for the District

School Board policy allows for the use of legal services, as necessary, to meet legal requirements of the day to day operation of the school district. Below are the legal service firms that the District currently utilizes that are being recommended to be deemed the approve lists of attorneys.

Buelow, Vetter, Buikema, Olson & Vliet, LLC
Foley & Lardner, LLP
Lindner & Marsack, S.C.
Quarles & Brady, LLP
von Briesen & Roper, S.C.

Our insurance provider, Community Insurance Corporation/Aegis, may contract out with different legal firms to administer various worker’s compensation claim and liability issues.

Administration may also request School Board approval of specialized legal service firms for a limited term when deemed in the best interest of the School District.

Recommendation

Administration recommends that the Board of Education approve the list of attorneys as outlined above.

Mrs. Snyder made her comments.

Dr. Hancock gave the Superintendent’s report.

The Board considered the following Consent-Approve items:

Consent-Approve item X-A - Recommendations Concerning Appointments, Leaves of Absence, Retirements and Resignations as presented in the agenda.

Consent-Approve item X-C – Summary of Receipts, Wire Transfers and Check Registers submitted by Mrs. Eileen Coss, Accounting Manager; Mrs. Sheronda Glass, Assistant Superintendent of Business; and Dr. Hancock, excerpts follow:
"It is recommended that receipt numbers CR049047 through CR049636 that total $1,223,510.87 be approved.

Check numbers 463676 through 465122 totaling $9,384,150.34 are recommended for approval as the payments made are within budgeted allocations for the respective programs and projects.

It is recommended that wire transfers to First National Bank of Chicago and Nations Bank dated February 10, 16, and 24, 2011 totaling $2,746,027.91; to US Bank of Milwaukee dated February 15, and 28, 2011 totaling $655,567.55 and to the Wisconsin Retirement System dated February 28, 2011 totaling $1,361,411.59 be approved."

Consent-Approve item X-D – Policy and Rule 5210 – Entrance Age submitted by Ms. Karen Davis, Assistant Superintendent of Elementary School Leadership; Mrs. Kathleen Barca, Assistant Superintendent of Strategic Planning, Innovation and Community Partnerships; and Dr. Hancock, excerpts follow:

"Policy and Rule 5210 – Entrance Age was reviewed to reflect changes in Wisconsin State Statutes, School District Standards.

A child who is six (6) years old on or before September 1 must complete a five (5) year old kindergarten program as a prerequisite to being admitted to first grade. Exception to this prerequisite is a student who is six (6) years old on or before September 1 that transfers into the District from a state where completion of kindergarten is not a prerequisite for first grade or they were exempted in a previous district.

At its February 8, 2011 meeting, the Personnel/Policy Committee voted to forward revised Policy 5210 to the School Board for approval. The School Board approved Policy 5210 as a first reading on February 22, 2011. Administration recommends that the Board approve revised Policy 5210 – Entrance Age as a second reading this evening."

Consent-Approve item X-E – Waiver of Policy 1330 – Use of School District Facilities submitted by Mrs. Glass and Dr. Hancock, excerpts follow:

"WGTD 91.1 FM and Kenosha Community Media, Inc. (KMC) have requested a waiver of user fees for use of the Reuther Auditorium on Friday, April 15 and Saturday, April 16, 2011 for a live radio broadcast of “Whad’Ya Know with Michael Feldman”. The show is produced and distributed nationally by Wisconsin Public Radio and airs weekly on public radio including WGTD. Its host, Michael Feldman, is a former Tremper and Reuther instructor in the 1970s. The proceeds from this event will benefit WGTD, which is owned and operated by Gateway Technical College and is an affiliate of Wisconsin Public Radio and NPR, and benefit Kenosha Community Media, a 501.(c)3 nonprofit organization which manages and operates Kenosha TV 14. Volunteer stagehands will be sought from our high schools and provide students with experience in working with a
professional production. Total rental cost for April 15-16 would be $968.50 plus a $20 nonrefundable permit fee. Custodial costs would be $294.98.

At its February 8, 2011 meeting, the Committee deferred this item to its March meeting in order to allow Administration time to gather information regarding non-profit status, admittance fee and building upkeep.

Mr. David Cole from WGTD has indicated that while the entities requesting the waiver are not-for-profit, Mr. Feldman's company, Fishes Circles, is a for profit sole proprietorship. Ticket prices for this event are $50 (VIP), $20 for adults and $15 for students.

At its March 8, 2011 meeting, the Audit/Budget/Finance Committee voted to forward this waiver request to the School Board for consideration. Administration recommends that the School Board waive half of the building rental cost which would result in a waiver of $484.25 for use of the Reuther Auditorium on April 15-16 by WGTD and Kenosha Community Media. It is not recommended that the $20 permit filing fee or the $294.98 custodial fees be waived. The Saturday custodial coverage would ensure that the building was clean and ready for school on Monday."

