

KUSD Request for Hotspot Form

Parents/Guardians can use this form to request a mobile wireless Hotspot for educational use through Summer 2022. Parents/Guardians should list all children enrolled, as each Hotspot will only be assigned to one student.

Parent/Guardian Name (Please Print): _____ Date: _____

Parent/Guardian Phone Number: _____ email: _____

Student Last Name	Student First Name	Student ID	Current School	Current Grade

A mobile wireless Hotspot will be issued to any KUSD student who lacks dedicated internet access at home, with the understanding that the Hotspot is solely configured to work in conjunction with a KUSD issued Chromebook/Device. Each Hotspot will be uniquely paired with a dedicated Chromebook/Device. No other household or personal devices will be able to connect or access the data associated with the KUSD Hotspot.

If a KUSD Hotspot is issued to your student, at **no time** should a student/parent/family member:

1. Attempt to modify the Hotspot.
2. Attempt to modify the configuration of the hardware and software.
3. Use their device for non-educational purposes.
4. Be used by anyone other than a KUSD student. KUSD will review reports of installed filtering/monitoring software to determine usage and content.

The assigned device is to be used for educational purposes only, and further expectations can be found in Policy 6633 Student Technology Acceptable Use Policy. <http://kUSD.edu/techuse>. Parents can review the US Cellular privacy policy here (<https://www.uscellular.com/privacy>).

A Hotspot device guide sheet on proper care and connection has been made available to you. Should the device be returned to the District in inoperable condition and/or damaged beyond normal use, the student and parent/guardian are responsible for the cost of repair or its fair market replacement value. If the device is lost or stolen, replacement expenses at the fair market value on the date of loss will be the responsibility of the student and parent/guardian. The fair market replacement cost for the Hotspot will be \$180. **Students must return the device undamaged and in working condition when requested.** Failure to return the device to the District when requested may result in legal action for the return of its property. Should the District have to initiate any such proceedings, the parent/guardian and student will be responsible for the fees incurred by the District in obtaining the return of its property.
