A. Approval of Minutes - July 8, 2014 Joint Personnel/Policy &	49
Curriculum/Program and July 8, 2014 Curriculum/Program	

- B. Information Items
  - 1. Head Start Semi-Annual Report
  - 2. Talent Development Program Update 56
- C. Future Agenda Items
- D. Adjournment

There may be a quorum of the board present at these Standing Committee meetings; however, under no circumstances will a board meeting be convened nor board action taken as part of the committee process. The three board members who have been appointed to each committee and the community advisors are the only voting members of the Standing Committees.

52

A meeting of the Kenosha Unified Planning/Facilities/Equipment Committee chaired by Mr. Flood was called to order at 5:31 P.M. with the following Committee members present: Mr. Kunich, Mr. Valeri, Mrs. Bothe, Mr. Zielinski, and Mr. Flood. Dr. Mangi was also present. Ms. Stevens was excused. Ms. Iqbal was absent.

# Approval of Minutes – February 11, 2014

Mr. Zielinski moved to approve the minutes as presented. Mr. Valeri seconded the motion. Unanimously approved.

#### Information Items

Mr. Patrick Finnemore, Director of Facilities, presented the Safety/Security Advisory Committee Update as contained in the agenda. He noted that the Informacast system was now operational on the KUSD server and will be piloted at Brass Community School. He said that KUSD will participate in a county-wide emergency exercise and noted that Voice over IP installation is complete in all school offices. The next goal is full school Voice over IP installation at the middle schools. Camera installation continues with replacement of the oldest and least effective cameras during 2014-15, and once the project is complete, the district will have approximately 1,200 cameras all integrated in the new system within the District.

Mr. Finnemore presented the Capital Projects Update. He gave a brief update on the status of energy efficiency projects, security projects, the eSchool relocation, and the KTEC expansion as contained in the agenda. Mr. William Hittman, Principal at LakeView Technology Academy, presented an update on the LakeView expansion. He indicated that it has been decided to postpone any action on this project for one month. The Committee will be updated at an upcoming Committee meeting once a decision is made on whether or not the project will move forward this year or be postponed until next year.

#### Future Agenda Items

Mr. Finnemore noted that he would have a Town of Somers Easement and an Athletics Committee Update for the agenda next month.

Mrs. Bothe moved to adjourn the meeting. Mr. Valeri seconded the motion. Unanimously approved.

Meeting adjourned at 6:04 P.M.

Stacy Schroeder Busby School Board Secretary

A meeting of the Kenosha Unified Planning/Facilities/Equipment Committee chaired by Mr. Flood was called to order at 5:32 P.M. with the following Committee members present: Mr. Flood and Mrs. Coleman. Dr. Mangi was also present. Mr. Kunich, Mr. Valeri, and Mr. Zielinski were excused. Ms. Stevens, Mrs. Bothe, and Ms. Iqbal were absent.

Mr. Flood noted that a quorum was not present; therefore, no action on items would be taken and that necessary items would be moved forward to the full Board for consideration.

# Approval of Minutes – May 13, 2014

No action was taken due to a quorum not being present. This item will be brought back next month for action.

# Town of Somers Easement – Sewer Main

Mr. Patrick Finnemore, Director of Facilities, presented the Town of Somers Easement – Sewer Main. He indicated that the Town of Somers has requested School Board approval of an easement associated with the installation of a sewer main scheduled for this fall. The easement would be on the north and west sides of the Somers Elementary School property. Currently the Town has an easement running on the north side of the property along County Highway E for a water main installed several years ago. The new easement would run 20 feet inside of the current easement along Highway E for the full length of the north side of our property and then head south along Highway EA for the full length of the west side of our property. The work is scheduled to take place this fall sometime after the start of the school year with an estimated one month project duration period. Because the project will take place during the school year and disrupt the school grounds, the Town has agreed to the specific stipulations as part of the scope of their work.

No action was taken due to a quorum not being present. This item will be forwarded to the full Board for consideration.

#### Information Items

Mr. Patrick Finnemore, Director of Facilities, and Mr. Steven Knecht, Coordinator of Athletics/Physical Education, presented the Sports Advisory Committee Update. They indicated that since the January 28, 2014, approval of the formation of a new Sports Advisory Committee the Committee was formed and has met several times. They have been working on developing detailed conceptual site plans for the athletic facilities at the comprehensive high schools focusing most of the attention on Bradford and Tremper. The key topics being considered and evaluated by the Committee are:

- Locating the football/soccer/track stadium on the Bradford site instead of the Bullen site;
- Evaluating the merits of synthetic turf for the infields of the varsity baseball and softball fields at all three comprehensive high schools; and
- Conceptual plans for the three schools including the Bullen and Anderson Park improvements related to Bradford and Tremper along with pricing for the conceptual plans.

They noted that a final report would be presented to the Planning/Facilities/Equipment and the Audit/Budget/Finance Committees this fall containing the recommendations related to the outdoor athletic facilities. The recommendations will include a scope of work, cost estimates, a proposed funding plan, as well as a schedule for the Committees and the board to consider.

Mr. Finnemore presented the Capital Projects Update. He gave a brief update on the status of energy efficiency projects, security projects, the eSchool relocation, the KTEC expansion, and the LakeView expansion as contained in the agenda. He also noted that a recommendation will be brought to the Committee in the upcoming months to reconvene the Long Range Facilities Planning Committee to evaluation some potential future capital projects.

Mr. Finnemore presented the Utility and Energy Savings Program Update as contained in the agenda. He noted that he anticipated use of the full budget this year as 86% of the overall utility budget has been spent compared to 73% last year at this time due to gas prices and the usage spike.

# Future Agenda Items

The Long Range Facilities Planning Committee item will be added to a future agenda as noted by Mr. Finnemore above.

Mr. Finnemore noted that he did not believe the Committee would be meeting in July.

Meeting adjourned at 5:56 P.M.

Stacy Schroeder Busby School Board Secretary This page intentionally left blank

#### KENOSHA UNIFIED SCHOOL DISTRICT Kenosha, Wisconsin

# August 12, 2014 Planning/Facilities/Equipment Committee

## PROVISIONS GOVERNING THE TRANSPORTATION OF STUDENTS ATTENDING PUBLIC AND PRIVATE SCHOOLS FOR THE 2014-2015 YEAR

The following provisions for the transporting of students attending public and private schools will become effective from and after the fifteenth day of August 2014. (These provisions relate to Board Policies 3545 and 3545.4.)

#### **Students Attending Public Schools**

- 1. Pursuant to Wisconsin Statutes, transportation shall be provided to all students residing in the City of Kenosha, Village of Pleasant Prairie, and Town of Somers who live two or more miles from the public school to which they are assigned.
- 2. Pursuant to Wisconsin Statutes relating to transportation in area of unusual hazards, transportation shall be provided to all elementary schools, kindergarten through grade 5, who resides in the Village of Pleasant Prairie, Town of Somers (except elementary school students residing within the attendance areas of Forest Park, Grant, Strange, and Harvey Elementary Schools), and certain designated areas in the district as described below.
- 3. Transportation will be provided for all students residing in the corporate limits of the City of Kenosha and living west of Highway 31 and for Bradford High School students where the only access road is Highway 31.
- 4. Transportation will be provided to students residing within the corporate limits of the City of Kenosha who attend 4k kindergarten through grade 5 of the elementary school located outside the corporate limits of the City of Kenosha.
- 5. Transportation will be provided for students who reside within the Bose Elementary School attendance area east of the Chicago and Northwestern Railroad tracks and for students who reside west of 22<sup>nd</sup> Avenue.
- 6. Transportation will be provided for students who reside within the Jeffery Elementary School attendance area on the south side of 89<sup>th</sup> Street, west of 22<sup>nd</sup> Avenue, and east

of 39<sup>th</sup> Avenue and for students residing within the corporate limits of the City of Kenosha north of 85<sup>th</sup> Street and west of 39<sup>th</sup> Avenue.