Consent-Approve item X-F – Kenosha County Wireless Network Easement submitted by Mr. John Setter, Project Architect; Mr. Patrick Finnemore, Director of Facilities; and Dr. Hancock, excerpts follow:

"Kenosha County has requested School Board approval of a series of five easements to install antenna relay units on the roofs of five KUSD schools to support an initiative to provide broadband communication ability for emergency services. The attachment to this report contains a letter from Bernard Vash of the County that makes the request and various documents that explain the project in detail including the draft easements. The five schools that would be used are Grant Elementary, Washington Middle, EBSOLA, Jefferson Elementary, and Columbus Elementary.

The impact on the five schools is negligible as the antennas are fairly small and provide no interference to anything in our facilities. The request was reviewed by KUSD Facilities and Information Systems staff members along with our legal counsel and everything was found to be acceptable. Our attorney did have a couple of comments on the draft easements that are minor in nature and the County has agreed to those changes. Revised easements will be handed out at the Committee meeting.

This report was reviewed by the Planning, Facilities and Equipment Committee at their March 8, 2011 meeting, and the Committee unanimously approved forwarding the report on to the full Board for approval.

Administration recommends Board approval for the easements requested by Kenosha County to install antenna relay units as stated in this report."

Consent-Approve item X-G – Dissemination Grant Application for Kenosha School of Technology Enhanced Curriculum submitted by Dr. Angela Andersson,
Principal at KTEC; Ms. Karen Davis, Assistant Superintendent of Elementary School; and Dr. Hancock, excerpts follow:

"Charter school grants may be awarded in three phases. The first phase is for the initial planning required to open a charter school. With permission from the Board, KTEC applied for and received a $50,000 planning grant during the 2006 – 2007 school year. In order to implement the charter first approved by the Board on April 3, 2007, KTEC received an implementation grant award for the 2007-2008 and the 2008 – 2009 school years. This grant was for $300,000 in the first year and $215,000 in the second. The implementation grant covered additional pay for curriculum planning, furniture, computer equipment, library books, and other supplies needed to open a school. KTEC is now eligible to apply for the third phase of grants which is aimed to support the continued development and replication of successful charter schools.

Dissemination grants are awarded for a twenty-four month duration with up to $125,000 awarded for each twelve-month period. Each grant participant is expected to use $14,000 of the grant money to purchase a portable Polycom video conferencing system to foster collaboration with other schools with a focus on science, technology, engineering, and math (STEM). This equipment will foster greater opportunities for professional development, coaching, and collaboration.

KTEC will more specifically use the grant money to compile curriculum materials and assessments for the unique curricular programs that have been successful. The KTEC website will be revamped to make it a greater resource to school personnel outside of KTEC. The lesson plans, curriculum maps, and assessments will be able to be used to replicate the successful model of learning. The Governance Board will also compile documents that demonstrate their practice and how a governance board can support student achievement.

KTEC would also use the money to provide professional development and collaboration opportunities for school personnel from around the state and district.

At its March 8, 2011 meeting, the Curriculum/Program Committee voted to forward this grant request to the School Board for approval. Administration recommends that the School Board grant approval to submit and implement, if received, the Kenosha School of Technology Enhanced Curriculum grant application for the Wisconsin Public Charter School Program Dissemination Grant."

Consent-Approve item X-H – Head Start Federal Grant Request for the 2011-2012 School Year submitted by Ms. Melody Orban, Head Start Administrator; Ms. Belinda Grantham, Director of Preschool; Mrs. Vickie Brown-Gurley, Assistant Superintendent of Teaching and Learning; and Dr. Hancock, excerpts follow:

"Approval from the Board of Education is requested to submit and implement the Head Start Federal Grant for the 2010-11 school year. The funding for this grant is $1,999,031. The grant is designed to fund the operating costs of the Kenosha Unified School District Head Start Child Development Program."
The purpose of the Head Start program is to provide comprehensive services in the areas of health, education, social services, and parent involvement for low-income preschool children and their families. This grant will service 330 high-risk children that will be three or four years of age on or before September 1, 2011. Funds will be utilized to serve the children and their families in all program component areas as required in the Head Start Act and through the Head Start Performance.

At its March 8, 2011 meeting, the Curriculum/Program Committee voted to forward this grant to the School Board for approval. Administration recommends that the School Board grant approval to submit and implement, if received, the 2011/12 Head Start Federal Grant.”

Ms. P. Stevens moved to approve the Consent Agenda as presented in the agenda. Mr. Ostman seconded the motion. Unanimously approved.

