1. Updates: We are down in revenue for restaurant nights this year. Please help us spread the word for restaurant nights. In January, there will be Georgie Porgies, Feb. Nothing Bundt cakes, March is MOD Pizza, and hopefully Portillo's. Amy Seghers was asking if we would be more successful if we did fewer restaurant nights and did something like Culver's night where

the 8th graders are serving the food. Joy will find out if MS is going to do the Culver's night where they can serve food. Amy said that the profit goes to the school during a specific time frame from all customers. Admirals mailed a check to the BCP for \$45. March 22nd will be another Admirals game with reduced tickets. The cookbook was tabled until May-we will continue to take recipes. The sleigh ride was a great time and well attended. The Holiday Shop was successful and over \$400 will go toward the water refill station and other playground equipment.

2. The Spaghetti Dinner meeting will follow this meeting. We received about 20 donations so far. Please have your children turn in the coloring sheets which will be used for the Spaghetti Dinner. Early bird tickets will be \$14/\$8/free. The Spaghetti Dinner will be on February 21st at Cortese's.

#### VI. Discussion Points

A. BoxTops Deadline: Joy Nesci updated us that we made \$315.10 to date. The next batch of boxtops of clipped box tops will be due March 1, 2020 and can be turned into the office.

B. Amy Seghers questioned if we can send cold items when the child is getting hot lunch? Yes, they can. Does Brompton participate in transportation reimbursement? No, we do not as we are parents of a Charter School and provide transportation. Is the BCP signing the sign-in sheet forms that were handed out at the beginning of the year? Dottie Maccannelli said that she really appreciates all of the communication forums that the BCP is using. She also asked if donations are needed for classroom parties? Maggie responded that the BCP funds \$250 per class for parties. It will depend on the class and room moms if donations/funds are needed. Carmen asked if donations will be needed for the Spaghetti Dinner baskets also? Maggie responded that this will be on a per-class basis. Joy suggested an email at the beginning of the year letting parents know what will be requested and what events will be happening. Maggie went over the baskets that will be put together by each classroom. The winner of the Spaghetti Dinner tickets is Dottie Maccannelli.

VII. Adjournment- Mike Easton motioned to adjourn the meeting. Elizabeth Williams seconded the motion. The meeting was adjourned at 7:11pm.
