BORROWING, BONDS AND PROMISSORY NOTES

The Superintendent of Schools may recommend that the School Board borrow funds to meet expenses until state aids or tax monies are available to purchase, erect or improve school buildings, acquire sites, equip school buildings, refund indebtedness, meet contracted obligations and for other purposes. The Superintendent and/or designee may recommend to the Board that such loans may be obtained in the form of short-term promissory notes, long-term promissory notes and bonds. School District debt limits shall be governed by state law.

Bonds – The District shall attempt to obtain the lowest possible interest rates and maximum economic returns on bonds through competitive bids or negotiations. The Chief Financial Officer shall select bonding attorneys for legal advice and assistance for the entire period of bond approval and issuance consistent with Board policies.

The Chief Financial Officer shall be responsible for recommending the designated paying agent for bonds and for recommending debt service payments.

a. The designation of paying agent may be specifically made in the bond prospectus or left to the discretion of the successful bidder.

b. The disbursement of funds from a bond issue will be limited to a period ending one year prior to the last principal payment on that particular bond issue. At the end of the period, all remaining funds in the bond issue shall be placed in the sinking fund for payment of principal and interest on that bond issue.
