Tobacco Use by Students and Policy 5434 – Alcohol and Other Drugs were pulled from the consent agenda.

The Board then considered the following Consent-Approve items:

Consent-Approve item X-A – Recommendations Concerning Appointments, Leave of Absence, Retirements and Resignations as presented in the agenda.

Consent-Approve item X-D – Waiver of Policy 1330 – Use of School District Facilities submitted by Dr. Mangi, excerpts follow:

“James McPhaul, Co-Chair of the Kenosha Relay for Life event is requesting a waiver of user fees for use of the Bullen Middle School track on Friday and Saturday, August 7-8, 2009 for the 24 hour walk marathon that raises funds for cancer research. All funds raised at the event are donated to the American Cancer Society. Facility rental charges for two days are $38. Custodial overtime of 8 hours would total $304.16.

Board Policy 1330.2, Charges for Use of School District Facilities defines requirements for outside groups to use school district facilities. Specifically, Policy 1330.2 states that, “…the Board retains the right to waive or adjust any fees associated with use of District facilities.”

At its June 11, 2009 meeting, the Audit/Budget/Finance Committee voted to forward the waiver request to the full Board for consideration. Administration recommends that the Board approve the Relay for Life request for a waiver of rental fees for use of the Bullen Middle School track on August 7-8, 2009. Dr. Mangi presented the Proposed Developer's Agreement for the Indian Trail Expansion/Renovation Project submitted by Mr. Patrick Finnemore, Director of Facilities, and Dr. Mangi, excerpts follow:

“There are numerous infrastructural improvements being made to the Indian Trail site as part of the expansion/renovation project. These improvements include things such as the new 56th Street, the upgraded intersection including traffic signal at our main entrance off of 60th Street, site utilities such as water, sanitary sewer and storm sewer, sidewalks, etc. As the developer of the property, the Kenosha Unified School District (KUSD) is responsible for the construction of these improvements. Many of these improvements we will construct ourselves as part of the project, but some of them are better constructed by the City of Kenosha. The proposed Developer’s Agreement,
which is attached, outlines responsibilities and timelines for these improvements. This agreement was developed with significant input from KUSD facilities staff, our legal counsel, and the contractors working on the school construction project. There have been two previous developer’s agreements for this site, the first when Indian Trail Academy was built and the second when Mahone Middle School was built. This agreement is an extension of those previous agreements.

The proposed Developer’s Agreement was negotiated over several months with the details of the responsibilities being agreed to prior to KUSD bidding out the school construction project. Since the time the project was bid out, the only major details that were addressed in the agreement were timeline and legal wording issues. Therefore, the guaranteed maximum price for construction that KUSD has with Camosy Construction includes all of the costs associated with this Developer’s Agreement.

The agreement needs approvals from both the School Board and the City Common Council. The approval processes are going on concurrently and it is expected that both parties will approve the agreement within the next month. The Planning, Facilities, and Equipment Committee reviewed this report at their June 9, 2009 meeting and unanimously approved forwarding it to the full Board for their consideration.

Administration recommends Board approval of the Developer’s Agreement with the City of Kenosha for the Indian Trail Expansion/Renovation Project."

Mr. Fountain moved to approve the Developer’s Agreement with the City of Kenosha for the Indian Trail Expansion/Renovation Project. Mr. Ostman seconded the motion. Unanimously approved.

Dr. Mangi presented the Kenosha Even Start Family Literacy Program Request for the 2009-2010 School Year submitted by Mr. Juan Torres, Program Director; Mrs. Patricia Demos, Community School Relations Manager; and Dr. Mangi, excerpts follow:

“Approval from the Board of Education is requested to submit and implement the Even Start Family Literacy program Federal Grant for the 2009-2010 School Year. The funding for this grant is $160,000.00. The grant is designed to fund the operating cost of the Kenosha Unified School District Even Start Family Literacy Program.

The federally funded Even Start Family Literacy Program is a school-community partnership that helps break the cycle of poverty and illiteracy by integrating early childhood education, adult literacy or adult basic education, and parenting education into a unified family literacy program. Even Start is implemented through cooperative projects that build on high-quality existing community resources, creating a new range of services for children, adults, and families.

At its June 11, 2009 meeting, the Curriculum/Program Committee voted to forward the Federal Even Start Family Literacy Program Grant Request to the full Board for consideration. Administration recommends that the Board grant approval for submission and implementation of the 2009-2010 Federal Even Start Family Literacy Program Grant Request.”
Mrs. R. Stevens moved to approve the submission and implementation of the 2009-2010 Federal Even Start Family Literacy Program Grant Request. Mr. Ostman seconded the motion. Unanimously approved.