Mrs. Ann Fredrikssson, Coordinator for Instructional Technology & Library Media, presented the Information Technology Literacy Plan submitted by Mr. Daniel Honore, Director of Information Services; Mrs. Fredrikssson; Mr. Anderson Lattimore, Assistant Superintendent of Educational Accountability; Mrs. Brown-Gurley; and Dr. Hancock, excerpts follow:

“The Department of Public Instruction (DPI) recommends that Districts develop a single plan to include information (library media) and technology requirements. The plan, once approved by the Board, will be sent to the DPI for re-certification. The DPI also requires that Districts have a certified Information Technology Literacy Plan on file in order to apply for E-Rate (telecommunications) discounts and Title II-D grants. The previous plan was adopted by the Board on March 18, 2008 and covered the years of 2008–2011. This document extends the District’s planning for educational technology from 2011–2014.

The District will support the instructional technology goals contained in the 2011 Information and Technology Plan through the use of existing budgeted District funds, school discretionary funds, and Common School Funds (library). These funds will be directed primarily to upgrading and replacing lab and classroom computers and purchasing more mobile technologies.

It should be noted that the current District technology budgets cannot support all of the action items contained in the 2011-2014 Information and Technology Plan. The plan will be prioritized to accomplish as many action items as possible using the existing budgeted funds. Since the elimination of the TEACH funding in the 2002-2003 school year, Title V in the 2008-2009 school year, and Title IID in the 2009-2010 school year, one of the administrative goals has been to replenish the funding dedicated to instructional technology support in the District. This is being accomplished by systematically requesting additional dollars for this purpose when the current budget can support the request. Through the annual budgeting process, new funds will be requested to support the action items not supported within current fund allocations.
The Information and Technology Plan and budget have been prepared taking into consideration the beliefs, parameters and objectives of stakeholders and the ongoing instructional and fiscal responsibilities of Administration. As with all District budgets, this budget will be developed, implemented and administered with the ultimate goal of meeting the needs of our students.

At its March 8, 2011 meeting, the Audit/Budget/Finance and Curriculum/Program Standing Committees voted to forward this report to the School Board for approval. Administration recommends that the School Board approve the 2011-2014 Information & Technology Plan with the intent that the Plan be submitted to the Department of Public Instruction for recertification.”

Ms. P. Stevens moved to approve the 2011-2014 Information & Technology Plan with the intent that the Plan be submitted to the Department of Public Instruction for recertification. Mrs. Taube seconded the motion. Unanimously approved.

Mr. Anderson Lattimore, Assistant Superintendent of Educational Accountability, and Ms. Renee Blise, Research Analyst, presented the Open Enrollment Applicants for School Year 2011-2012 submitted by Ms. Blise, Mr. Lattimore, and Dr. Hancock, excerpts follow:

"During the 1997 Wisconsin legislative session, a Public School Enrollment Law was enacted to become effective with the 1998-99 School Year. Wisconsin Statutes 118.51 and 118.52 mandated that all Wisconsin schools adopt an inter-district open enrollment policy. On January 27, 1998, the Board of Education adopted School Board Policy 5260 - Open Enrollment Full-Time. This policy determines the circumstances under which applications for enrollment under the Public School Open Enrollment Law are accepted or denied. The policy has subsequently been updated twice to reflect revisions in state law and guidance from the Department of Public Instruction (DPI), first on May 27, 2008, and most recently, on January 25, 2011.

Under the Public School Enrollment Law, parents of Kenosha Unified School District resident students who would like their child to enroll in a school outside the District and parents of non-resident students who would like their child to attend a school within Kenosha Unified were required to submit applications from 12:00 a.m. on February 7, 2011 until 4:00 p.m. on February 25, 2011. It was recommended by DPI that parents apply on-line at the DPI website. In addition to on-line access, paper applications were also available at the Office of Educational Accountability, if needed. Per DPI guidance, notices of approval or denial must be mailed to applicants no later than April 8, 2011.

Two hundred forty-four (244) resident students from Kenosha Unified School District have applied for admission to schools outside of the District under the guidelines of open enrollment. One hundred nineteen (119) non-resident students have applied for admission to Kenosha Unified School District under the guidelines of open enrollment."
Administration recommends approval of applicants identified as numbers 3, 4, 8, 9, 10, 12, 13, 16, 19, 21, 22, 23, 24, 25, 26, 29, 31, 32, 33, 34, 37, 38, 39, 41, 43, 44, 49, 54, 60, 61, 62, 71, 73, 75, 76, 78, 81, 82, 83, 87, 89, 90, 92, 94, 97, 102, 104, 109, 110, 113, 115, 116 and 119 due to available space at the grade level or school requested.

Administration recommends denial of applicants identified as numbers 1, 2, 5, 6, 7, 11, 14, 15, 17, 20, 27, 28, 30, 35, 36, 40, 42, 45, 46, 47, 48, 50, 51, 52, 53, 55, 56, 57, 58, 59, 63, 64, 65, 66, 67, 68, 69, 70, 72, 74, 77, 79, 80, 84, 85, 86, 88, 91, 93, 95, 96, 98, 99, 100, 101, 103, 105, 106, 107, 108, 111, 112, 114, 117, 118 and 120 due to overcapacity at the grade level or school requested and/or expulsion in the current or preceding two years.

