Sarah Whittington, Heidi Brant, and Sarah Salmon are all subbing for Brompton at this time. Joy Nesci is in the lunch room and is helping with classroom coverage as needed. Sue said we will have to find a new vendor for the basketball equipment. She is also asking Vernon if there can be a rotation on the playground equipment for the children at recess. The teachers and students are extremely prepared for going virtual. They have all practiced google meets, art, and seesaw in the classroom and know how to log in. Kindergarten has plastic tubs that will be packed for them to go to virtual learning at home. They will also be receiving bean bags and hula hoops for gym at home. Teachers will have the option to teach at school or home.
4. Faculty Report (Mrs. O'Reilly): No report.
5. Officer's Reports
 1. President (Jenna): Air purifiers were ordered in October from Granger. The delivery date is November 30th. Mrs. Loewen will be in the building during school hours. We had an anonymous donor who covered half of the cost!
 2. Treasurer (Michelle): Michelle went over the budget so far for the 2020 school year and asked if there were any questions.
 3. Secretary (Tatiana): No report.
 4. Social Chair (Sara): Sarah said that the cookie boxes would be arriving November 24th and asked that parents post pictures of their children decorating on Facebook. An email will be going out regarding the giving tree and families in need will be able to anonymously fill out the forms. Movie night over zoom will be Friday December 18th. Treats will be coming home to enjoy during the movie the Grinch. Sarah also is putting together a video collage where the students can share what they are grateful for, or talk about something they learned or experienced at Brompton.
 5. Fundraising Chair (Kara): Chipotle night brought in \$106 and so far restaurant nights have brought in \$481. All day December 5th, a portion of the sales from Corner Bakery will go back to Brompton. Spirit Wear has brought in \$1800 so far and another order will be placed per a family's request. Recipes for the "Busy in the Beehive" cookbook are still needed. Monday December 7th, a portion of the sales will go back to Brompton for the "Carnival of Lights". It is \$25 per car to drive through the amazing light display. Kara discussed goals for the school year which include air purifiers, recess wishlists, and a picnic table. K, 1, and 2nd grade have a good response on recess items, whereas 3-5 are in need of more. As far as the picnic table, there is a company that will make out of recycled plastic lids such as sour cream/cottage cheese lids, juice caps, etc. The picnic table could be utilized by parents and students at lunch time when we are able to do so. An email will be going out so families can start saving lids. The spaghetti dinner will be discussed following this meeting. Update: The spaghetti dinner has been cancelled for the 2020-2021 school year. We will be focusing on a 25th anniversary for Brompton next school year.
