2020 Vision

For students & staff, we will focus on providing...

1. Math & reading intervention & enrichment support
2. Up-to-date technology & virtual learning resources
3. Family at-home learning opportunities

Digital Resources

MobyMax, EdPuzzle, ESGI, ALEKS math, Accelerated Reader

Digital Resource Success!

- Data-Driven Collaboration
- Data-Driven Interventions

- Enrichment opportunities
- Increased reading & access to books
- Increased engagement in virtual learning

Building & Family Resources

Guided Reading leveled readers, LLI books, Family novels, Mice, Headphones

Reading Success!

- **Guided Reading/ LLI books:** small group support resources at students' levels
- **Family novels:** Opportunities for community building & at-home reading and discussion
- **Mice & Headphones:** Promote focused engagement, dexterity support, & equitable resources for learning

November Reflections

Based on current successes, how can we continue to promote & support implementation of these resources?

As we continue utilizing these resources, what might be our...

- ...student needs?
- ...family needs?
- ...staff needs?