Ms. P. Stevens moved to approve applicants identified as numbers 3, 4, 8, 9, 10, 12, 13, 16, 19, 21, 22, 23, 24, 25, 26, 29, 31, 32, 33, 34, 37, 38, 39, 41, 43, 44, 49, 54, 60, 61, 62, 71, 73, 75, 76, 78, 81, 82, 83, 87, 89, 90, 92, 94, 97, 102, 104, 109, 110, 113, 115, 116 and 119 due to available space at the grade level or school requested and deny applicants identified as numbers 1, 2, 5, 6, 7, 11, 14, 15, 17, 20, 27, 28, 30, 35, 36, 40, 42, 45, 46, 47, 48, 50, 51, 52, 53, 55, 56, 57, 58, 59, 63, 64, 65, 66, 67, 68, 69, 70, 72, 74, 77, 79, 80, 84, 85, 86, 88, 91, 93, 95, 96, 98, 99, 100, 101, 103, 105, 106, 107, 108, 111, 112, 114, 117, 118 and 120 due to overcapacity at the grade level or school requested and/or expulsion in the current or preceding two years. Mr. Bryan seconded the motion. Unanimously approved.

Mr. Daniel Tenuta, Assistant Superintendent of Secondary School Leadership, presented the Request to Participate in the Wisconsin Safe and Supportive School Project submitted by Ms. Patricia Demos, Community School Relations Manager; Mr. Joseph Kucak, Coordinator of Student Support; Ms. Kathryn Lauer, Director of Special Education; Mr. Tenuta; and Dr. Hancock, excerpts follow:

"The Department of Public Instruction (DPI) is carrying out a four-year project, from October 1, 2010 to September 30, 2014, to improve conditions for learning in the 19 school districts that were selected due to numbers and/or rates of disruptive drug and violence-related incidents. Participating school districts will receive significant support from DPI in the form of funding, professional development, and technical assistance. This support will be used by high school staff and administration to develop, implement, and evaluate a three-year intervention plan to improve the conditions for learning in the selected high schools. The original grant amount is $100,000. Additional funding will be available based upon the needs assessment administered during the spring semester of the 2010-2011 school year.

The selected high schools will first be required to complete a thorough needs assessment, which will include analysis of data on school incidents of student misbehavior, student self-reported risk behaviors related to drug use and violence, student engagement, and school environments. This needs assessment will use the Wisconsin Online Youth Risk Behavior Survey (OYRBS) and aggregate data similar to that reported via the Individual Student Enrollment System Discipline Report. Using the
OYRBS schools must collect data on alcohol, tobacco, and other drug abuse, violence and weapons, perceptions of safety, and school-connections.

Administration recommends that the Board approve the request to implement the Wisconsin Safe and Supportive School Project in the amount of $100,000 and administer the online Youth Risk Behavior Survey at the high school level."

Mr. Gallo moved to approve the request to implement the Wisconsin Safe and Supportive School Project in the amount of $100,000 and administer the online Youth Risk Behavior Survey at the high school level. Mrs. Taube seconded the motion. Motion carried. Mr. Ostman and Ms. P. Stevens dissenting.

Dr. Hancock presented the Classification, Compensation and Personnel Policy for General Administrative, Instructional Administrative, Supervisory and Technical Personnel, excerpts follow:

“Approval from the Board of Education is requested for proposed salary and language changes to the Classification, Compensation and Personnel Policy for General AST Personnel.

Following are the proposed changes:

Salary – Section IV - 0% salary increase July 1, 2011 through June 30, 2012. 0% salary increase July 1, 2012 through June 30, 2013

Benefit – Section IV - 2011 – 13 Policy Year: 12% health insurance premium contribution. 5.8% WRS Retirement contribution.

It is the recommendation of the Superintendent that the Board approve the above proposed salary and language changes to the AST Policy.”

Ms. P. Stevens moved to approve the proposed salary and language changes to the AST Policy. Mr. Bryan seconded the motion. Unanimously approved.

Ms. P. Stevens presented the Donations to the District as presented in the agenda.

Ms. P. Stevens moved to approve the Donations to the District as presented in the agenda. Mr. Bryan seconded the motion. Unanimously approved.

Meeting adjourned at 8:13 P.M.

A SPECIAL MEETING OF
THE KENOSHA UNIFIED SCHOOL BOARD
HELD APRIL 12, 2011

A special meeting of the Kenosha Unified School Board was held on Tuesday, April 12, 2011, at 7:30 P.M. in the Board Meeting Room at the Educational Support Center. The purpose of the meeting was for discussion/action on the Resolution Authorizing and Approving a Lease with Option to Purchase Agreement with Municipal Capital Corporation and Related Exhibits.