- Transportation will be provided to students residing within the Strange Elementary School attendance area north of 52<sup>nd</sup> Street until such time that the City of Kenosha will provide improved walking areas.
- 8. On a temporary basis, subject to annual review, transportation will be provided for students attending and residing within the Grant Elementary School attendance area south of Highway 142 and west of the old Chicago-Milwaukee North Shore Railroad right-of-way.
- 9. No transportation will be provided for students who are voluntary enrolled in alternative programs, participating in part-time and full-time open enrollment programs, or participating in Recreation Department programs
- 10. Elementary students (grades 4k through 5) may be required to walk up to 1 mile to an authorized school bus pick-up point. Students in grades 6 through 12 may be required to walk up to 1 mile to a school bus pick-up point. Exceptions to these distances may occur in areas considered "unusually hazardous" and will be subject to approval by the Supervisor of Transportation.
- 11. Students supervised before and after school by a day care center located within the attendance area of the school may be bused to the school. The Superintendent will make recommendations to the Board relative to any exceptions to this policy.
- 12. Transportation will be provided to students attending the academy portion of Indian Trail High School, residing less than two miles from school, until such time that the City of Kenosha will provide improved walking areas and are in the attendance boundary of ITHS.
- 13. Students attending schools of choice are not provided transportation. Lakeview Technology Academy (LTA) students may request bus service to their boundary high school and ride a District provided shuttle bus from their boundary high school to LTA. Students are then shuttled back to their boundary high school for transportation rides home. (Note: Harborside will be allowed to use the boundary high school routes and take a shuttle to and from Harborside so long as Harborside continues to pay for their transportation.)
- 14. Transportation will be provided to students who reside in Lance Middle School attendance area who live on Cooper Road, or West of Cooper Road until such time that the Village of Pleasant Prairie provides improved walking areas. Students may be required to walk no more than 200 ft. on Cooper Road.
- 15. Students who reside on Highway "H", 39<sup>th</sup> Avenue, and Springbrook Road may be required to walk no more than 200 ft. on these roads.

16. Transportation will be provided to students who reside in the Bradford High School attendance area who are less than 2 miles but become more than 2 miles due to the Hazardous walk zone along Washington Road from East of Highway 31 to 39<sup>th</sup> Avenue.

#### **Students Attending Private Schools**

- 1. Pursuant to Wisconsin Statutes, transportation shall be provided to students attending private schools on the same basis as set forth above for students attending public schools with the additional provisions listed below.
- 2. Pursuant to Wisconsin Statutes, students residing in the school district who attend private schools located not more that five miles beyond that boundaries of the school district but within the state are eligible for transportation. In lieu of district bus transportation, parent contracts will be offered to the parent or guardian of each eligible pupil in accord with Wisconsin Statutes.
- 3. Pursuant to Wisconsin Statutes, transportation will be provide as set forth above to the private school located in the attendance area in which the pupil resides.

#### **Transportation for Students with Exceptional Needs**

1. Pursuant to Wisconsin Statutes, transportation shall be provided for children with exceptional education needs, regardless of distance, if such request (or such transportation) is approved by local and state authorities. Approval shall be based on whether or not the child can walk to school with safety and comfort.

# **Other Provisions Concerning the Transportation of Students**

- 1. Pursuant to Wisconsin Statutes, the Board is empowered to administer, set transportation routes and schedules, secure necessary information, make reports, and apply for and receive aids for the transportation of both public and private school pupils actually transported.
- 2. Insofar as possible, administrators of private schools shall be requested to coordinate their school calendars with the public school calendar.
- 3. Transportation will be provided for public and private school students as approved by the Board to implement state-mandated programs and federal programs.

- 4. Insofar as possible, bus stops for students with exceptional needs and Head Start students are to be designated near to and on the same side of the street as the residence unless bus aids are provided or other arrangements are made with the parent through the district Transportation Office.
- 5. The provisions of this policy statement as set forth above shall apply in all instances except those in which extraordinary conditions are held to prevail and shall be subject to further review pending any required adjustments due to unforeseen circumstances.
- 6. Administration will be responsible for establishing and maintaining bus routes in accordance with this policy and changes in student population.

# Additional Transportation Update

2014-2015 is the final year of a 5 year contract with First Student for transportation services. Over this 5 year contract we had added GPS and video cameras successfully on all of our school buses to improve service and safety for our district bus riders. In 2013-2014 we successfully added bus service to our 4k program in the district. Over the course of this contract we believe that First Student has done an exceptional job working with the district to fulfill our student needs and requirements. Because of this successful relationship, we will be looking to negotiate another five year contract extension. As part of this extension we will be looking at the possible addition of a tracking system called Z-Pass to our special needs bus routes. This is a student tracking service that will assist the district in tracking bus ridership for our special needs students. This will assist the district in reports for claiming Medicaid reimbursements based on student ridership. Once the Z-Pass system is operating effectively, the district may consider expanding this tracking system to all of our elementary students as well. We will keep the Board apprised of our negotiations with First Student and will bring a recommendation forward to the Board prior to the end of this coming school year.

#### **Recommendation**

Administration recommends that the Planning/Facilities/Equipment Committee forward the Provisions Governing the Transportation of Students Attending Public and Private Schools for the 2014-2015 Year to the School Board for consideration.

Dr. Sue Savaglio-Jarvis Superintendent of Schools Mr. Patrick Finnemore, PE Director of Facilities

Jeffrey Marx Supervisor of Transportation Services

# KENOSHA UNIFIED SCHOOL DISTRICT Kenosha, Wisconsin

#### August 12, 2014 Planning/Facilities/Equipment Committee

## Informational Report

# CAPITAL PROJECTS UPDATE

#### 2014-15 Major Maintenance Projects:

With the end of the school year and the start of the new fiscal year, implementation of the new fiscal year's major maintenance projects is in full swing. Many of the projects are complete and the majority of the others are scheduled to be completed prior to the start of the upcoming school year. Some of the more significant projects that have been completed include:

- Replacement of the north playground/parent drop-off area at Somers Elementary School.
- Replacement of the carpeting in the library at Jeffery Elementary School.
- Asbestos abatement at the 5 schools at which we are performing large energy projects.
- Installation of new windows at Forest Park Elementary School (see picture in the Attachment.

Projects that are nearing completion include:

- Roofing and masonry repairs at Whittier and Stocker Elementary Schools.
- Replacement of the asphalt driveway and parking lots on the west and north side of Bullen Middle School.
- Sidewalk replacement at Southport Elementary School.
- Asbestos abatement and replacement of the gym floor at Forest Park Elementary School

# Act 32 Energy Efficiency Projects:

The School Board approved implementation of energy efficiency projects at nine elementary schools over the course of the next two years at the August 27, 2013, regular Board meeting. A significant amount of work has been completed so far this summer and all 5 schools are on schedule in regards to the work that needs to be completed this summer. The attachment contains a handful of pictures of the projects in progress.

