

Virtual Experience Attendance Contract

Student Success

I am a successful student. I can control the following things that will lead me to a higher level of education!

- I maintain a virtual learning space that is safe, comfortable, and away from distractions.
- I log into my virtual classroom daily.
- I ensure proper school supplies are at my work station.
- I charge my Chrome book nightly and keep it charged.
- I participate in classroom learning by adding comments, questions, and chats that relate to the learning.
- I respond to teachers' requests for participation with 'camera on', as needed for a learning session.
- I complete my google classroom assignments and other class activities daily.
- I regularly check my Google Classroom to monitor my grades and assignments.
- I engage with teachers and peers in a respectful way.
- I communicate with my teachers when I have questions or learning needs for a specific assignment or activity.

Parent/Guardian Success

I am a key part of virtual learning success for this student. I help maintain a healthy learning environment and hold my student accountable for what they can control.

- I pick up technology and virtual learning supplies.
- I create a safe and comfortable learning space, away from distractions, for this student to use daily.
- I contact the school if this student will be absent or late.
- I regularly check on this student's progress towards success by monitoring Google Classroom assignments and grades.
- I hold this student accountable for active participation and work completion in virtual classes
- I communicate with teachers when I have needs and respond to teachers when they contact me.
- I encourage this student to communicate with teachers when they have questions about assignments and learning.
- I ensure school materials/technology are used appropriately and turned in on time.