The meeting was called to order at 7:30 P.M. with the following members present: Ms. R. Stevens, Mrs. Taube, Mr. Ostman, Mr. Bryan, Ms. P. Stevens, Mr. Gallo, and Mrs. Snyder. Dr. Hancock was also present.

Mrs. Snyder, President, opened the meeting by announcing that this was a special meeting of the School Board of the Kenosha Unified School District No. 1. Notice of this special meeting was given to the public by forwarding a copy of the notice to all requesting radio stations and newspapers.

Mrs. Sheronda Glass, Assistant Superintendent of Business, presented the Resolution Authorizing and Approving a Lease with Option to Purchase Agreement with Municipal Capital Corporation and Related Exhibits by Mr. Robert Hofer, Purchasing Agent; Mrs. Glass; and Dr. Hancock, excerpts follow:

“Kenosha Unified School District went out to bid for copier services in November 2009. Martin Business Group/Konica was awarded the bid. The purchase/contract is defined as a lease with the option to buy. In order to finalize the purchase/lease agreement, it is necessary for the Board to adopt a formal Resolution authorizing the Lease with Option to Purchase Agreement with Municipal Capital Corporation.

Lease terms are as follows:

| Amount to Finance:         | $654,258.74 |
| Type of Equipment:         | Konica Minolta Bizhub Copiers |
| Term of Lease:             | 4 years quarterly lease payments in advance |
| Payment Frequency:         | Quarterly lease payments in advance, $1.00 (one) dollar buyout |
| Term of Lease:             | 16 quarterly payments |
| Rate of Factor:            | .0672354 |
| Payment:                   | $43,989.39 |
| Percentage:                | 3.97% |

It is important to note that the original percentage rate quote was 5.04%. After further discussions with Municipal, the Finance Department was able to negotiate a reduction of 1.07%.

It is the recommendation of the Administration that the Board of Education adopt a Resolution authorizing the Lease with Option to Purchase Agreement with Municipal Capital Corporation.”
Mr. Bryan moved to adopt the Resolution Authorizing and Approving a Lease with Option to Purchase Agreement with Municipal Capital Corporation and Related Exhibits. Ms. P. Stevens seconded the motion. Unanimously approved.

Meeting adjourned at 7:35 P.M.

Resolution Authorizing the Borrowing of $9,500,000 from the Board of Commissioners of Public Lands

At the July 24, 2006 Board Meeting, the School Board approved a resolution authorizing the borrowing of not to exceed $9.5 million and provided for the issuance of taxable general obligation promissory notes. The purpose of the borrowing was to fund approximately 8% of the district’s July 2006 unfunded Other Post Employment Benefit (OPEB) obligation. At the August 29, 2006 Board Meeting the Board authorized the issuance and sale of $9,500,000 Taxable Note Anticipation Notes. On September 29, 2006, Administration issued Taxable Note Anticipation Notes in the amount of $9,500,000 with an interest rate of 5.58% and a maturity date of September 1, 2011. Principal in the amount of $9,500,000 is due and payable on September 11, 2011.

The administration has reviewed various options available to the district to refinance the $9,500,000. Two options were available. The district could either borrow funds from the State Trust Fund or issuing taxable general obligation refunding bonds. Administration’s analysis of the options indicated that the interest costs for the general obligation bonds averaged 5.24% while the State Trust Fund loan would average 3.75%. The analysis showed that the best option available to the District would be to borrow the funds from the State Trust Fund. The District’s request for loan application was approved by the Board of Commissioners of Public Lands at their March meeting. The process for borrowing State Trust Funds now requires that the Board adopt a resolution that authorizes the application for loan.

Once the Boards’ application is approved by the Commissioners, the Board Officers and District Administration will executed all documents related to this borrowing.

Recommendation
At its April 12, 2011 meeting, the Audit/Budget/Finance Committee voted to forward the resolution to the full Board for consideration. Administration requests that the Board (1) approve the attached resolution to apply for a State Trust Fund Loan and (2) authorize Board Officers and District Administration to execute all documents relating to the borrowing.

RESOLUTION OF SCHOOL BOARD AUTHORIZING LOAN

RESOLVED that we, the members of the School Board of the School District of Kenosha, Wisconsin, duly assembled in meeting according to law this 25th day of April, 2011, approve and authorize that application be made by the President and Clerk of the School Board to the Board of Commissioners of Public Lands for a State Trust Fund loan in the amount of Nine Million Five Hundred Thousand And 00/100 Dollars ($9,500,000.00) for the purpose of refinancing note anticipation notes related to funding OPEB costs. The loan is to be repaid within 10 years from the 15th day of March preceding the date the loan is made. The loan is payable in annual installments with interest at the rate of 3.75 percent per annum, from the date of making the loan to the 15th day of March next and thereafter annually as provided by law.

