"A great place to grow"

Dear Whittier Families,

Veterans Day, November 11th, is just around the corner, and we would like to show our appreciation for the members of our Whittier family who have served or who are currently serving in the Armed Forces. We will be having an all school assembly on Monday, Nov. 12th at 9:00am. A note was sent home last week about that. Please let us know if you didn't receive it.

We would also like to make an wall of honor in our main hallway made out of "bricks" displaying Whittier family members who have served or are currently serving. To make a brick, please cut out the shape on the back of this paper. On the "brick" please write the Veteran's full name with rank, branch of service, wars participated in, if applicable, awards and other decorations, and possibly a picture. In addition to this, please include your child's name and relationship he/she has with the Veteran. When you have completed the "brick," send it to school with your child so that they can be added to our "Wall of Honor" in the main hallway of our school. Please return the brick to your child's teacher by Monday, November 5th.

Thank you for your cooperation with this wonderful project to help our students better understand what this day truly means to citizens of the United States.

Sincerely,
PBIS Student Leadership Council