Dr. Mangi presented the Homeless Children and Youth Education Program (EHCY) Grant submitted Mr. Carlos Frick, District Homeless Liaison; Mr. Anderson Lattimore, Executive Director of Educational Accountability; and Dr. Mangi, excerpts follow:

“Approval from the Board of Education is requested to submit and implement the Homeless Children and Youth Education Program Grant for the 2009/10 – 2011/12 school years. The purpose of this grant is to provide assistance to students experiencing homelessness to maintain a continuous public education and support their school achievement. Continued support will be accomplished by facilitating the immediate school enrollment of homeless students who are new to the district, maintaining school attendance in their school of origin or placement in another KUSD school through transportation when necessary. Additional educational support services such as homework assistance and tutoring both after school and during the summer at the Shalom Center are also significant components of the EHCY grant. These grant funds, combined with other funding sources such as Transportation Funds, Title 1 and Food Services are estimated to serve at least 538 Kenosha Unified children and youth with specific activities permitted by the originating grant source and in compliance with the McKinney-Vento Homeless Assistance Act.

At its June 11, 2009 meeting, the Curriculum/Program Committee voted to forward the Homeless Children and Youth Education Grant to the full Board for consideration. Administration recommends that the School Board grant approval to submit and implement the Homeless Children and Youth Education Grant for the 2009-2010 school year, and two succeeding years and to apply for additional funding for homeless students under the ARRA federal grant.”

Mrs. R. Stevens moved to approve the submission and implementation of the Homeless Children and Youth Education Grant for the 2009-2010 school year and two succeeding years and to apply for additional funding for homeless students under the ARRA federal grant. Mrs. Taube seconded the motion. Unanimously approved.

Dr. Mangi presented the Enhancing Education Through Technology Grant submitted by Annie Fredriksson, Coordinator – Library Media/Instructional Technology/Media Production, and Dr. Mangi, excerpts follow:

“Due to the timing of the grant submission, School Board approval was not able to be obtained prior to the grant application deadline. Therefore, School Board approval is requested to accept and implement, if awarded, the Enhancing Education Through Technology Grant (Ed Tech). Enhancing Education Through Technology is a federal grant program. Kenosha is applying independently to improve reading/language arts academic achievement for ALL students through he use of integrated technologies.

The Kenosha project 2009-2010, “Differentiated Instruction Utilizing Innovative Implementation of 21st Century Skills and Technologies” will specifically address
ongoing, sustained professional development through collaborative instructional high school teams focusing on the following four objectives: 1) improving student engagement through the use of integrated technologies; 2) differentiated reading and writing instructional strategies utilizing and embedding 21st Century Tools to bridge the gap between curriculum and students; 3) improving assessment practices while addressing reading levels that change due to interest, background or a changing bank of skills/strategies; 4) increasing proficiency in accessing, interpreting and using information to communicate effectively; embedded in the context of improving reading/language arts student achievement.

At its June 11, 2009 meeting, the Curriculum/Program Committee voted to forward the Enhancing Education Through Technology Grant to the full Board for consideration. Administration recommends that the Board give approval to accept and implement the Enhancing Education Through Technology 2009-10 Grant.”

Mr. Ostman moved to accept and implement the Enhancing Education Through Technology 2009-2010 Grant. Mr. Fountain seconded the motion. Unanimously approved.

Dr. Mangi presented Policy and Rule 6633 – Student Use of Internet System submitted by Mrs. Kathleen Barca, Executive Director of School Leadership, and Dr. Mangi, excerpts follow:

“School Board Policy 6633 Student Use of Internet System was reviewed by a committee consisting of the Library Media Instructional Staff, Distributions and Utilities, and the Curriculum and Instruction Department.

In accordance with CIPA law which requires an addition to our Internet Policy 6633, the following language is being added to the Policy: “The District is educating students about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyber bullying awareness ad response.

At it’s June 9, 2009 meeting, the Personnel/Policy committee voted to forward revised Policy and rule 6633 Student Use of Internet System to the full Board for a first and second reading.

Administration recommends that the Board approve revised Policy and Rule 6633 on a first reading this evening and that it be brought back for a second reading at the July 28, 2009 Regular Meeting.”

Mr. Ostman moved to approve Policy and Rule 6633 on a first reading and that it be brought back for a second reading at the July 28, 2009 Regular Meeting. Mrs. R. Stevens seconded the motion. Unanimously approved.

Dr. Mangi presented Policy and Rule 5310 – Student Attendance, excerpts follow:
“At the request of a Board member, Policy and Rule 5310 – Student Attendance was reviewed at the June 9, 2009 meeting of the Personnel/Policy Standing Committee. At that meeting, the Committee voted to forward Policy and Rule 5310 to the full Board for approval of the formation of a committee which would include principals, teachers, and students with a report and recommendation back to the Personnel/Policy Committee prior to January 31, 2010.

Administration recommends that the Board approve the formation of a committee comprised of principals, teachers, parents and students to review Policy and Rule 5310 – Student Attendance with a report and recommendation back to the Committee prior to January 31, 2010.”

