To Distribute Assignments to your student's Home directories, log in to Zangle Teacher Connection.

Click on the new "Assignment Distribution" tab.

Attendance Seating Chart Marks Class	News School News Reset Student Password Assignment Distribution
	Zangle
	Connection
	Please Select an Application

This will launch a new screen where you can select one of your courses to distribute assignments to.

From the next screen you can choose to copy files/assignments to student home directories or open student home directories.