# Security Projects:

Implementation of the security related improvements associated with the second year of a three-year plan approved by the Board at the June 25, 2013, meeting is well underway. Work completed includes camera installation at the following schools: Chavez, eSchool, Jefferson, Jeffery, KTEC, Prairie Lane and Somers, and VoIP installations at: Bullen, eSchool, KTEC, Lance, Lincoln and Washington.

# Special Projects:

**Kenosha eSchool** – The last remaining scope item was replacement of the parking lot; that work was completed in early July, so this project is now complete.

**KTEC** – A number of major items have been completed since the last update including replacement of the roof over the gymnasium and cafeteria, replacement of the main parking lot, creation of bathrooms in the pre-school classrooms, painting of the school, renovation of the main office, and many other items that are too many to list. The school staff has been busy cleaning and prepping the classrooms, and the overall project is in excellent shape in regards to being ready for the start of the school year.

**Long Range Planning** – We will be bringing a recommendation forward in the fall to reconvene our Long Range Facilities Planning Committee to evaluate some potential future capital projects.

# KENOSHA UNIFIED SCHOOL DISTRICT Kenosha, Wisconsin

# August 12, 2014 Planning/Facilities/Equipment Committee

# END OF YEAR UTILITY & ENERGY SAVINGS PROGRAM REPORT

The purpose of this report is to provide the year-end summary of the 2013-14 utilities budget and the operational energy savings program.

# Utilities Budget Update:

The following is a brief summary of the costs incurred for natural gas, electricity, and the entire utilities budget.

- We spent \$501,626 more on natural gas this year as compared to last year.
- We spent \$107,184 more on electricity this year as compared to last year.

The table below shows the overall utility cost vs. budget for the past three years:

Year	Budget	Actual	Balance	% Expended
2014	\$4,548,000	\$4,538,011	\$9,989	99.78
2013	\$4,548,000	\$3,880,439	\$667,561	85.32
2012	\$4,548,000	\$3,934,382	\$613,618	86.51

The 2013-14 fiscal year is an excellent example of the volatility of the energy consumption and rates from year to year and why it is important to maintain a budget that protects the district from this volatility. In addition to experiencing a much colder than normal winter this year, we also had significant price spikes in the natural gas rates which drove our utility costs up. This happens periodically due to a number of factors including how cold the winter is, the amount of gas in storage at the start of the heating season, the effects of hurricanes on the production process, etc. We experienced similar price spikes in the winters of 2001, 2006, and 2008. The hope for improved weather, completion of some long-needed pipeline repairs and increased injection into natural gas storage has moderated the natural gas pricing going into this winter, although there are never any guarantees on utility commodities.

The table below shows the changes in electric and gas rates over the past four years as compared to the base year of 2010-11

Year	\$/kWh	% Inc.	\$/Therm	% Inc.
10-11	\$0.1163		\$0.8660	
11-12	\$0.1259	108%	\$0.8966	104%
12-13	\$0.1247	107%	\$0.7369	85%
13-14	\$0.1274	110%	\$0.9876	114%

# **Operational Energy Program Update:**

The following is a brief summary of the amount of energy saved for the 2013/2014 school year. Please see the attachment for energy savings by school:

	2013-14	2012-13
Electricity Saved (KWh)	8,114,465	8,463,710
Gas Saved (Therms)	588,978	557,534
Dollars Saved	\$1,365,320	\$1,187,608

The energy efficiency program continues to demonstrate a great degree of success saving over \$1.4M during the 2012-13 fiscal year, when including both the school year data summarized above with the summer month data. The savings were a result of the combined efforts of the Facilities Department and the staff, students and administration of our schools to use energy wisely and adhere to the energy policy.

We feel a key component to our successful energy program is our inspection schedule. During the heating season thirty-three night time building inspections were conducted by the Utilities Manager and the Maintenance Supervisor. Each room within Kenosha Unified buildings received at least 1 inspection. The rooms were checked for temperature; nighttime set back; cleaning; safety and maintenance issues. Any problems discovered were documented and forwarded to the proper area for correction. The building principal and head custodian were provided a copy of the report and encouraged to provide feedback.

The table on the following page shows the history of annual energy savings compared to our base year of 2003. The totals are extremely impressive when you consider that the dollars saved are the equivalent of almost 2.25 years' worth of utility expenditures and the electricity and gas savings totals are equivalent to 3.6 and 1.85 years' worth of district-wide consumption respectively.

Year	Dollars Saved	kWh Saved	Therms Saved
13-14	\$1,498,548	9,336,061	596,463
12-13	\$1,364,085	10,195,271	571,667
11-12	\$1,287144	10,136,275	432,629
10-11	\$917,049	7,033,052	453,438
09-10	\$766,397	6,493,916	311,113
08-09	\$755,632	6,211,460	305,966
07-08	\$694,178	5,608,806	304,082
06-07	\$461,061	4,281,640	185,610
05-06	\$411,517	3,869,932	152,279
04-05	\$191,935	2,750,697	49,189
Total	\$8,347,546	65,917,110	3,362,436

Percent savings have been relatively steady for the past three years (FY2012-FY2014) which is a strong indication that we may be at or near the realistic annual savings that this program can generate. Large increases in energy savings will be generated by the major energy projects taking place this summer. Operational program oversight must continue to make sure that savings do not slip for the operational program and that we realize the maximum energy savings possible from the project buildings (Forest Park, Harvey, Grant, Bose and Grewenow).

Dr. Sue Savaglio-Jarvis Superintendent of Schools

Mr. John Allen Distribution and Utilities Manager Mr. Patrick Finnemore, PE Director of Facilities

Mr. Kevin Christoun Maintenance Supervisor

A meeting of the Kenosha Unified Personnel/Policy Committee chaired by Mr. Kunich was called to order at 5:34 P.M. with the following Committee members present: Mr. Bryan, Mrs. Snyder, Mrs. Butler, Mrs. Morrison, Mrs. Dahl, and Mr. Kunich. Mrs. Burns arrived later. Dr. Mangi was also present. Mrs. Hamilton was excused. Ms. Morgan was absent.

# Approval of Minutes – May 13, 2014 Joint Audit/Budget/Finance & Personnel/Policy, May 13, 2014 Joint Personnel/Policy & Curriculum/Program, and June 10, 2014 Personnel/Policy

Mr. Bryan moved to approve the minutes as presented. Mrs. Butler seconded the motion. Unanimously approved.

# School Board Policy 5431 – Student Dress Code

Dr. Bethany Ormseth, Assistant Superintendent of Secondary School Leadership; Dr. Floyd Williams, Assistant Superintendent of Elementary School Leadership; and a student representative from the Student Dress Code Ad Hoc Committee presented the recommended changes to School Board Policy 5431 – Student Dress Code as contained in the agenda.

Mrs. Burns arrived at 5:39 P.M.

A discussion took place regarding the student identification card language. It was suggested that the Ad Hoc Dress Code Committee reconvene to discuss this portion of the policy and present it back to the Committee.

