

Bidder Questions and Answers

Question	Are we able to edit the Quantity column (Column G)?
Answer	They can note this in the comment section. They have to show the servings per case on the spreadsheet and they can include a comment to state that the pack size differs from the bid pack size.

Question	Is it possible to submit a Proposal excluding the ability to service Brown Box?
Answer	The ability to service brown box (commercial distribution) is worth 25 points in the evaluation. They could submit without this option but would be scored a 0 in this category.

Question	Are product specifications/CN Labels needing to be returned with the response or will a website where they're available suffice?
Answer	Product specs/CN labels are not required at time of bid. The website would be sufficient.
