

POLICY 4235
EMPLOYEES RIGHT TO KNOW
(Toxic Substances and Infectious Agents)

The District shall strictly carry out state law provisions relating to the rights of employees to obtain information on toxic substances and infectious agents present in the workplace.

In addition to providing such information upon request of an employee or an employee's representative, the Superintendent of Schools and designees shall provide information concerning toxic substances and infectious agents and provide education or training programs to those employees who may routinely be exposed to toxic substances and infectious agents while at work.
