

## What is PBIS?

- \* PBIS is a process that focuses on improving our school's ability to teach and support positive behavior for all children.
- \* It is an approach to create a safe and productive learning environment where all children can learn.

## What does PBIS look like at

### Whittier:

- \* Our staff has developed expectations for behaviors in all settings of our school. Expectations are posted throughout the building and on the inside of this brochure.
- \* We will teach, model, practice, and reinforce our expectations of *Be Safe, Be Kind, and Be Responsible*.
- \* We will reinforce positive behaviors by recognizing classrooms and individual students throughout the year.
- \* Parent Information Meetings will be conducted throughout the year.
- \* Information and updates will be shared on our website and our weekly newsletter.

PBIS meets the needs of our

Whittier Community. Our focus is on

achieving social and learning

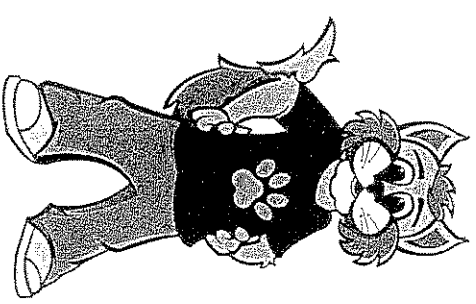

outcomes in a safe and nurturing

environment. It is an approach that

enhances our children's ability to

learn and to be ready for future

learning.
