Dear Community Business,

In 2018 Whittier Elementary school embarked on a journey to raise money for a new playground. Our current playground is not rated for the younger students in our school. Our goal is to raise \$25,000 so that we can provide playground equipment that all the children can play on. As educators and parents we understand the importance of a quality playground to build positive play, physical activity, and healthy habits.

On May 4th, the Whittier PTA will be sponsoring a Trivia Night Fundraiser and we are currently looking for items we can include in our silent auction. We would greatly appreciate your ongoing support as we continue to not only grow a family orientated community, but healthy well rounded students.

If you have items to donate please feel free to contact us by text, call, or email and we will happily stop by and pick up your donation. We hope you will find our cause worth your donation! With your donation we will publicly thank your business through social media and our school website.

Again, we thank you for your time and hope we will hear from you soon. Without businesses like yours we would not be able to raise the money necessary to continue on our journey to reach our goal!

Sincerely,

Jake Lawler
Whittier PTA President
