

LIL' FISH READING PROGRAM

Dear Parents or Guardians,

Whittier Elementary and the Kenosha Kingfish would like to inform you that your child will be participating in the 2019 Lil' Fish Reading Program. In coordination with Whittier Elementary, the Kingfish have set up a program to help encourage your son or daughter to read more!

Here's how it works:

- Your school will set your child's reading goal.
- The Kingfish will provide reading trackers for each student to record their progress.
- Upon completing the program, the Kingfish will provide your child with:
 - Two (2) free Kingfish tickets to your school's night at Historic Simmons Field on **Tuesday, June 4th at 6:35 PM.**

We all know the importance of establishing strong reading skills during a child's youth, and hopefully we can help to do just that with this program.

Family Night:

- Your school's Family Night is **Tuesday, June 4th at 6:35 PM** and tickets will only be valid for this game.
- \$9 discounted tickets will be available for purchase for all additional family and friends for the designated night.
- All tickets will be available for pick up on the night of the game at the ballpark.

If you have any questions, please contact **Maria Schroeder** at 262-653-0900.

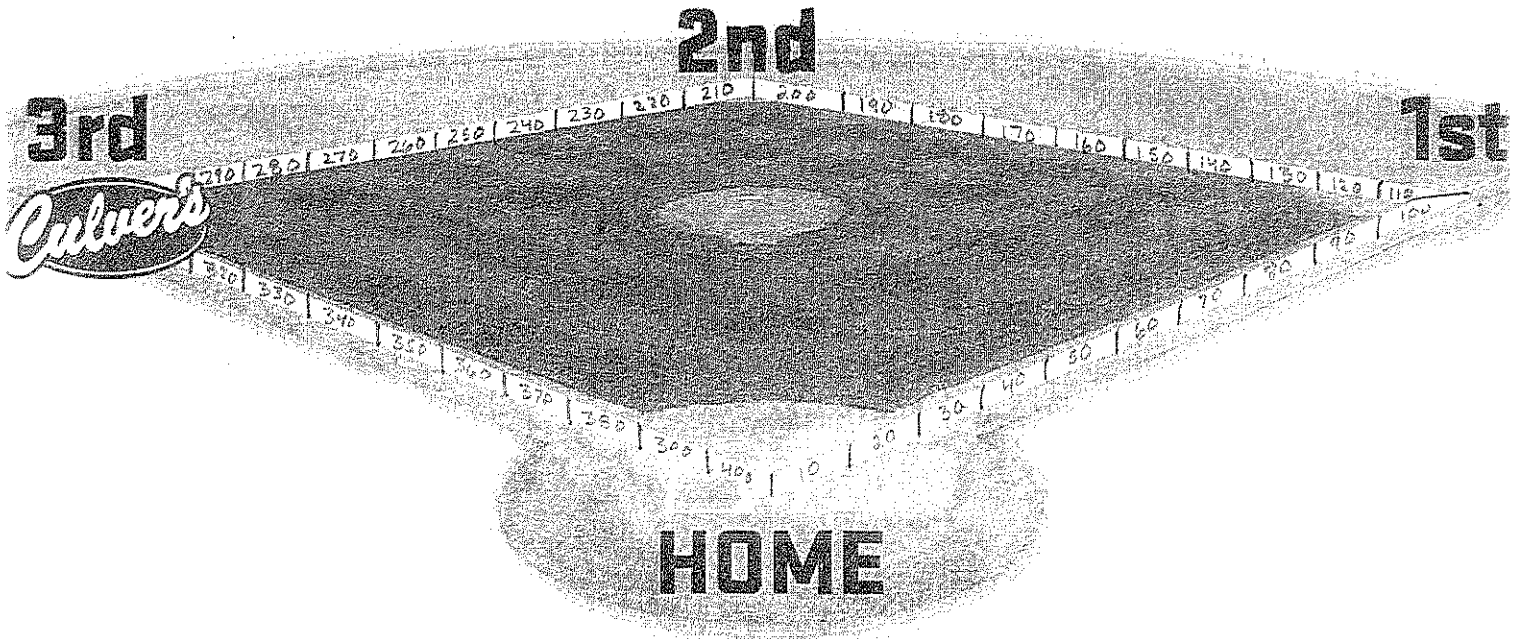

We hope you will join us in encouraging your child to complete the 2019 Lil' Fish Reading Program.

Thank you & Go Kingfish!