Mrs. Snyder moved to approve School Board Policy 5431 – Student Dress Code excluding the student identification card portion. Mr. Bryan seconded the motion. Unanimously approved.

# Information Items

There were no questions or comments on the Recommendations Concerning Appointments, Leaves of Absence, Retirements, and Resignations.

# Future Agenda Items

Policy 5431 – Student Dress Code will return to the Committee to discuss the student identification portion of the policy.

Meeting adjourned at 5:57 P.M.

Stacy Schroeder Busby School Board Secretary

A joint meeting of the Kenosha Unified Personnel/Policy and Curriculum/Program Committees chaired by Mr. Kunich was called to order at 5:28 P.M. with the following Committee members present: Mr. Bryan, Mrs. Snyder, Mrs. Burns, Mrs. Butler, Mrs. Morrison, Mrs. Dahl, Ms. Stevens, Mr. Wade, Mrs. Karabetsos, Mrs. Kenefick, Mrs. Santoro, Mrs. Renish-Ratelis, and Mr. Kunich. Dr. Mangi was also present. Mrs. Hamilton and Mrs. Daghfal were excused. Ms. Morgan and Ms. Galli were absent.

# Policy and Rule 6440 – Course Option Enrollment

Mr. Kristopher Keckler, Executive Director of Information & Accountability, presented Policy/Rule 6440 – Course Option Enrollment. He explained that the Course Option Enrollment is a new program mandated by the State of Wisconsin that takes effect at the start of the 2014-15 school year. The Department of Public Instruction (DPI) has established an expectation that local school boards adopt policies and/or procedures respective to the Course Options program, thus the creation of this policy. The program allows for students in any grade (K-12) to have the opportunity to enroll in up to two courses at a time through an Institution of Higher Education or other DPI approved program at no cost to the student with the resident district being required to pay a DPI determined amount to the educational institution. A resident school district must reject the application if the course does not satisfy a high school graduation requirement or the course does not conform to or support a student's academic and career plan, if one exists. He indicated that a budget assumption will have to be established as well as any internal resources for managing enrollment requests and coordination between the educational institutions.

Mr. Keckler noted that because the program is new there has not been substantial guidance from DPI and many questions have not yet been answered.

It was recommended that an update on this item be presented to the Committee at a later date.

Mr. Bryan moved to forward Policy/Rule 6440 – Course Option Enrollment to the full Board for approval. Mrs. Karabetsos seconded the motion. Unanimously approved.

# Information Items

There were no information items listed.

# Future Agenda Items

An update on the Course Option Enrollment program will be presented at a later date as recommended above.

Meeting adjourned at 6:22 P.M.

Stacy Schroeder Busby School Board Secretary This page intentionally left blank

# Kenosha Unified School District Kenosha, Wisconsin

## August 12, 2014 Personnel/Policy Standing Committee

# School Board Policy/Rule 1110 - Parent/Guardian/Caregiver Surveys

Rationale: This change will increase district transparency, accountability, and communication with Parents and Guardians.

-Kyle Flood

POLICY 1110

# PARENT/GUARDIAN/CAREGIVER SURVEYS

A District-wide survey shall be conducted <del>once</del> every <del>three</del> years</del> to obtain parent/guardian/caregiver opinions regarding school operation and student success. The survey shall be developed by the Office of Educational Accountability in accordance with established procedures and with input from the building level **and final approval by the Board**.

RULE 1110

# PARENT/GUARDIAN/CAREGIVER SURVEYS

- 1. The parent/guardian/caregiver survey will consist of a written questionnaire/focus groups/electronic survey or standardized survey instrument such as a school climate survey. Accommodations for language and disability/handicap conditions are expected
- 2. All surveys will have a series of identical questions to allow for a comparison of results. Questions relative to playground safety will be incorporated in the parent/guardian/caregiver survey. Building principals may develop additional questions reflective of individual building informational needs.
- 3. The parent/guardian/caregiver survey will be conducted during the time frame of early spring (March- April) every three years using a statistical sampling of parents/guardians/caregiver conducive to each building.

- 4. The building principal will be responsible for administering the survey with the Office of Educational Accountability providing summaries of the results. A process of standardization of survey summaries will be implemented. Principals will be responsible for summarizing the results of building specific questions and reporting the results to the Superintendent of Schools or designee.
- 5. Principals will disseminate to parents/guardians/caregivers the results of the survey and how they plan to use the results for school improvement.
- 6. An executive summary of the surveys shall be compiled by the Office of Educational Accountability and presented to the School Board not later than the second regular meeting in September of the year the survey was administered.

# Kenosha Unified School District Kenosha, Wisconsin

# August 12, 2014 Personnel/Policy Standing Committee

# School Board Policy/Rule 1131 - Memorials/Dedications Within Schools

Rationale: This change will allow teachers to be recognized for their extraordinary work.

-Kyle Flood

POLICY 1131

# MEMORIALS/DEDICATIONS WITHIN SCHOOLS

As an integral part of acknowledging citizen participation in public school improvement, the School Board shall allow memorial plaques and/or dedication plates to be placed in particular rooms or areas within District buildings in recognition of citizens who made significant contributions to public education in the District. Former students, employees, or taxpayers may be considered for such recognition under certain circumstances such as death. The Board may hold appropriate dedication ceremonies.

# RULE 1131

# MEMORIALS/DEDICATIONS WITHIN SCHOOLS

The following procedures shall be used in establishing memorials and conducting dedications within District schools:

- 1. A memorial plaque and/or dedication plate may be placed in a particular room or area within a District school in an individual's honor under the following conditions:
  - a. Memorials or dedications in recognition of a person's contribution to public education in the District may only be made after the death of the person who is being considered for recognition.
  - b. Because the main purpose of the Board's policy and these procedures is citizen recognition, District employees shall not be eligible for recognition through a memorial or dedication, unless they have been employed fewer than six months in the District or their death is directly related to their employment with the District. Former School Board members are exempted from the six-month employment stipulation.

- **be**. Students who have died during their time of attendance at a District school may be recognized through a memorial or dedication.
- **cd**. An individual can be considered for a memorial or dedication upon the first anniversary of his/her death. In the case of a memorialization of a student or District employee, such dedication may take place sooner than one year under appropriate circumstances.
- **de**. No District monies shall be expended for memorial plaques and/or dedication plates, except as required for installation purposes.
- **ef**. Written permission from family members shall be obtained prior to making final arrangements for a memorial or dedication.
- 2. Before consideration is given for placement of a memorial plaque and/or dedication plate in a particular room or area within a District school, a resolution signed by at least four Board members is required. Any citizen in the District may draft a resolution. The resolution shall be presented to the Board for formal action.
- 3. The Superintendent of School's Office shall be responsible for coordinating the placement of approved memorial plaques and/or dedication plates within District buildings. A committee appointed by the Superintendent shall plan the dedication program and ceremonies.
- 4. Memorial plaques or dedication plates placed in particular rooms or areas within a District school shall not be removed within 20 years of placement, except in the case of building demolition or decommission.