Mrs. Taube moved to approve the formation of a committee comprised of principals, teachers, parents and students with the addition of a School Board member to review Policy and Rule 5310 – Student Attendance with a report and recommendation back to the Committee prior to January 31, 2010. Dr. Mangi presented the Change in the Adopted Budget submitted by Mr. Tarik Hamdan, Financial & Budget Analyst; Mr. Johnston and Dr. Mangi, excerpts follow:

“The Board of Education adopted the 2008-2009 budget on October 28, 2008, as prescribed by Wisconsin State Statute 65.90. From time to time there is a need to modify or amend the adopted budget for a variety of reasons, including changes in individual program budgets. State Statute requires that any modifications to the adopted budget require the approval by two-thirds (2/3) majority of the Board of Education and publication of a Class 1 notice within ten (10) days of Board approval. This document identifies proposed budget modifications to the 2008-2009 Budget.

The majority of the required changes are the result of notification of carry over funds determined to be available for various grants after the budget was formally adopted in October. Also, some smaller Grant awards (i.e. Ed Foundation and other Mini-Grants) were received after the adoption of the budget. These Grant awards conform to existing board policy.

Finance was also notified in November that the Indirect Cost rate changed to 3.00% from 3.14%, for the 2008-2009 school year. This rate affects the amount of disposable dollars for some Grants. The budget modifications associated with the rate change are also included.

Since State Statutes authorize the budget be adopted by function, Administration also requests approval of additional budget modifications that do not add dollars to the budget, but change functions (primarily the first two digits of the function). These budget modifications include:

• Transfer budgets and expenditures from one salary account to another salary account
resulting from a review of position control. Reclassifying the salary and benefit dollars from one account to another does not change the overall amount of the District budget.

• Transfer discretionary line item budget dollars from one budget account to another as a result of ongoing review and monitoring of budgets. Reclassifying budget dollars from one account to another account does not change the overall amount of the Grant or District budget.

• Transfer Grant budgets to the appropriate function or object based on formal DPI Grant Modifications. Since the budget was formally adopted, some Grant Managers have requested that expenditure budget dollars be reassigned to the function or object where the dollars would be expended. The grant budgets have now been revised and the resulting modifications may have changed the function or object of the expenditures, but do not change the award amount of the grant.

The Audit, Budget & Finance Committee reviewed the 2008-2009 Budget Modifications at the June 11th committee meeting and unanimously approved forwarding this recommendation to the full Board of Education for approval.

Administration recommends that the Board of Education review and approve the 2008-2009 budget modifications as described herein and that the attached Class 1 notice be published within ten (10) days of the official Board Adoption.”

Mrs. R. Stevens moved to approve the 2008-2009 budget modifications as described and that a Class 1 notice be published within ten (10) days of the official Board Adoption. Mr. Bryan seconded the motion. Unanimously approved.

Dr. Mangi presented the Hearing Officers submitted by Mr. Norris Jones, Minority Academic Affairs Specialist, Mr. Lattimore; and Dr. Mangi, excerpts follow:

"Due to the continued number of expulsion hearings, administration would like to maintain the services of the following three (3) individuals as hearing officers for the 2009/10 school year:

Frank L. Johnson, a retired Racine Unified School District administrator, served as Director of Employee Relations for a number of years. In addition he also advised RUSD’s administration and/or the school board on school law matters including student expulsion processes. Mr. Johnson has served as one of our hearing officers for the past three years.

Richard Regner, a retired KUSD administrator, has a number of years of experience as a teacher, building principal and central office administrator. He has served as one of our hearing officers for the past four years.
Nancy Wheeler, served as a Racine court judge for seven years, four of which were as a juvenile court judge. Ms. Wheeler has served as one of our hearing officers for the past four years.

Administration will continue to schedule the hearing officers on a rotating basis, which will allow more flexibility in scheduling the hearings in the appropriate timeframe, especially when emergency or unusual circumstances arise.

Administration recommends that the School Board authorize the appointment of the aforementioned three (3) independent hearing officers for the purpose of expulsion hearings during the 2009/10 school year. In addition, Administration further recommends that their contracts as the District’s expulsion hearing officers be set at a rate of $100.00 per hearing for the 2009/10 school year."

Mr. Fountain moved to approve the recommended hearing officers for the purpose of expulsion hearings and that their contracts as the District’s expulsion hearing officers be set at a rate of $100.00 per hearing for the 2009/2010 school year. Mr. Ostman seconded the motion. Unanimously approved.

The Resolution Authorizing the Issuance and Awarding the Sale of $1,260,000 General Obligation Refunding Bonds, Series 2009B; Providing the Form of the Bonds; and Levying a Tax in Connection Therewith was deferred to the Special Meeting on June 25, 2009.

“Please recall that Phase II of the financing of the Indian Trail Academy project was going to be broken down into two (2) components. One component was to apply for $10 million of Qualified School Construction Bonds (QSCBs). The remaining $20 million was going to be financed through the Build America Bond (BAB) program.

