## KUSD CELEBRATES STAFF WITH RECOGNITION WEEK

KENOSHA, Wis. (Thursday, April 29, 2021) – The Kenosha Unified School District’s recognition program is designed to acknowledge individuals along their career path for their service to the district and public education. This program is a part of the district’s culture and celebrates many wonderful staff within the district.

Recognition Week consists of the **KUDOS (Kenosha Unified’s Dedicated Outstanding Staff)** rewards, wherein employees with 5, 10, 15, 20 or 25 years of service are thanked for their continuous service to KUSD. It also embodies **Gratitude Gifts** for retirees, who are embarking on their next chapter in life. Finally, the **Spark Awards** will be the culminating event where each winner also selects a gift of their choosing for their amazing accomplishment.

### Recognition Week 2022

- Monday, May 2, 2022: Recognize all staff celebrating their 5- and 10-year anniversary
- Tuesday, May 3, 2022: Recognize all staff celebrating their 15- and 20-year anniversary
- Wednesday, May 4, 2022: Recognize all staff celebrating their 25-year anniversary
- Thursday, May 5, 2022: Recognize all staff celebrating their recent or upcoming retirement
- Friday, May 6, 2022: Recognize 2022 Spark Award winners

Annual Spark Award winners are selected by building teams that submit names of colleagues who meet at least two of the three [Spark Awards guidelines](#), which are connected to student achievement and the district’s mission and core values. The number of allotted honorees per building is based on the overall staff size and include staff from the following groups: administrative support professional, community and student support, educational support professional, interpreter, facilities, food services, teacher, or supervisory/technical staff, as well as a Friend in Education.

Please join us in congratulating the following staff during this year’s Recognition Week. All winners are noted on the fliers located on our staff recognition [webpage](#). Please know that you may see some staff on more than one list if they are a Spark Award recipient and celebrating a service milestone.