BE IT FURTHER RESOLVED that there is levied on all the taxable property within the School District of Kenosha a direct, irrepealable annual tax sufficient in amount to pay the principal and interest on the loan as they become due.

BE IT FURTHER RESOLVED that we, the members of the School Board of the School District of Kenosha, Wisconsin, do not intend to use our exemption authority within the purview of Section 67.12(12)(e)2g, Wisconsin Statutes, for the application of this loan.

POLICY/RULE 6456 – GRADUATION REQUIREMENTS

Kenosha Unified School District Policy/Rule 6456, Graduation Requirements, addresses academic credits for mastery of standards to award a Kenosha Unified School District Diploma. This policy was reviewed to determine the financial impact on the district budget. High School Principals, Teaching and Learning Coordinators and Assistant Superintendents studied the current high school graduation requirements and practices. In addition to the budgetary impact, alignment with the district’s transformation design was a major focus.

Personnel/Policy and Curriculum/Program Standing Committees reviewed the revised policy and received feedback from parents and students during the April 12, 2011 meeting. Based on this information additional changes in the policy will allow students to expand schedule options. There are three avenues for students who may choose to enroll in courses beyond the 28 credit cap. At the April 20th Personal/Policy and Curriculum/Program Standing Committee Meeting an extensive overview that included additional responses and questions submitted by parents and students was presented. Examples of actual student schedules, college entrance criteria, service learning projects and use of seminar time were shared. A motion to forward the graduation policy to the full Board for review and action at the April 26, 2011 Board meeting was passed by the Curriculum/Program Standing Committee but failed by the Personnel/Policy Standing Committee.

Currently students must earn 26 high school credits to graduate and complete four credits in the academic areas of English, Math, Science and Social Studies. These requirements are among the highest in the state with most districts requiring 22 credits for graduation. This practice delays some of our students from graduating with their cohort and, in some cases, never receiving a diploma. Administration recommends changing Policy/Rule 6456, Graduation Requirements by requiring students to earn 23 credits including four English, three Math, three Social Studies and three Science credits.

Students earning a diploma with honors distinction would be required to complete 4 credits of advanced placement courses during their sophomore, junior and senior year. Records show that some students were earning well beyond the 26 required credits up to 37 credits. Most districts have a maximum number of credits each student can earn based on the high school schedule. The recommendation is to establish a maximum credit attainment of 28. Middle school students who complete high school courses may be awarded high school credit toward the overall district credit requirement, but not for the credit specified in WI State Statutes.

The previous district strategic plan included a specific action plan to address service learning at all grade levels. An implementation team that addressed the service learning strategy is recommending that service learning be a graduation requirement for all students. In addition students who want to have a greater affect on society can complete one credit of service learning and be recognized with a service learning diploma of distinction.
Rationale
Since 1997, our high schools, Bradford and Tremper, have been exceeding their enrollment capacities. As a response, the District developed strategies to reduce overcrowding. First, Indian Trail and Lakeview were created followed by charter schools. These choice and charter schools are staffed at a lower student to teacher ratio. In addition, students were allowed to take releases, summer school advanced credit courses, Youth Option courses, and contracted services were made available and encouraged. Now that enrollment at the high school level is trending toward building capacity with the construction at Indian Trail, we see the need to staff our high schools more efficiently especially in light of the current budget crisis.

Historically, in the block schedule, a high school has been staffed for students to take 32 credits, or 8 classes a year. In reality many of these students did not actually take all of the courses they signed up for during the school year. Many students opted for a release or study hall in lieu of a credited class. Since students withdrew from classes after they were staffed, some high schools ended-up running classes with lower class sizes. To compound this problem of inefficiency, we created a system that encouraged students to take more than 8 credits per year. In some instances students signed up for 8 credits during the school year and additional credits at eSchool. KUSD pays to staff for full-time students at high schools and as part-time students at eSchool. If a student elects for a release during the school day and takes an eSchool course online, the District is double staffing for that student. This includes students who register for classes and drop them for Youth Option courses. Furthermore, it is not uncommon for students to maximize their ability to take as many credits as they can during their high school career. Many students will take their PE requirement during summer school or eSchool courses to take advantage of post secondary opportunities earlier in high school. Since college tuition is expensive, it is appealing for parents to allow the school district to cover the cost of these courses. The School District does this while enduring the staffing costs of high school classes, eSchool classes and Youth Option classes to allow unlimited credit acquisition.