Earlier today, through a competitive bid process, the $20 million of Build America Bonds was finalized. The lowest bidder was Raymond James & Associates on the issuance of the bonds (debt side) at a net borrowing rate is 5.19%. The closing date for the bonds is scheduled to be July 15th. The investment of the proceeds will be based
on the draw schedule to ensure that the funds are invested for the maximum period of time leading up to the scheduled cash flow needs of the project.

It is always the desire of Administration to present the Board of Education an appropriate short term borrowing program, taking into consideration the beliefs, parameters and objectives of the Strategic Plan.

The Audit, Budget and Finance Committee and Administration recommend that the Board of Education approve the following:

(1) The Resolution authorizing the issuance and sale of the $20 million of school improvement bonds (Series 2009C) to Raymond James & Associates and authorize Board Officers and District Administration to execute any and all documents relating to the sale of these bonds.

(2) All documents related to the placement of the Series 2009C bond proceeds based on our review of investment options and authorize Board Officers and District Administration to execute any and all documents relating this investment."

Mr. Ostman moved to authorize the issuance and sale of the $20 million of school improvement bonds (Series 2009C) to Raymond James & Associates and authorize Board Officers and District Administration to execute any and all documents relating to the sale of these bonds; and approve all documents related to the placement of the Series 2009C bond proceeds based on review of investment options and authorize Board Officers and District Administration to execute any and all documents relating this investment. Mrs. R. Stevens seconded the motion. Unanimously approved.

Mrs. Taube moved to approve the revised Summary of Receipts, Wire Transfers and Check Registers. Mr. Ostman seconded the motion. Unanimously approved.
Dr. Mangi presented Policy 8850 – School Board Committees submitted by Mrs. Barca and Dr. Mangi, excerpts follow:

“Previously a number of Board members requested that the current one-year appointment to a standing committee be changed to a three-year term for community advisors. It was also noted that revised wording was necessary to address Board members serving on more than two standing committees when service on the PR/Goals/Legislative is factored in. This proposed change was presented at the March 10, 2009 Personnel/Policy Committee meeting and it was voted to bring it back to the next Committee meeting for further discussion.

At its May 12, 2009 meeting, the Personnel/Policy Committee voted to refer revised Policy/Rule 8850, School Board Committees to the full Board for a first reading at its May 26, 2009 regular meeting and second reading at its June 23, 2009 regular meeting.

Subsequent to the May 12th Personnel/Policy Committee meeting, Administration added proposed wording to reflect an 80% attendance expectation for community members.

The Board approved revised Policy/Rule 8850 on a first reading at its May 26, 2009 regular meeting and Administration recommends approval as a second reading this evening.”

Mrs. Taube moved to approve Policy/Rule 8850 as a second reading. Mr. Ostman seconded the motion. Motion failed. Mrs. R. Stevens, Mr. Fountain, Mr. Bryan and Mrs. P. Stevens dissenting.

“School Board Policies and Rules 5433 & 5434 – Tobacco Use By Students and Alcohol and Other Drug Use were reviewed by a committee consisting of the Minority Academic Affairs Specialist, Coordinator of Student Support and an AODA Consultant.

At its February 24, 2009 regular meeting, the Board recommended that the Personnel and Policy Committee further review these policies and present recommended changes to the full Board for a second reading at its June 23, 2009 meeting. The recommended policy draft includes reference to inhalants and smoking near school property. Students abusing alcohol and/or drugs often fail to succeed academically. The attached recommended policy draft is offered as an on-going effort to provide meaningful prevention and intervention with students that motivates students to not use alcohol or drugs and guides students who are harmfully involved to change their behavior.
Administration recommends that the Board approve revised Policies and Rules 5433 and 5434 – Tobacco Use by Students, and Alcohol and Other Drug Use by Students as a second reading at its June 23, 2009 regular meeting.”

Mr. Bryan moved to send Policy 5433 – Tobacco Use by Students back to the Personnel/Policy Committee for further discussion/action. Mrs. R. Stevens seconded the motion. Unanimously approved.

At it’s June 9, 2009 meeting, the Personnel/Policy committee voted to forward revised Policy and rule 6633 Student Use of Internet System to the full Board for a first and second reading. The Board approved Policy and rule 6633 on a first reading at its June 23, 2009 regular meeting.

ADMINISTRATIVE REGULATIONS: 6633, Student Use of Internet System Use Procedures Guidelines

AFFIRMED: November 28, 1995

REVISED: January 29, 2002
May 22, 2007
RULE 6633
STUDENT USE OF INTERNET SYSTEM

General school rules for behavior and communications apply, including the District's anti-harassment policies. Also, students shall abide by District guidelines governing Internet safety and acceptable use. The District is educating students about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyber bullying awareness and response. Misuse of Internet access may result in loss of Internet use privileges and school disciplinary action may be taken. Appropriate legal action may also be taken against students performing illegal acts on the Internet.