KENOSHA UNIFIED SCHOOL BOARD AUDIT/BUDGET/FINANCE MEETING Educational Support Center – Room 110 June 10, 2014 MINUTES

A meeting of the Kenosha Unified Audit/Budget/Finance Committee chaired by Mr. Wade was called to order at 6:00 P.M. with the following Committee members present: Mr. Flood, Mr. Bryan, Mr. Kent, Mr. Aceto, Mr. Holdorf, and Mr. Wade. Dr. Mangi was also present. Mrs. Marcich and Mrs. Dawson were excused. Mr. Coleman and Ms. London were absent.

# <u>Approval of Minutes – April 8, 2014 and May 13, 2014 Joint Audit/Budget/Finance</u> and Personnel Policy

Mr. Bryan moved to approve the minutes as contained in the agenda. Mr. Kent seconded the motion. Unanimously approved.

# Information Items

Mr. Tarik Hamdan, Interim Chief Financial Officer, presented the Monthly Financial Statements as contained in the agenda. He noted that the increase in salary and benefit costs is due to the change in payroll periods as mentioned last month. He indicated that the vacancy and long-term leave budgets are continued to be monitored with anticipation of surplus.

Mr. Hamdan presented the Summary of Grant Activity as presented in the agenda. Dr. Mangi indicated that a lunch program grant is being looked into and if the District decides to move forward with it that it would be brought to the Committee next month.

Mr. Hamdan presented the Budget Assumption Update. He distributed and discussed a 2015 fiscal year preliminary budget assumptions spreadsheet which included revenue changes, expense reductions, budget assumptions, and a wish list. He indicated that the budget is currently balanced as presented. He noted that the assumptions are preliminary as the assumptions are based on projections and that changes can be expected.

#### Future Agenda Items

The lunch program grant mentioned by Dr. Mangi will brought forward to the Committee if the District decides to move forward with it.

Mr. Bryan moved to adjourn the meeting. Mr. Flood seconded the motion. Unanimously approved.

Meeting adjourned at 6:33 P.M.

## KENOSHA UNIFIED SCHOOL DISTRICT Kenosha, Wisconsin

#### August 12, 2014 Audit/Budget/Finance Committee

# Renewal of Southeastern Wisconsin School Alliance Membership

For the past eleven (11) years, the District has participated in the Southeastern Wisconsin School Alliance (SWSA) which provides school officials and parents with objective, non-partisan information and training needed to be strong advocates for educational excellence. The SWSA serves over 25 urban and suburban school districts with a combined enrollment of more than 240,000 students.

The mission of the SWSA is to support and promote world class schools through research, advocacy, public policy and effective communication for the benefit of students and the economic vitality of the region. The SWSA is guided by the following six core beliefs:

- A strong public school system is essential for educating all students to become contributing members of society.
- A world class education is an investment in a vibrant community and a strong economy.
- A collective commitment to high quality education requires strong, proactive, courageous leadership at all levels.
- Educating and informing stakeholders creates ownership and advocacy for public education.
- Regional collaboration and healthy dialogue among school, business, government, and community groups promote effective public policy.
- Objective and accurate information, research, and data provide the foundation for sound public policy.

The SWSA meets at least once per month and the annual membership fee is \$3,000. Attached is the required resolution to be approved by the Board to participate in the Alliance and the 66.0301 Agreement that authorizes the School District of South Milwaukee as the fiscal agent to manage the SWSA funds. Also included is the proposed budget for the SWSA and the current participating member school districts.

#### RECOMMENDATION

Administration recommends that the Audit/Budget/Finance Standing Committee forward the Renewal of the Southeastern Wisconsin School Alliance Membership to the full Board with the recommendation of approval of the attached resolution and membership in SWSA for the 2014-2015 fiscal year and of authorization of Board Officers and District Administration to execute any and all documents related to the renewal.

Dr. Sue Savaglio-Jarvis	Sheronda Glass
Superintendent of Schools	<b>Executive Director of Business Services</b>

# RESOLUTION

# SOUTHEASTERN WISCONSIN SCHOOL ALLIANCE

BE IT RESOLVED that the School District of South Milwaukee retain DeWitt, Ross, & Stevens, S.C., for the period of July 1, 2014 through June 30, 2015 as Legislative Counsel on a cooperative basis with the other school districts that are members of the Southeastern Wisconsin School Alliance, regarding matters of mutual interest as determined by the Alliance, including but not limited to, constitutional limitations on and legislative decisions related to funding for education, research, public awareness and information sharing.

BE IT FURTHER RESOLVED that the District share the fees for these services, plus reasonable and necessary expenses, with the other school districts that are members of the Southeastern Wisconsin School Alliance on the basis of:

Dues (Check One):

- \$3,000 annual fee for school districts participating in Southeastern Wisconsin School Alliance
- \_\_\_\_\_\_\$3,000 annual fee for school districts participating in Southeastern Wisconsin School Alliance and <u>Chapter 220 (SSLC) affiliation (No</u> fee for 2014-15)

\_\_\_\_\_ Not participating

\_\_\_\_\_ District

#### Southeastern Wisconsin School Alliance Agreement (Section 66.0301)

Pursuant to a resolution adopted by school districts participating in the Southeastern Wisconsin School Alliance (SWSA):

Participating school districts hereby mutually agree, pursuant to Section 66.0301 of the Wisconsin Statutes, to the following conditions:

- 1. That said parties agree and contract with DeWitt, Ross, & Stevens, S.C., to serve as Legislative Counsel for the Southeastern Wisconsin School Alliance as hereinafter set forth;
- 2. That the School District of South Milwaukee is to be the operator and fiscal agent of the Southeastern Wisconsin School Alliance;
- 3. That the fiscal agent district shall establish and maintain records in accordance with the uniform financial accounting system prescribed by the Department of Public Instruction;
- 4. That the pro-ration of costs will be assessed equally to each participating school district as provided in the authorizing resolution;
- 5. That the estimated budget and plan of operation for this cooperative shall be approved in advance to contract signing by all school district parties hereto;
- 6. That variations from the budget will require prior approval of all school district parties hereto;
- 7. That the fiscal agent agrees to file the required financial reports with the Department of Public Instruction;
- 8. That attached hereto and incorporated herein by reference are the budget, the plan for operation and plan of payments to said operator of fiscal agent by each school district.

A joint meeting of the Kenosha Unified Personnel/Policy and Curriculum/Program Committees chaired by Mr. Kunich was called to order at 5:28 P.M. with the following Committee members present: Mr. Bryan, Mrs. Snyder, Mrs. Burns, Mrs. Butler, Mrs. Morrison, Mrs. Dahl, Ms. Stevens, Mr. Wade, Mrs. Karabetsos, Mrs. Kenefick, Mrs. Santoro, Mrs. Renish-Ratelis, and Mr. Kunich. Dr. Mangi was also present. Mrs. Hamilton and Mrs. Daghfal were excused. Ms. Morgan and Ms. Galli were absent.

### Policy and Rule 6440 – Course Option Enrollment

Mr. Kristopher Keckler, Executive Director of Information & Accountability, presented Policy/Rule 6440 – Course Option Enrollment. He explained that the Course Option Enrollment is a new program mandated by the State of Wisconsin that takes effect at the start of the 2014-15 school year. The Department of Public Instruction (DPI) has established an expectation that local school boards adopt policies and/or procedures respective to the Course Options program, thus the creation of this policy. The program allows for students in any grade (K-12) to have the opportunity to enroll in up to two courses at a time through an Institution of Higher Education or other DPI approved program at no cost to the student with the resident district being required to pay a DPI determined amount to the educational institution. A resident school district must reject the application if the course does not satisfy a high school graduation requirement or the course does not conform to or support a student's academic and career plan, if one exists. He indicated that a budget assumption will have to be established as well as any internal resources for managing enrollment requests and coordination between the educational institutions.

