INFORMATION SHEET FOR MIDDLE SCHOOL PARENTS

Using Tell Me More at Home

Middle school students have the wonderful opportunity to participate in additional, independent language instruction through Tell Me More. Tell Me More is an adaptive, Internet-based language program that personalizes learning. The program provides students with exposure to a selected culture and language.

Students will have access to Tell Me More whenever they connect to the Internet. Headsets with microphones can be checked out from the school library. In order to have your child access the program independently, please use the following directions:

1. Log in to: <http://www.tellmoreeducation.com/>.
2. Enter student ID number for the user name.
3. Enter the student ID number for the password.
4. Click on *sign in*.
5. Begin learning language.

1. Log in to: <http://www.tellmoreeducation.com/>.

The screenshot shows a web browser window with the URL 'www.tellmoreeducation.com/login.aspx'. The page features the 'TELLMEMORE' logo and the text 'Welcome to the Education portal'. Below this is a photograph of four diverse students looking at a computer screen. At the bottom of the page, there is a login form with fields for 'User name:' and 'Password:', a 'Sign In' button, and a link for 'Forgot your user name or password?'. A green arrow points from the first step of the instructions to the URL in the browser's address bar. Another green arrow points from the second and third steps to the 'User name:' and 'Password:' fields respectively. A third green arrow points from the fourth step to the 'Sign In' button.

2. Enter student ID.