Making Internet access available to students carries with it the potential that some students might encounter information that some have identified as controversial and of potential harm to students. Because information on the Internet appears, disappears and changes, it is not possible to predict or reliably control what information students may locate. However, Internet resources are viewed as educational resources like textbooks and library materials and they are subject to the same selection criteria as accorded other educational materials. The District has installed software that is intended to protect against access to visual depictions that are obscene, child pornography or harmful to minors and to filter out Internet sites that serve no educational or research purpose and do not conform to accepted instructional material selection criteria as outlined in District policy and procedures. This should not be construed by the public to mean that students may not encounter objectionable material on the Internet as accessed via District facilities. District staff will make every reasonable effort to filter unsuitable sites, but they will not be able to do this with all sites.

School library media specialists and teachers will work together to help students develop the intellectual skills needed to discriminate among information sources, to identify information appropriate to their age and developmental levels, and to evaluate and use information to meet their educational goals. Parents, guardians and caregivers are responsible to set the standards that their children should follow when using the Internet outside of the school.

The Board authorizes the Superintendent to provide appropriate procedures for implementing this policy and for reviewing and evaluating its effect on instruction and student achievement.

INDIAN TRAIL ROAD CONSTRUCTION LAND DEDICATION

Background:

One of the infrastructure improvements for the Indian Train addition/renovation project is the construction of a new east-west public street. The construction of what will be 56th Street required some additional property be acquired so that the street can be extended to 64th Avenue. It was decided when the project was first considered that KUSD would use the services of the City of Kenosha to acquire the property and construct the road and associated improvements using funding from the referendum. The Board approved an agreement with the City for those services at its September 23, 2008 regular meeting. The City has now acquired the land and the price KUSD is paying the City is within the amount budgeted for land acquisition.

In addition to the land that the City has acquired for the road construction, there is some existing KUSD-owned land that also needs to be dedicated for the construction of the new road. Attachments 1 and 2 provide copies of the Quit Claim Deeds and associated survey maps showing the land that needs to be dedicated for the road expansion. Because the land being used for the road was purchased at two different times, two Quit Claim Deeds are needed instead of one. The survey maps highlight that land that will be dedicated for road construction and associated public right-of-way.

In regards to the road construction of 56th Street, there will be one final agreement between KUSD and the City that will be in addition to these documents, the agreement approved on September 23rd and the Developer’s Agreement approved at the June 23, 2009 regular Board meeting. That agreement will be a Quit Claim Deed that will transfer ownership of a property acquired with the land needed for the road extension from the City to KUSD. That agreement will be brought before the Electors at the Annual Meeting in September and then to the Board for final approval. The District is currently evaluating the best use for that property and will bring a recommendation along with the agreement in September.

This report was brought before the Planning, Facilities, and Equipment Committee at their July 14, 2009 meeting, and the Committee unanimously approved forwarding the report to the full Board for their consideration.
Administration Recommendation:

Administration recommends Board approval of the two Quit Claim Deeds between KUSD and the City of Kenosha to support road construction of 56th Street.

Previously a number of Board members requested that the current one-year appointment to a standing committee be changed to a three-year term for community advisors. It was also noted that revised wording was necessary to address Board members serving on more than two standing committees when service on the PR/Goals/Legislative is factored in. This proposed change was presented at the March 10, 2009 Personnel/Policy Committee meeting and it was voted to bring it back to the next Committee meeting for further discussion.

**Recommendation**

At its May 12, 2009 meeting, the Personnel/Policy Committee voted to refer revised Policy/Rule 8850, School Board Committees to the full Board for a first reading at its May 26, 2009 regular meeting and second reading at its June 23, 2009 regular meeting.

Subsequent to the May 12th Personnel/Policy Committee meeting, Administration added proposed wording to reflect an 80% attendance expectation for community members.

The Board approved revised Policy/Rule 8850 on a first reading at its May 26, 2009 regular meeting, however, at its June 23, 2009 meeting, the Board voted to refer it back to the Personnel/Policy Committee for further discussion. Administration has added wording regarding staggered terms for community and student advisors and deleted obsolete language in Rules #2 and #3.

At its July 14, 2009 meeting, the Personnel/Policy Committee voted to refer revised Policy/Rule 8850 to the full Board for a second reading at its July 28, 2009 meeting.

Administration recommends that the Board approve revised Policy/Rule 8850 as a second reading this evening.

POLICY 8850
SCHOOL BOARD COMMITTEES

The School Board believes committees can be useful in the decision-making process and in the conducting of Board business. By using a Board committee structure, the Board is able to conduct its business in an efficient and effective manner, study issues facing the District more in depth, and take more ownership in things happening in the District. The committee structure is designed to assist the Board in the conducting of Board business; it is not intended to take away a Board member’s opportunity to ask questions or to be involved in the decision-making process.