KUSD is currently in a budget crisis. The unrestricted access to courses at high school is not fiscally responsible. We simply can not continue to staff high schools in an unrestricted manner. KUSD needs to staff high schools more efficiently. Providing students the ability to earn a maximum of 7 credits each year maximizes staffing while continuing to provide students the courses needed to be successful in post secondary studies, or the workforce. KUSD will continue to offer choices for students to take courses through eSchool, auditing, Youth Options and summer school. While maximizing our staffing, high school schedules will allow for all students to increase their participation in rigorous classes. Furthermore, the proposal ensures students are empowered with multiple opportunities for challenging and rigorous studies, while maintaining the integrity of the high school program of study.
**Administration Recommendation**
At its April 20th meeting, the Personnel/Policy Committee failed on a tie vote to forward Policy 6456 to the School Board. However, the Curriculum/Program Committee voted to forward Policy/Rule 6456 to the full Board for a first and second reading at its April 26, 2011 meeting. Administration recommends that the Board approve updated Policy/Rule 6456 – Graduation Requirements on both a first and second reading this evening due to the impact on student course selection and scheduling.

Academic credits shall be awarded for mastery of standards successful completion of class requirements in grades nine through twelve. Graduation credit requirements are based on Carnegie credits earned. A student must earn 263 with a maximum 28 high school credits as described in Rule 6456 to graduate from the Kenosha Unified School District No. 1. Beginning in the fall of 2004, and a student must also complete one of the following:

1. Earn a score of basic or above in three of five subtests on the high school Wisconsin Knowledge and Concepts Exam (WKCE)
2. Earn a cumulative grade point average (GPA) of at least 1.95 on an unweighted scale through the seventh semester of high school; i.e., January of senior year
3. Meet one of the following test scores requirements:
   a. ACT Assessment - 18 or above
   b. SAT I Exam - 870 or above
4. Successfully complete an approved Individual Education Plan (IEP), Limited Language Plan (LLP), and/or Section 504 Plan

Students may exceed the 28 credit maximum by completing summer school.

Students may audit classes, enroll in Youth Option courses, or enroll in summer school offerings in excess of the 28 credits. A procedure describing how these options can be accessed will be established by administration.

A credit deficient student who is at least 17 years of age who has been in a high school cohort group for all four years (a student with a July birthday would be able to take the exam with the June testing group if they attended high school for four years with their peers) may also successfully complete the District Competency Graduation Requirements or a comparable program to earn a District diploma. In addition, a District diploma may be earned by a transfer student through an academic review of the student’s transcript by a building administrator.

A high school team comprised of a building administrator, a counselor, and representative high school teachers shall constitute the review board for any contested decisions concerning graduation. Continued appeals shall be submitted to the Superintendent /designee for a final decision.

All students shall be required to take a full schedule except junior and senior year when students may be allowed to have one release per quarter or semester. In addition, four years of high school attendance shall be required unless early graduation is applied for and approved pursuant to established District procedures. Students are eligible for early graduation when they have completed the requirements for receipt of a diploma.

The Board may award a high school diploma to certain veterans, notwithstanding District and statutory high school graduation standards. To be awarded a diploma, a person must be at least 65 years of age, attended high school in the District or attended high school in Wisconsin and resides in the District, left high school before graduation to join the U.S. armed forces during a war period as defined in state law, and served on active duty under honorable conditions in the U.S. armed forces or in forces incorporated as part of the U.S. armed forces. War periods include, among others, World War II, the Korean Conflict, Vietnam War, and Persian Gulf War. The Board may also award a high school diploma to a person who received a high school equivalency diploma after serving on active duty in the U.S. armed forces or in forces incorporated as part of the U.S. armed forces if the person meets the other conditions outlined in this paragraph and to a veteran who is deceased has died, but who before dying, has satisfied the conditions outlined in this paragraph prior to death.

2. The District will provide access to honors, advanced placement, and post-secondary courses in accordance with state law requirements and established District procedures.

3. Summer school credit is awarded on the basis of one-half credit for each class successfully completed based on standards completed in classes equivalent to 80 clock hours per class scheduled. Prior approval by the principal is required to earn credit for summer school courses taken outside of the District.
4. Credit deficient students who are at least 17 years of age who have been in a high school cohort group for all four years (a student with a July birthday would be able to take the exam with the June testing group if they attended high school for four years with their peers) and are current residents of the District may be issued a District diploma if they satisfy the following Competency Graduation Requirements.

   a. Are enrolled members of a District cohort group, which means that students must have been enrolled members of a particular Kenosha Unified School District graduating class (i.e. Class of 2005). Eligible students must have been enrolled in the District prior to the end of their cohort year graduation date. Non-KUSD cohort students 18 yrs of age or older whose graduation year has expired will not be eligible to participate in the program.
   b. Score at or above the fourth stanine on all predetermined subtests including core areas of the District’s adopted standardized achievement tests.
   c. Demonstrate competency in writing, which can be accomplished by scoring at a level 4.0 or higher on the WKCE writing assessment or scoring at a level 3.0 or higher on the WorkKeys writing assessment.
   d. Complete consumer education/economics, health, government and politics, or approved comparable courses.
   e. Meet employability standards in one of the following ways:
      • Successful employment for a six-month period of time and can provide validation; or
      • Meet an employability component established by the District in the form of a work readiness portfolio.
   f. Students will be required to assume any associated costs for the administration and scoring of District adopted standardized assessments.

