

There are times while volunteering on the Dream Playground our ambassador's come across children or their parents in need of some assistance with unexpected situations.

Please consider helping us out by donating items from the list below.

Maybe your school or organization is interested in doing a care supply drive for the Dream Playground?

This would be a great way to involve young people in a community service project for the playground ambassador program. We can work out the details together if you are interested !

Donation drop boxes are located at the following locations listed below.