The Board shall have five standing committees: (1) Audit, Budget and Finance, (2) Curriculum and Program, (3) Planning, Facilities and Equipment, (4) Personnel and Policy, and (5) PR/Goals/Legislative Committee. Each standing committee shall consist of three Board members. A quorum of the committee shall be a minimum of two (2) Board members. The Board President shall appoint Board members to standing committees in accordance with established procedures. No Board member may serve on more than two of the following standing committees. (1) Audit, Budget and Finance, (2) Curriculum and Program, (3) Planning, Facilities and Equipment, and (4) Personnel and Policy. However, Board members may serve on the PR/Goals/Legislative Committee as a third committee assignment. The Board President shall select the committee chair. The committee chair may seek up to two community members and one non-voting student advisor to serve in an advisory capacity on the Audit, Budget and Finance Committee, the Curriculum and Program Committee, the Planning, Facilities and Equipment Committee and the Personal and Policy committee. The committee chair may seek up to six community members and one non-voting student advisor to serve on the PR/Goals/Legislative committee. Every attempt will be made to have these committees reflect the diversity of the District. Community member appointments shall be made in accordance with established procedures. The term of appointment to a standing committee will be for one two years for community members and student advisors, unless otherwise arranged. Whenever possible, terms will be staggered. It is expected that community members will attend at least 80% of the meetings of the standing committee to which they have been appointed. Consistent with Board policy concerning Board officers, the chair of each committee may not serve as committee chair for more than two consecutive years.

The Board may establish other standing and temporary ad-hoc committees from time to time as needed. The Board President shall make such committee appointments in the same manner as other standing committee appointments.

The Board President shall serve as an ex-officio member of all standing and temporary committees of the Board.

The function of all Board committees should be fact-finding, deliberating and advising, but not legislating or policymaking. Each Board committee shall be assigned specific duties. All policymaking actions taken by a Board committee shall be subject to ratification and approval of the Board. For policy-related items, the Board will have a first and second reading of the recommended policy before final policy adoption. The policy readings shall occur at separate Board meetings.

Public notice shall be given for all Board committee meetings in accordance with state law and Board policy.

Scheduling the 2009 Public Hearing on the Budget  
And  
Annual Meeting of the Electors

All school districts in the State are required to hold a hearing on their budget. Common School Districts are required to hold the budget hearing at the same time and place as the annual meeting. Prior to the budget hearing, the school board must approve a proposed budget to present at the budget hearing. Please recall that Kenosha Unified School District is a common school district and not a unified school district.

State Statute states that common school districts hold an annual meeting between May 15th and October 31st. State Statute also dictates that the annual meeting will be held on the 4th Monday in July at 8:00 p.m., unless the electors at one annual meeting determine to thereafter hold the annual meeting on a different date or hour, or authorize the school board to establish a different date or hour.

Since the early 2000’s, the Public Hearing on the Budget and the Annual Meeting has been held after the start of school at the request of the electors, since many electors are out of town in July. The first Monday after Labor Day in September was established due to short term borrowing needs. In order to borrow operating funds for the school year, the approval of that year’s tax levy by the electors is required.

With the completion of the Tremper Cafeteria Addition and Renovation project occurring prior to the start of school in September, it was suggested that the meeting could take place at Tremper and showcase the remodeling. It was also communicated at the committee meeting that there should not be any conflicts with other functions taking place on Monday nights, namely Monday Night Football. The Audit, Budget and Finance Committee unanimously agreed with the recommendation to hold the Annual Meeting at Tremper and it has been reserved for this purpose on Monday, September 14, 2009, at 7:00 p.m.

Administrative Recommendation

Administration requests that the Board of Education concur with the Audit, Budget and Finance Committee’s recommendation to set the 2009 Public Hearing on Budget and Annual Meeting of the Electors for Monday, September 14, 2009, at 7:00 p.m. in the Tremper High School Auditorium.

Preliminary Adoption of the 2009-2010 Budget

At the February 10, 2009, Audit, Budget and Finance Committee, the 2009-2010 initial budget assumptions and process was presented. That report outlined the rationale for Administration’s initial revenue and expenditure additions or subtractions to the 2009-2010 budget.

The Superintendent’s Leadership Council, has met on several occasions to review and evaluate the submitted budget assumptions and District contractual obligations. These discussions have become the basis of the budget assumption priorities that Administration presented in May and also is being presented to the Board for preliminary approval at the July regular meeting.

2009-2010 Budget Development Timeline

Below is a timeline of activities that have occurred and those that will be initiated prior to the end of October that form the basis of the District’s budget priorities for the 2009-2010 budget.

