RULE 7210
FORECASTING ENROLLMENTS

Forecasting Enrollments

1. The Department of Educational Accountability will be responsible to the Superintendent of Schools for forecasting enrollments delineated by race, needs, and special achievement to be used in planning educational facilities and making decisions on such matters as school admissions and assignment of students to schools that reflect the diversity of the District. In forecasting enrollments, local, state and national trends and other data should be considered.
 - a. Local data includes information such as birth rate statistics, enrollments by grades and by schools, diverse student demographic trends of the School District, building construction permits issued, Chamber of Commerce records, annexations, and employment statistics.
 - b. National data includes information from such sources as the Bureau of Census, the Department of Health and Human Services, the Department of Education, the National Center of Educational Statistics and from federal publications.
2. District enrollment projections shall be released by the Department of Educational Accountability upon approval of the Superintendent and presented to the School Board no later than February 1st of each year.