Mr. Keckler noted that because the program is new there has not been substantial guidance from DPI and many questions have not yet been answered.

It was recommended that an update on this item be presented to the Committee at a later date.

Mr. Bryan moved to forward Policy/Rule 6440 – Course Option Enrollment to the full Board for approval. Mrs. Karabetsos seconded the motion. Unanimously approved.

#### Information Items

There were no information items listed.

#### Future Agenda Items

An update on the Course Option Enrollment program will be presented at a later date as recommended above.

Meeting adjourned at 6:22 P.M.

Stacy Schroeder Busby School Board Secretary

A meeting of the Kenosha Unified Curriculum/Program Committee chaired by Mrs. Snyder was called to order at 6:23 P.M. with the following Committee members present: Ms. Stevens, Mr. Wade, Mrs. Karabetsos, Mrs. Kenefick, Mrs. Santoro, Mrs. Renish-Ratelis, and Mrs. Snyder. Dr. Mangi was also present. Mrs. Daghfal was excused. Ms. Galli was absent.

#### <u>Approval of Minutes – April 8, 2014, May 13, 2014, and June 10, 2014</u> <u>Curriculum/Program</u>

Mrs. Santoro moved to approve the minutes as presented. Mrs. Karabetsos seconded the motion. Unanimously approved.

#### Course Proposal for Spanish for Spanish Speakers

Dr. Sue Savaglio-Jarvis, Assistant Superintendent of Teaching and Learning, presented the Course Proposal for Spanish for Spanish Speakers. She noted that the course was previously approved in the 2011-2013 Language Acquisition Program Proposal by the Board on June 28, 2011. However, in researching the course, it was discovered that no viable curriculum was ever created. Since the expiration of the 2011-2013 Language Acquisition Programs in nearby school districts, developed a curriculum, and researched textbooks. Approval is being sought for the Spanish for Spanish Speakers course and the instructional materials "Encuentros Maravillosos" and "Una Vez Mas".

Mrs. Sarah Smith, Coordinator of World Language and Language Acquisition Program; Mrs. Lee Belanger Gonzales, Spanish Teacher at Bradford; and Mrs. Julie Chase, Spanish Teacher at Tremper were also present and answered questions of Committee members.

Ms. Stevens moved to forward the approval of the Spanish for Spanish Speakers course and the instructional materials "Encuentros Maravillosos" and "Una Vez Mas" for the course to the full Board for consideration. Mrs. Kenefick seconded the motion. Unanimously approved.

#### Information Item

There were no information items listed.

#### Future Agenda Items

Dr. Savaglio Jarvis indicated that she would be bringing a gifted and talented update to the Committee in August.

Meeting adjourned at 6:28 P.M.

Stacy Schroeder Busby School Board Secretary This page intentionally left blank

#### Kenosha Unified School District Kenosha, Wisconsin

#### August 12, 2014 Curriculum/Program Standing Committee

#### HEAD START SEMI ANNUAL REPORT

The purpose of this report is to ensure community and school board awareness of the progress of the Head Start Child Development Program. Head Start is defined as a program that works with identified most at-risk 3 and 4 year-old children and their families. This directly correlates with the district's mission to ensure every child experiences high quality personalized learning success.

The Kenosha Unified School District Head Start Child Development Program serves 389 enrolled children. Three hundred thirty of these children are funded through the Federal Head Start Grant. Fifty-nine of these children are funded through the state Head Start Supplemental Grant.

All Head Start programs are structured through a common framework with the following components: Program Design and Management, Family and Community Partnership, and Early Childhood Development and Health Services. This report will summarize activities in each of these components for January 2014 through June 2014.

#### PROGRAM DESIGN AND MANAGEMENT

The purpose of the Program Design and Management component is to ensure strong, effective organizational management for the program. Activities for the past six months include:

- The Federal Head Start Grant for the 2014-15 school year was approved by the Head Start Policy Council and the KUSD School Board and then submitted to the Head Start regional office. Differences between this grant request and the current grant include:
  - Reduction in the number of locations that will be served by Head Start. Head Start enrollment is capped at 389 students. To increase the impact of the program Head Start on these 389 students and their families, Head Start will serve fewer schools but increase the number of students that it serves at each school. This allows for consolidation of services for the classroom and the families.

- Request for a Parent Engagement Specialist position.
   This position is dependent upon grant funding. The purpose of the position is to move Head Start family participation from involvement to engagement. The position will be responsible for establishing parent opportunities that will strengthen the family of each child.
- Request for a Disabilities Coordinator/Instructional Coach position.
   This position is dependent upon grant funding. This position was previously cut from the Head Start program due to lack of funding and the responsibilities added to another position. The intent is to reinstate the position in the program.

Each of these revisions in the grant will strengthen the quality of the Head Start program.

- The Program Information Report (PIR) was completed and submitted for review by the Head Start regional office. This report summarizes some of the program's activity for the year. The data showed:
  - While the KUSD Head Start program is capped at serving 389 students at a time, 421 students were served throughout the year. Additional students were served as a result of family mobility.
  - 110 families (28%) identified Spanish at the primary language in their home.
  - o 647 people volunteered in Head Start throughout the year.
  - 43% of fathers/father figures participated in parent opportunities.
  - o 65% of the Head Start parents were employed during the year.
  - A higher than typical educational level for Head Start parents visible in the chart below:

Parent/Guardian Education							
Of the total number of families, the highest level of education obtained by the							
child's parent(s)/ guardians(s):							
An advanced degree or baccalaureate degree							
An associate degree, vocational school, or some college							
A high school graduate or GED	44%						
Less than high school graduate	23%						

#### FAMILY AND COMMUNITY PARTNERSHIP

The family and community partnership component of Head Start focuses on strengthening families by making the connection between school and home, and strengthening community awareness, collaboration, and outreach. Key activities for this report include:

• Head Start Family Service Providers have extended community outreach through establishing a consistent weekly presence at community agencies for the purpose of recruitment.

- Head Start Family Service Providers have also participated in multiple elementary school events focusing on registering children for Head Start and/or 4K program.
- Twenty-two percent of families received emergency/crises intervention throughout the year from their Family Service Provider.

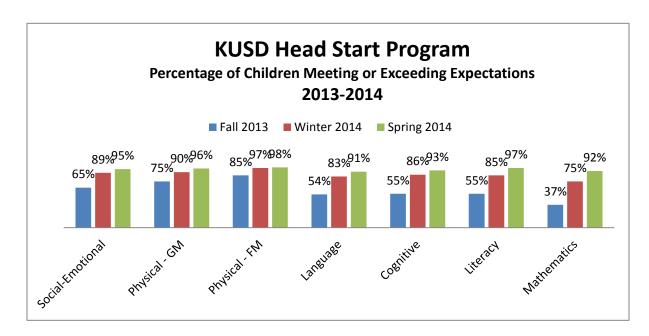

#### EARLY CHILDHOOD DEVELOPMENT AND HEALTH SERVICES

Early Childhood Development and Health Services are designed to ensure that every Head Start child is healthy and receives a quality educational experience that is reflective of best practice. Key events that occurred during the past six months include:

- Collaboration with the Kenosha Community Health Center (KCHC) continues through the School Based Health Clinic located at the Chavez Learning Station and through services provided to Head Start children at KCHC.
- In collaboration with multiple community agencies, plans for a summer health clinic for Head Start students are being developed. The intent of the summer health clinic is to ensure students begin their new school year meeting the dental and health requirements of the program.