- Preliminary Enrollment Projections presented to the Personal & Policy Committee on November 11, 2008
- Preliminary Staffing Projections presented to the Personal & Policy Committee on January 13, 2009
- New budget assumption requests submitted by January 23rd
- Initial Budget Assumptions presented to the Audit, Budget and Finance Committee on February 10th
- Leadership Council reviewed submitted budget assumption in February and March at the weekly meetings
- Special Leadership Council Meeting to evaluate and formalize budget assumption recommendations was held on April 2nd
- An update on the Budget Assumption review process and priorities was presented to the Audit, Budget and Finance Committee on May 14th
- The preliminary 2009-2010 budget and Budget Assumptions to be presented for adoption on July 28th
The Public Hearing on the 2009-2010 Budget and the District’s Annual Meeting to be held on September 14th

Third Friday student count to be held on September 18th

Tax Appointment Values (Equalized Value) from the Department of Revenue to be received by October 1st

Certification of the 2009-2010 Aid Eligibility (amount of state aid) from the Department of Public Instruction to be received by October 15th

Formal adoption of the 2008-2009 Budget to occur on October 27, 2009

2009-2010 Budget Assumptions

Attachment A is the Budget Assumptions that have been reviewed by Administration and the Board over the last four (4) months.

The projected increase to the General Fund revenue budget is $3,471,025 and is subject to change prior to the formal budget adoption in October. Some of the potential changes are listed below.

- As part the 2009-2011 Biennial Budget adoption, the Revenue Limit per pupil increase has been set at $200 for the 2009-2010 school year. This is a decrease of $74 per student from what was initially projected and budgeted. This lowered the projected revenue limit increase by $1,801,341. The legislature also lowered the categorical aid provided to districts by 3.5% and is projected to decrease the categorical aids the District receives by $227,057.

- Approval of the submitted Transfer of Service Revenue Limit exemption due to students with special needs moving into the District during the 2008-2009 school year. Last year, the Department of Public Instruction (DPI) changed the submission process to an on-line system and delayed the submission to August 1st (previously it was July 1st). The projected exemption has been conservatively estimated for this year due to DPI scrutinizing the submitted calculations.

- Calculation of the official 2009-2010 Membership count that will be conducted on September 18th. Due to the slowing of our economy and the minimal membership increases for the past two (2) years, the current budget projects no increase in the K-12 membership, even though our enrollment is projected to increase by 174 students. This budget does include an increase of 141 students in the Four (4) Year Old Kindergarten enrollment and 40 additional students in Summer School.

- A reduction of $3,372,722 in the Revenue Limit to correspond to a voluntary reduction of the local tax levy to an amount that was calculated in January based on the current estimated General State Aid reduction resulting from the State budget reductions.
Receipt of the actual property equalized valuation, the amount of general State Aid and the exempt computer aid amount. While these items may not affect the total increase in the District’s revenue budget, they will affect the amount of the Revenue Limit increase that will be required by the local property tax.

The projected increase to the expenditure budget is currently $3,156,443. These expenditure assumptions are comprised of:

- **Required Assumptions** based on contractual obligations or previously approved Board action in the amount of $2,849,643.
- **Submitted Assumptions** that have been reviewed and recommended by Administration in the amount of $306,800.
- **Currently unfunded Assumptions** that have been reviewed and prioritized to be funded based on additional budget dollars in the amount of $103,724.
- There are also sections identifying the time limited assumptions that have previously been approved, those submitted Assumptions that Administration has reviewed and identified other sources to fund these Assumptions and those Assumptions that Administration is not recommending be funded.

The total impact of all the assumption changes presented in Attachment A leaves $314,582 to be allocated in the budget in order to have a balanced budget. The caveat is that while this budget is currently balanced, the Legislature has recently approved a reduction in the amount of General State Aid that will be provided to school districts. Under the current funding formula, the amount that is not provided in the form of General State Aid can be levied to the local taxpayers up to the Revenue Limit.

Administration has indicated since February that if the General State Aid is reduced, Administration would recommend reducing the budget instead of increasing the tax burden of the community over what was initially projected to be the tax levy in January. The General State Aid that Kenosha Unified has received in recent years (last 5 years) has averaged around 66% of the District’s Revenue Limit. Using this historical average, the January estimated aid for 2009-2010 was $148,141,915 or an increase of $5,840,752 over the 2008-2009 aid.

As a result of the State budget shortfall, the 2009-2011 State Budget reduced the General State Aid allocations throughout the State by 3.1%. The actual impact will not be known until October since it is based, in part, on year end 2008-2009 financial data. Based on the current estimate by the Department of Public Instruction (DPI), the General State Aid that Kenosha will receive increases by $656,921 (about a 0.46% increase) over the 2008-2009 aid. Since Kenosha is below the averages used in the Equalization Aid formula, the District benefited more favorably in the overall allocation of aid. This is still a $5,190,379 reduction over what was estimated in January.

Understanding that school districts could levy the difference between the Revenue Limit and the General State Aid received, the Legislature reduced the revenue limit per pupil increase by around $74 per student. This lowered the District’s Revenue Limit by $1,801,341 and thus reduces the differences between the estimated aid (January) and the projected aid (June) to $3,372,779.
Preliminary Tax Levy

The estimated General State Aid in January would have generated a General Fund tax levy of $73,716,526 or a slight increase in the mil rate of $0.24 or a 3.22% over 2008-2009. The mil rate for the total tax levy from all funds would also increase by $0.19 or a 2.11% increase over 2008-2009.

