V. Discussion Points

- A. Budget (Sandy) Sandy presented the budget for the 2019-2020 school year. She stated the income and expense columns were actuals from last year. Sandy went over the line items and highlighted significant differences. It was suggested that a

There was also a suggestion that the line items for clubs be broken down and divided up into subcategories. Jen N. motioned to approve the budget with revisions and Bridgit Rallo seconded the motion.