	April 2012	April 2013	April 2014
Completed Health Checks	98%	87%	89%
<b>Completed Dental Checks</b>	96%	93%	93%

• The Kenosha Unified School District Early Education program (including Head Start) reports student progress three times per year using Teaching Strategies GOLD<sup>TM</sup>, a webbased tool used to collect and organize documentation of student achievement and to generate reports. The graph below shows student progress in the Head Start program for the 2013-2014 school year.

As evidenced by the graph, students made continuous improvement throughout the year. Children are achieving highest in their fine motor skills and in literacy. Students made the most growth in the area of mathematics.

Dr. Sue Savaglio-Jarvis Superintendent of Schools

Dr. Floyd Williams Assistant Superintendent of Elementary School Leadership

Ms. Belinda Grantham Director of Early Education

Ms. Lisa KC Assistant Director Head Start

#### KENOSHA UNIFIED SCHOOL DISTRICT Kenosha, Wisconsin

#### August 12, 2014 Curriculum/Program Standing Committee

#### TALENT DEVELOPMENT PROGRAM UPDATE

#### **Background**

As requested at the Curriculum Standing Committee in March 2014, this report will provide an update on the Talent Development Program in KUSD as well as new recommendations from the Department of Public Instruction (DPI). While there are no changes in state policy or statutes, a new philosophy of gifted and talented education (GaTE) is becoming best practice across the state and the nation. This philosophy will be outlined and addressed in this report.

#### <u>History of, and Basis for, the current Kenosha Unified School District Talent Development</u> (Gifted and Talented Education) Program

In May 2006, the Talent Development Long-Range Report was presented and approved by the school board to review the gifted and talented education (GaTE) program in Kenosha Unified School District. Full implementation of most parts of this report was to be completed within the last 8 years. A copy of the plan is included in Appendix A as a reference. This plan was also part of an agreement to settle a complaint from the Office of Civil Rights (OCR).

Some changes have occurred in the past years, which prohibited the plan to be fully implemented. Some of the changes were necessary, but unintended, due to the financial constraints of the district while others were issues of staffing. In addition, recommendations have recently been made at the state level through the Department of Public Instruction (DPI), which may shift the focus of the intent of the plan.

Students and their parents continue to question the validity of the Talent Development program due to the partial implementation of this plan. Some of the components of the plan were never initiated while others were started but discontinued. This report is presented as information regarding the changes at the state level and to review the Talent Development Long-Range Plan. With the consent of the school board, it will also allow for the investigation, analysis and alignment of the Talent Development program to state statutes and policy as well as school board policy and expectations. A preliminary timeline to study the direction and focus of the gifted and talented education program in KUSD will be provided at the conclusion of the report.

#### WISCONSIN STATE STATUTES

As listed on the DPI website, the Wisconsin State Statutes defining gifted and talented education state:

Wisconsin Statute 121.02(1)(t): Each school board shall provide access to an appropriate program for pupils identified as gifted and talented.

Wisconsin Statute: s. 118.35, Wis. Stats. Programs for gifted and talented pupils.

- 1. In this section, "gifted and talented pupils" means pupils enrolled in public schools who give evidence of high performance capability in intellectual, creative, artistic, leadership, or specific academic areas and who need services or activities not ordinarily provided in a regular school program in order to fully develop such capabilities.
- 2. The state superintendent shall by rule establish guidelines for the identification of gifted and talented pupils.
- Each school board shall:
   a) Ensure that all gifted and talented pupils enrolled in the school district have access to a program for gifted and talented pupils.
- 4. From appropriations under s. 20.255(2)(FY), the department shall award grants to nonprofit organizations, cooperative educational service agencies (CESAs), institutions within the University of Wisconsin System, and the school district operating under ch. 119 for the purpose of providing to gifted and talented pupils those services and activities not ordinarily provided in a regular school program that allow such pupils to fully develop their capabilities.

Administrative Rule 8.01(2)(t)2. Each school district shall establish a plan and designate a person to coordinate the gifted and talented program. Gifted and talented pupils shall be identified as required in s. 118.35(1), Stats. This identification shall occur in kindergarten through grade 12 in general intellectual, specific academic, leadership, creativity, and visual and performing arts. A pupil may be identified as gifted or talented in one or more of the categories under s. 118.35(1), Stats. The identification process shall result in a pupil profile based on multiple measures, including but not limited to standardized test data, nominations, rating scales or inventories, products, portfolios, and demonstrated performance. Identification tools shall be appropriate for the specific purpose for which they are being employed. The identification process and tools shall be responsive to factors such as, but not limited to, pupils' economic conditions, race, gender, culture, native language, developmental differences, and identified disabilities as described under subch. V of ch. 115, Stats. The school district board shall provide access, without charge for tuition, to appropriate programming for pupils identified as gifted or talented as required under ss. 118.35(3) and 121.02(1)(t), Stats. The school district board shall provide an opportunity for parental participation in the identification and resultant programming.

The website continues by defining the following key terms:

#### **Definitions of Terms**

Access. An opportunity to study through school district course offerings, independent study, cooperative educational service agencies, or cooperative arrangements between school district boards under s. 66.30, Stats., and postsecondary education institutions (from PI 8.001, Wis. Admin. Code).

**Appropriate program.** A systematic and continuous set of instructional activities or learning experiences which expand the development of the pupils identified as gifted and talented (from PI 8.01(2)(t), Wis. Admin. Code).

**Gifted and talented.** Pupils enrolled in public schools who give evidence of high performance capability in intellectual, creative, artistic, leadership, or specific academic areas and who need services or activities not

ordinarily provided in a regular school program in order to fully develop such capabilities (from s. 118.35(1), Wis. Stats.).

As the statute and policy state, districts may develop their own program to serve gifted and talented students, provided that it meets the definition above. Many districts across the state and nation are now utilizing a new format that is more fluid and responsive to student needs. This format often coincides with the Response to Intervention (RtI) model for identifying and serving student needs.

The Response to Intervention (RtI) system is often thought of as a Special Education initiative, while in fact, it is designed to serve <u>all</u> students, including those identified as gifted and talented. In the RtI model, student needs are identified and interventions are designed to meet those needs. If a student's needs are not being met by regular classroom instruction and activities, the student should have interventions or enrichment activities planned to meet those needs. At times, a student may be struggling to meet grade level expectations and interventions are planned to improve the learning situation. In the same respect, a student who has already mastered the grade level expectations should have interventions planned to meet his/her needs. This may require some small group work to enrich the curriculum for a few students or may become an intervention designed specifically for the individual student. In a few cases, acceleration, either horizontal or vertical, may be the needed intervention.