Based on the projected General State Aid from DPI, the General Fund (Fund 10) tax levy could increase to $77,089,305 or a $0.35 increase in the mil rate (4.56% increase over 2008-2009). Below is a table that compares the Fund 10 tax levy from the January estimate to the current projected amount.

The Above table presumes that the increase in the 2009-2010 Equalized Value will increase by 1%. The actual change in the Equalized Value will not be finalized until early October. The increase in the equalized value over the last five (5) years is 7.22%, but only increased 1.35% in 2008-2009.

At this time, Administration is reviewing a wide range of options to assist in balancing the budget based on the planned reduction in the Revenue Limit and will not be presenting the tax levy increase that the current State funding formula would allow. Absent any budget reductions, the preliminary budget presented at the Public Hearing on the Budget would include a projected tax levy increase of $6,020,228 in the 2009-2010 tax levy for Kenosha Unified School District over last year. The mill rate per $1,000 of equalized valuation would be projected to be $9.35, a 6.03% increase over the prior year. Attachment B delineates this scenario and the last fifteen (15) years equalized values and tax levies.

Administration is committed to not increasing the local tax levy higher than the tax levy that was calculated in January, based on the historical projection of General State Aid. Administration will be recommending that the preliminary budget presented at the Public Hearing on the Budget will include the following preliminary tax levy:

- General Fund $73,723,348
- Debt Service Fund $11,913,104
- Community Service Fund 1,881,240

Total $87,517,692
This preliminary tax levy constitutes a projected increase of $2,647,538 in the 2009-2010 tax levy for Kenosha Unified School District over last year. The mill rate per $1,000 of equalized valuation is projected to be $9.00, a 2.10% increase over the prior year. Attachment C delineates this tax levy scenario and the last fifteen (15) years equalized values and tax levies. The above tax levy scenario also presumes a 1% increase in the Equalized Property Values.

Summary

The budget adoption cycle for Wisconsin school districts is such that the School Board does not adopt a final budget until October of each year, despite the fact that the fiscal year begins July 1st. The primary reason for this delay in the budgeting timeline is that many of the factors are not known until September (equalized property values and student count date) and October (certification of the state aid).

The proposed 2009-2010 budget assumptions continue to support all of the current instructional programs of the district, taking into consideration the beliefs, parameters and objectives of the Strategic Plan. Budget development is a dynamic and continuous process until the Board formally adopts the budget on or before November 1st.

Administration will be presenting these budget assumptions as the basis for the District’s Preliminary 2009-2010 Budget at the Public Hearing of the Budget on September 14th. As always, the budget is developed and implemented with the ultimate goal of meeting the needs of all the students in the District.

The Audit, Budget and Finance Committee reviewed the presented budget assumptions and projected tax levy and unanimously agreed to forward this preliminary budget to the Board for approval.

Administrative Recommendation

Administration requests that the Board of Education concur with the Audit, Budget and Finance Committee’s recommendation to approve the 2009-2010 Budget Assumptions contained in Attachment A and to use these assumptions to formulate the preliminary budget to be used at the Public Hearing of the Budget.

Administration also requests that the Committee recommend that the Board authorize the payment of all currently authorized staff compensation and other expenditures to continue at the discretion of Administration, up to the levels authorized in the 2008-2009 budget, until the 2009-2010 budget is formally adopted in October.

Renewal of Southeastern Wisconsin School Alliance Membership

For the past six (6) years, Kenosha Unified has participated in the Southeastern Wisconsin School Alliance (SWSA) which provides school officials and parents with objective, non-partisan information and training needed to be strong advocates for educational excellence. The Alliance serves 35 urban and suburban school districts with a combined enrollment of more than 240,000 students.

The SWSA’s overall goals are to:

♦ Conduct Research and provide Legislative Advocacy for Public Education;

♦ Assist school districts in developing Organizational Capacity and Communications Skills to better promote Education; and

♦ Foster and Expand Educational Partnerships in the region.

The Alliance meets at least once a month and the annual membership fee is $3,000. Attached is the required resolution to be approved by the Board to participate in the Alliance and the 66.03 Agreement that authorizes the School District of South Milwaukee as the fiscal agent to manage the Alliance funds.

The Audit, Budget and Finance committee reviewed the agreement and discussed the benefits to the District at the July meeting. The Committee unanimously approved renewing the District’s participation in SWSA for the 2009-2010 school year.

Administrative Recommendation

Administration requests that the Board of Education concur with the Audit, Budget and Finance Committee’s recommendation and approve the attached resolution and membership in SWSA for the 2009-2010 fiscal year and authorize Board Officers and District Administration to execute any and all documents relating to the renewal.