5. Accelerated/alternative high school credit attainment is an option for high school students aged 16 and above who may earn high school credit based upon satisfactory completion of individual portions of a District or state-approved criterion referenced test at 85 percent mastery or on norm referenced tests at the 4th stanine or above, normed at 12th grade, 7th month, independent of length of time required; completion of performance-based assignments, and attainment of minimum required credits.

B. Early Graduation

To be considered for early graduation, the student and the parent/guardian shall submit a written request to the principal no later than the end of the first marking period of the school year in which the student plans to graduate early.

The student’s course of study, earned grades in such courses, grade point average, and other performance indicators shall be made part of the student’s transcript.

C. Students enrolled in a middle school who complete high school courses may be awarded high school credit toward the overall district credit requirement, but not for the credit specified in WI State Statutes.

Initial Fiscal 2011-2012 Budget Assumptions

The Kenosha Unified School District (KUSD) budget is in the preliminary stages of development by Administration based on Board Policy 3100, Annual Operating Budget.

The current budget assumption document is the preliminary revenue and expenditure changes to be evaluated and discussed in the development of the 2011-2012 budget. This document illustrates the budget impact for the next year in summary form and presumes the specific budgeted amounts and categories from last year will stay the same and serve as the starting point for this year, except for areas identified in the Budget Assumption Document.

The process throughout the spring and summer examines the educational need for these documented assumptions and then attempts to balance any additional revenue additions and subtractions with additional Expenditure additions and subtractions to maintain a balanced budget. Unlike the past, grants that have been or are proposed to be eliminated are included in this budget assumption process. These grants are included since the funding decreases will have a significant impact on school and program operations and the use of available funds. As in the past grants that are not eliminated are excluded from the budget development process since they are self-sustaining (their revenues equal their expenditures).

This Budget Assumption Document is presented in a format consistent with past years and has a Revenue section, Required Expenditure section, a Proposed Expenditure Section and a Proposed Expenditure Budget Decreases. The Required Expenditure section contains current known contractual obligations, based on either previous Board action or the District’s fiduciary responsibility.

The initial projection of a revenue decrease is determined to be $19,304,471. The decrease is comprised of $9,853,604 of anticipated decreases to the District’s Revenue Limit, $6,834,297 of decreases attributed to the loss of ARRA and Education Jobs federal funding, $1,616,570 of decreases attributed to the elimination of state grant funding and an anticipated $1,000,000 decrease due to the elimination of the student base registration fee.

This projection accounts for the anticipated overall increase of 128 full time equivalent students. Administration will continue to analyze the projected student enrollment throughout the process and may make recommendations to modify the revenue projection.
Also included in the projection is $1,860,101 that was not levied in the 2010-2011 school year to keep the tax levy increase to as low as possible. Current State law requires that this amount be levied the following year or this authority will be lost. In addition, $1,725,352 of the $2.47 million operating budget increase approved as part of the 2008 Referendum will be included in the 2011-2012 budget, based on the corresponding expenditure increases in the increased operating costs of Indian Trail High School for the next year.

The initial projections have balanced the anticipated revenue decreases with expenditure decreases of $19,304,471. The expenditure projections include an estimation of increases in salary and benefits for existing staff, a decrease in salaries and benefits for required staff reductions and other contractual and non-contractual obligations. The salary and benefit projections are based on actual known contract amounts and for health insurance increase costs of 5.0%.

The Kenosha Unified School District's proposed budget for 2011-2012 will be prepared in accordance with the budgeting and financial operations policies for the District and will be prepared to conform to existing State of Wisconsin requirements. It is always the desire of Administration to present the Board of Education an appropriate balanced budget, taking into consideration the beliefs, parameters and objectives of the Transformation Design Plan and the ongoing instructional and fiscal responsibilities of Administration. As always, the budget is developed and implemented with the ultimate goal of meeting the needs of all our students.

**Administrative Recommendation**

Administration presented the initial budget assumptions to the Board of Education and Standing Committee Community Advisors on April 20, 2011. These assumptions will be the basis for ongoing budget discussions to be scheduled throughout the spring and early summer. Any proposed changes to the budget will require that a revenue increase or expenditure decrease be recognized in the amount of the proposed changes. It is the recommendation of Administration that the Board of Education formally adopt the initial Fiscal 2011-2012 Budget Assumptions this evening.

<td>T&amp;L CHIPs (Carpentry Program)</td>
<td>(50,000)</td>
<td>We are recommending the elimination of the CHIPs (Carpentry Program) due to the fact that there will be no new houses built next year. Due to the slowed housing economy, the students would have only been rehabbing current property. We will feel that students will be able to get a quality experience working with members of our KUSD Facilities staff on projects without the cost.</td>