Unfortunately, for many years, especially since the inception of No Child Left Behind, the focus has been on our struggling students and not on those with the highest potential. While everyone agrees that every student should receive an appropriate education and achieve to the highest potential, we, as a nation, have inadvertently ignored many of our brightest, most highly capable students. Many recent studies have indicated the lack of growth of our nation highest achieving students. Some of this research will be cited later in this report.

#### **REVIEW OF DISTRICT POLICY AND THE TALENT DEVELOPMENT LONG-RANGE PLAN**

Kenosha Unified School District has a policy and an administrative regulation related to the Talent Development program. Policy 6423 and Administrative Regulation 6423ar address the Talent Development program. Both were last revised in 2002, prior to the adoption of the Talent Development Long-Range Plan, and are outdated and in serious need of revision. The policy and administrative regulation are attached in Appendix B.

The Talent Development Long-Range Plan had started to be implemented until such time as the district encountered financial difficulties in 2011. The Magnet Enrichment Program, which had existed at two sites, Harvey Elementary and Roosevelt Elementary, were consolidated into one location. The four teacher positions from the Harvey Elementary were intended to become four Talent Development Itinerant Teacher positions. These teachers would serve the student populations at all elementary and middle schools in the capacity of gifted and talented instructional coaches. Two of these positions were put into place in 2010, only to be eliminated when the district encountered financial difficulties. The positions were reinstated in 2011 but then eliminated again and not restored. If the plan had been fully implemented at this time, there would be four itinerant teachers to serve gifted and talented students and assist teachers in meeting students' needs.

#### **A QUESTION OF ALIGNMENT**

A thorough analysis and review of district policy and the Talent Development Long-Range Plan is needed to see if each are aligned with state statute and policy. As provided by DPI, a Gifted Education Gap Analysis Chart needs to be completed and reviewed by a team of parents, teachers, administrators and community members. Additional research and input from all stake-holding parties should be collected as well. If alignment would be required, the Coordinator of Talent Development would make recommendations on behalf of the team, which would reflect state statutes and policy and current best practices in the field of gifted and talented education.

#### **REVIEW OF RECENT STUDIES**

In the 2010, a study called *High Achieving Students in the Era of NCLB*, conducted by the Thomas B. Fordham Institute, described the performance of the nation's top students as "languid". The report states that "While the nation's lowest-achieving youngsters made rapid gains from 2000 to 2007, ..... those at the 90th percentile (the top 10 percent) have made minimal gains." Many other studies also note that while these students often are our highest achievers, the rate of growth diminishes as the student progresses through our educational systems. While it may be hard to believe, many of the most capable students in our schools will drop out before graduating high school due to lack of challenge. In recent studies according to NAGC, between 18 and 25 percent of gifted and talented students drop out of school. An anonymous quote states: "Some students drop out of school as early as third grade. They just wait until high school to walk out the door."

In a study published in 2010 on the effects of acceleration, "A Nation Deceived: How Schools Hold Back America's Brightest Students", the Executive Summary presents the following reasons for why schools hold back America's brightest kids:

- Limited familiarity with the research on acceleration
- Philosophy that children must be kept with their age group
- Belief that acceleration hurries children out of childhood
- Fear that acceleration hurts children socially
- Political concerns about equity
- Worry that other students will be offended if one child is accelerated.

This report shows that these reasons are simply not supported by research.

In another recent article "*Who Rises to the Top? Early Indicators*", published in Psychological Science, the following conclusion was reached: "Young adolescents with profound talent in mathematical and verbal reasoning hold extraordinary potential for enriching society by contributing creative products and competing in global economies. Many hold important leadership roles and are entrusted with obligations and responsibilities essential for individual and organizational well-being. Above-level assessment techniques are an efficient means of identifying large numbers of profoundly talented young adolescents. The evidence examined here suggests that they constitute the far edge of a population whose continued success will be further emphasized—globally—for the foreseeable future."

In a publication from the National Association of Gifted Children (NAGC), the Gifted Programming Standards have been outlined. A copy of these standards is included in Appendix C.

#### **REVIEW OF CHANGES FROM DPI**

Just as the Curriculum and Math Audits indicated gaps in the respective programs in KUSD, gaps also exist in KUSD's Talent Development Program.

On April 17, 2014, Chrystyna Mursky, DPI Consultant for Gifted and Talented Education, Advanced Placement and International Baccalaureate programs, visited and shared insights with the coordinators in the Teaching and Learning Department. Her recommendations are reflected as critical components of this report.

As part of this report, a (powerpoint) presentation will be provided, highlighting state statutes and DPI policies, recommendations and best practices in the field of gifted and talented education. It will also provide resources from the research on gifted students, their potential, and achievement (or lack thereof) as described in recent educational studies.

# WORK WITH TEACHERS, ADMINISTRATORS AND PARENTS TO PROMOTE THE VALUE OF THE MAGNET ENRICHMENT PROGRAM

Identified students may participate in the Magnet Enrichment Program at Roosevelt Elementary School if parents choose this option. Transportation is not provided to the program. Approximately 50 percent of the parents of identified students choose not to participate. There are a variety of reasons for their choices, including siblings at the resident school, consolation and feeling of comfort with the resident school and lack of transportation to Roosevelt.

Work continues with the elementary building principals and their staffs to provide for the needs of gifted and talented students whose parents choose not to have them participate in the Magnet Enrichment Program at Roosevelt Elementary. Work also continues with middle and high school principals and their staffs to provide for the needs of all of the highly capable students whether they have been identified as gifted and talented or not. A large portion of the work at the high school level centers on the Advanced Placement (AP) program and the Youth Options Program (YOP). While these programs support gifted and talented students in meeting their needs, they do not suffice as a gifted and talented program.

#### CONTINUE AND IMPROVE THE MONITORING OF IDENTIFIED STUDENTS

The Kenosha Unified School District continues to monitor the students who have been identified as they progress through their educational careers in KUSD. With the beginning of MAP testing last year, we can determine whether the identified gifted and talented students in KUSD are making adequate growth, not just achieving at high levels.

#### <u>Next Steps</u>

The Coordinator of Talent Development will explore the revision (if necessary) and continued implementation of the Talent Development Long-Range Plan. Prior to this revision, a committee of interested stakeholders will complete the Gifted Education Gap Analysis Chart to determine the area(s) of the plan that may need revision. A list of resources, including online links, is provided in Appendix D. These resources are available through national and state organizations as well as the Department of Public Instruction (DPI).

The Coordinator of Talent Development will also conduct "listening sessions" over the next 6 months to receive input from all stakeholders on how to meet the needs of gifted and talented students in KUSD. These listening sessions will be conducted with students, parents, community members, teachers, and administrators as well as organizations that represent students of commonly under-represented populations (such as NAACP, LULAC, etc.). A tentative timeline of study will be developed to begin work this summer and next fall.

The Coordinator of Talent Development will work in collaboration with building leaders (one administrator from each elementary, middle and high school level) and teacher teams to develop plans for increasing the awareness of the needs of gifted students and how to plan to serve those needs. This will include principals, AP (building) coordinators, and content area coordinators planning for opportunities for teachers to work collectively to develop common enrichment and acceleration interventions and opportunities for students whose needs are currently not being met by the regular classroom curriculum and activities.

The Coordinator of Talent Development along with the content area coordinators will assist teachers with the most effective strategies to engage gifted and talented students.

This is an information item update.
